Oakland County Telephone Directories

How far will you go to get what you want? Will you be the same person if you do? When twenty-something star sex blogger and memoirist Ethan tracks down his idol, the gifted but obscure forty-ish novelist Olivia, he finds they each crave what

the other possesses. As attraction turns to sex, and they inch closer to getting what they want, both must confront the dark side of ambition and the trouble of reinventing oneself when the past is only a click away.

Brightest Day. Vol. 01. [graphic Novel]

Child Welfare Law and Practice

Complete will teach and inspire married couples who own a business to have their partnership support and enhance both the company and crucial spousal and family relationships. It is based on the premise that while owning and running a business is hard, managing that with the help of a spouse is really hard. The spousal partnership adds another layer of complexity because so much is at risk. Divorce rates hover at 50% and business failure rates are above 75% within the first 5 years. Entering into a spousal partnership combines two entities that have high probabilities of failure, and the fallout can be the loss of the business, the breakup of the marriage, or both. DeSantis offers practical action steps as well as heartfelt prayers—all proven through her own hard-won wisdom and experience as a child of serial entrepreneurs and years as co-owner with her husband of a business consultancy.

Sack on Defamation

The Reasonable Exercise of Authority

Mines are among the best artificial obstacles---they are portable, installed relatively easily, and constitute a hazard to the enemy; however large scale employment of mines requires considerable time, manpower, and logistical effort. Mines delay and canalize enemy movement, lower the enemy's will to fight, and cause fear of sudden and unexpected casualties. Mines, in contrast to passive obstacles such as road craters and barbed wire, are termed active obstacles because of their destructive potential. If placed in a location where movement is confined such as at a ford or on a bridge approach, a few mines can create an obstacle; however, mines are more frequently employed to create obstacles by distributing them in quantity over a relatively large area. Although mines may be used individually for the purpose of causing casualties, this manual is primarily concerned with the employment of mines as obstacles.

Fortunate Son

On May 12, 1995, a petition was filed with the ITC by Borden; Hershey Foods; & Gooch Foods (Archer Daniels Midland), alleging that an industry in the U.S. is materially injured or threatened with material injury by reason of subsidized imports of certain pasta from Italy & Turkey. On the basis of the investigation, the ITC determined that there is a reasonable indication that an industry in the U.S. is materially injured by reason of imports from Italy & Turkey of certain pasta (except oriental style noodles), that are subsidized by the Governments of Italy & Turkey & that are alleged to be sold in the U.S. at less than fair value. Tables.

Marine Corps Directives Management Program

The New, Expanded Sixth Edition of Clinical Pharmacokinetics In the evolving practice of pharmacokinetics (PK), it is important to keep on top of the latest advances. John E. Murphy, Pharm.D., FASHP, FCCP, a well-known leader in the field of clinical pharmacokinetics, has updated and expanded his widely used textbook and reference. Clinical Pharmacokinetics, Sixth Edition, includes the most current information, covering issues such as rational use of drug concentration measurements, changes in dosing obese patients, and considerations for a wider variety of drugs for special populations. There is also a new chapter focused on pharmacogenomics and its impact on pharmacokinetic parameters, as well as discussion of pharmacogenomics throughout the book. Everything You Need to Know About PK Today Drugs, dosing, and therapeutic monitoring Drug concentration measurements New chapter on the impact of pharmacogenomics Neonatal, pediatric, obese, and geriatric dosing Dosing in renal disease and creatinine clearance estimation Drugs sorted by family and as single drugs Written in a straightforward style, with numerous charts and lists, the sixth edition makes complicated dosing and monitoring information easy to find and understand. Whether you are a student or practitioner, it is a resource you will turn to for reliable guidance throughout your pharmacy career.

A concise Amharic-English, English-Amharic dictionary provides definitions along with phonetic transcriptions of Amharic script.

Reconnaissance Training and Readiness Manual

The former president explores critical foreign and domestic issues confronting the

United States in the post-Cold War era and calls for a renewal of our national purpose

Concise Amharic Dictionary

This book, comprising peer-reviewed contributions, treats the subjects of Architectural Design and Theory, Building Technology Science, Urban Planning and Design, Ecological Architecture and Building Energy-Saving Technology, Traditional Constructional Materials, Advanced Construction Materials and other related topics.

Omens

This book is the offspring of Martin Cass's The VOR and ADF, first published in 1977 and which ran to three editions. Its aim is to introduce the theory required to operate and use the VOR (Very High Frequency Omni Directional Radio Range), ADF (Automatic Direction Finding) and RMI (Radio Magnetic Indicator) for their operational role in the air. There is also a chapter on DME (Distance Measuring Equipment). The text has been rewritten to make it compliant with the latest practices and regulations. It also includes new and improved diagrams and illustrations.

Monthly Budget Planner

Set against the backdrop of post-colonial Morocco, three couples - Susan and Daoud, Elizabeth and Mahmoud, our narrator and her beloved, share their stories of life and love, at home and abroad. Susan and Daoud find themselves unable to be of service to the causes they care about; Elizabeth and Mahmoud struggle on the path to fulfill their dreams; and our narrators balance between a challenging university life and field work in Morocco.

