Daily Studies for Diatonic Harmonica

This book is meant to give you a jump-start in playing blues harmonica. You will find there are both easy and difficult techniques on the harmonica. Due to the nature and length of this book, and to avoid repetition of sections of other books by the same author- some of the more commonplace blues harmonica techniques are avoided here. A 10-hole D harmonica is required to begin this book, but a Lee Oskar natural minor harmonica in the key of A minor is also recommended. All tunes and exercises in this book are written in standard notation with harmonica blow/draw indications. Although this is not a beginner's book, the enclosed CD recording provides an additional assist to players at all level.

Legal, Tax and Accounting Strategies for the Canadian Real Estate Investor begins and ends with the premise that buying property in Canada can be a smart, safe and successful way to invest your money. However, like most things in life, success requires hard work. You need to do your homework, understand what you are buying, and know the pros and cons of various decisions. Most importantly, you also need to know how to structure and maintain your investment. That's where we come in. Experience is a good teacher-but its lessons can be nasty and, in the real estate business, mistakes can cost you big bucks. Our goal with this book is to help you do it right-the first time. Rest assured that this book covers a vast range of topics and you're going to appreciate its breadth and depth if you're wondering about things like whether: You should opt for a sole proprietorship versus a partnership or corporate ownership strategy. There are things you can do to manage the way HST impacts your real estate investment business. You need information about the tax implications of a real estate disposition. You can change your bookkeeping system to better meet your needs and those of your accountant. Who Are We? This book was written by two individuals whose collective experience

in helping Canadians make wise property investment decisions spans several decades. Steve Cohen is a securities lawyer with a great deal of experience in the real estate sector. George Dube is a chartered accountant whose knowledge is based on many years of helping clients with their property buying needs. Both Steve and George are real estate investors themselves. Working from this foundation, we have put together the definitive guide on how to build a successful real estate portfolio in Canada from a legal, tax and accounting perspective.

How good of a musician you become is predicated on how much practice you do and the quality of that practice. In all likelihood, you don't have access to a harmonica teacher (a rare breed), so it's up to you to identify what will help you grow as a player and how to best spend your valuable practice time. In *Daily Exercises for Diatonic Harmonica*, author David Barrett (the world's most published author of harmonica lesson material) provides recommendations on how to set up your practice room, structure your practice time, what to work on to improve your playing, and how to prepare you for performance. The *Daily Exercises* portion of this book provides essential exercises for the diatonic harmonica—movement patterns, scales, tongue block technique drills, an exercise to help you memorize the chords of the 12 Bar Blues, your harmonica's note layout, and how to choose a note to match over a given chord, at any time, in any range of the harmonica. This book and accompanying recording is an essential text for all students of the diatonic harmonica. You'll need a C Major Diatonic Harmonica for this method. Includes access to online audio.