Flying Goats in Agadir

This publication provides policy for the preparation, approval, and maintenance of Marine Corps directives.

QRP Notebook

Featuring all-new coverage and a convenient new two-volume looseleaf format, here's today's authoritative, up-to-date guide through the labyrinth of defamation law. Now expanded to more than 1,400 pages of definitive legal, tactical, and strategic insight into libel, slander, and related causes of action, the new Third Edition of Sack on Defamation reaffirms this treatise's position as "the standard

text in the field against which all others must be judged" (Floyd Abrams, Cahill, Gordon, and Reindel, New York City). Citing thousands of cases, the work takes you securely through this complex field, from its common law and constitutional foundations to the more recent influential case law to the crucial and often confusing splits of judicial authority. Designed for judges, teachers, journalists, and lawyers on both sides of the table, Sack on Defamation helps practitioners and their clients: . Ensure written and oral communications are less likely to result in suit.. Avoid or limit lawsuits by issuing retractions and taking other mitigating steps.. Persuade judges to dismiss complaints or grant summary judgments.

Written by a team of experts, the Loudspeaker and Headphone Handbook provides a detailed technical reference of all aspects of loudspeakers and headphones: from theory and construction of transducer drive units and enclosures, to such practical matters as construction, applications in rooms, public address, sound reinforcement, studio monitoring and musical instruments. Loudspeaker measurements and subjective evaluation are treated in equal detail and headphones are discussed comprehensively. This third edition takes account of recent significant advances in technology, including: · the latest computer-aided design systems · digital audio processing · new research procedures · the full range of loudspeakers · new user applications.

Beyond Peace

A Vietnam veteran who lost both legs and a hand in the Vietnam War recounts his homecoming and his attempts to come to terms with his life.

Grammar as Style

This Training and Readiness (T&R) Manual establishes training standards, regulations and policies regarding the training of Marines in the Personnel and Administration occupational field. The T&R Program is the Corps' primary tool for planning, conducting and evaluating training and assessing training readiness. Subject matter experts (SEMs) from the operating forces developed core capability Mission Essential Task Lists (METLs) for ground communities derived from the Marine Corps Task List (MCTL). This T&R Manual is built around these METLs and other related Marine Corps Tasks (MCT). All events contained in the manual relate directly to these METLs and MCTs. This comprehensive T&R Program will help to ensure the Marine Corps continues to improve its combat readiness by training more efficiently and effectively. Ultimately, this will enhance the Marine Corps' ability to accomplish real-world missions.

VOR, ADF & RMI

Personnel and Administration Training and Readiness Manual

Covers the applicable law (reflects the December 1, 2000, amendments to the Federal Rules of Civil Procedure) and pretrial lawyering skills. Can be used in pretrial litigation courses, and in civil procedure and first-year legal writing

courses. Charts illustrate pretrial deadlines under the Rules and the Rule 26(a) disclosure requirements. Incorporates new material concerning the impact of technology on the practice of law. New subsections include "Civil Actions in Cyberspace" (electronic filing, personal jurisdiction involving the Internet, and court websites) and "Discovery in Cyberspace" (attorney-client privilege of electronic communications, discovery of digital information, and impact of electronic databases upon discovery).

Loudspeaker and Headphone Handbook

The Loudspeaker Design Cookbook

Mallard Fillmore lampoons everything from political correctness to Phil, Oprah, and Geraldo to our government's insatiable appetite for spending our money. His marvelous supporting cast includes wickedly wonderful caricatures of everyone who's anyone, from Hollywood to D.C. to Arkansas.

Applied Clinical Pharmacokinetics

Sex with Strangers

New sections on dosing strategies in all chapters. New chapter on sirolimus under the Immunosuppressants section. Essential information on drug dosing in special populations, including patients with renal and hepatic disease, obesity, and congestive heart failure. 30% of chapters extensively revised, others lightly updated

Certain Pasta from Italy and Turkey

Mallard Fillmore--

She's the one thing he can't control Keenan is the mistake Khloe knows she shouldn't make. As an incubus, he's got an inside track into everything that makes her tick, and even though she's immune to his supernatural (and frankly unfair) sex appeal, that doesn't stop her body - and her demon - craving him. If it were any other male she'd have worked it out of her system ages ago and moved on, but this time she's scared that if she ever gives in, she won't escape unscathed. Since Keenan's traumatic childhood he's made sure he's always in control. Of himself, and of the world around him. But Khloe drives Keenan crazy. She's an imp,

so getting under people's skin is basically her job description, but Khloe makes him - and his body - respond in ways he's never known. After a bet escalates the simmering tension between them it's finally game on . . . and then the game turns deadly serious. A threat appears that could threaten the whole lair and Keenan's desperate to protect Khloe any way he can - but will she accept his claim, and can he accept the power she has over him? What readers are saying about Suzanne: 'It's been two minutes since my last fix and I need Suzanne Wright to give me more' Edgy Reviews 'No words to describe how much I ADORE this extraordinary and magical read!!!'
