Detailed routes and advice for heading into the wilds of Alaska and northwestern Canada are provided in this guide for RV and tent campers. This grand tour of Alaska covers in detail the Alaskan Highway, routes throughout the Yukon and Alaskan outback, and the ferry system in southeast Alaska. Campgrounds throughout the region are listed with pictures, descriptions of amenities and recreational opportunities, maps, and contact information for each. Important details are discussed, including border crossings, budget planning, vehicle preparation or renting an RV, appropriate clothing, road conditions, and possible wildlife encounters. Recreational information on hiking, mountain biking, boating, rafting, kayaking, and viewing wildlife is also included.

10-Minute Tech

As a leading Confederate general, Braxton Bragg (1817–1876) earned a reputation for incompetence, for wantonly shooting his own soldiers, and for losing battles. This public image established him not only as a scapegoat for the South's military failures but also as the chief whipping boy of the Confederacy. The strongly negative opinions of Bragg's contemporaries have continued to color assessments of the general's military career and character by generations of historians. Rather than take these assessments at face value, Earl J. Hess's biography offers a much more balanced account of Bragg, the man and the officer. While Hess analyzes Bragg's many campaigns and battles, he also emphasizes how his contemporaries viewed his successes and failures and how these reactions affected Bragg both personally and professionally. The testimony and opinions of other members of the Confederate army--including Bragg's superiors, his fellow generals, and his subordinates--reveal how the general became a symbol for the larger military failures that undid the Confederacy. By connecting the general's personal life to his military career, Hess positions Bragg as a figure saddled with unwarranted infamy and humanizes him as a flawed yet misunderstood figure in Civil War history.

GRABBING A GOLDEN DREAM WITH GOLDEN GLOVES Does boxing teach anything besides how to club someone into submission? Can it transcend its sordid reputation and instill love, compassion and honor in Americas most troubled kids? In this raw yet uplifting memoir about amateur boxing, author Peter Wood tells of his begrudging return to a world he thought hed left behind. He steps back into the mud of boxing, coaching two troubled teens who dreamas he once didof becoming Golden Gloves champions.His compelling story moves far beyond the grunt and sweat of the local gym. It explores the classrooms of a suburban high school and digs through the remains of unhappy childhoods. Its a story about how boxing is a way out, and how it cleanses the soul.This book brings the subculture of amateur boxing up close and weaves a powerful story of redemption, beating demons and battling for glory.

The Wheel and I

J. M. Adovasio has spent the last thirty years at the center of one of our most fiery scientific debates: Who were the first humans in the Americas, and how and when did they get there? At its heart, *The First Americans* is the story of the revolution in thinking that Adovasio and his fellow archaeologists have brought about, and the firestorm it has ignited. As he writes, "The work of lifetimes has been put at risk, reputations have been damaged, an astounding amount of silliness and even profound stupidity has been taken as serious thought, and always lurking in the background of all the argumentation and gnashing of tenets has been the question of whether the field of archaeology can ever be pursued as a science."

The Brookfields

RV the World

In this remarkable new photographic history, local historian and photographer Dennis LeBeau presents a heartwarming tale of life in the Brookfields at the turn of the century. The photographs in this collection are those of William Bullard, an itinerant photographer in the 1890s and early 1900s from North Brookfield, whose work has never before been published in book form. The story of Bill Bullard's life and photographic legacy are dramatically revealed in this fascinating glimpse into the past. After the photographer's untimely and tragic demise, the rich photographic archives of Bill Bullard were carefully

preserved by his brother, Charlie Bullard, and three generations of the neighboring Gaudette family. Dennis LeBeau has individually reprinted each image in this collection from its original glass plate negative. Mr. LeBeau's researched and well-informed captions accompany the photographs in Bullard's collection, creating a comprehensive historic portrait of both the Brookfields and the Bullard family.

Going to the Outback

It's Hard to Hug a Cow is about a Registered Red Angus cow that is not just seen through the eyes of a human as a milk producing, profit making animal but as a friend. The book starts out with realistic pencil drawings going to cartoon drawings with comedic intent during the anticipated act of hugging this adorable critter. This is a fun book for those who love farm animals not to mention the Registered Red Angus raisers. P.S. My friends call me the Dr. Seuss of cows!

Braxton Bragg

This is an exhilarating book, written by one of sociology's most imaginative theorists and critics. Professor Corrigan proceeds by turning old answers into new questions. He draws on a rich tradition of thought from sociology, philosophy, structuralism, post-structuralism, and literary criticism to explore major ongoing problems in everyday life: moral regulation, schooling, the capitalist world economy, intellectuals, and the problem of difference, masculinity. The result is one of the most dazzling contributions to critical sociology published in recent years.

Tiny House Designing, Building, & Living

If you believe that gargoyles are mere statues found at churches, you are mistaken, as were Jacob and Cheryl Sterns, until they came face-to-frightening-face with one. Humble convenience-store clerk Walter Archemis becomes an unexpected hero when he rescues the twins from danger at the hands of Duster the menacing gargoyle. Yet the twins become marked with a sinister bond, and the tortuous creatures of stone will not leave them alone. Now under the protection of Archemis revealed to the twins as a vampire from an ancient world, charged with the mission to protect human mortals from the gothic granite ghouls the twins must endeavor a terrifying quest to evade them. Find out more about this exciting page-turner as Robert M. St. Marie leaves you scared and thrilled with his latest offer, Blood and Stone.

The Complete Idiot's Guide to RVing

Vintage camper trailers are a unique symbol of midcentury America that resonates with many people. This book introduces many of those people, along with the trailers they've lovingly maintained or restored. It includes hundreds of photographs of everything from fancy and comfortable trailers designed for glamping (glamorous camping), to trailers handed down through families across generations, and even entrepreneurs who have transformed their trailers into vending booths. Paul Lacitinola enjoys everything about vintage camper trailers, including rescuing, restoring, and rallying. In 2011, he began publishing the first U.S.-based magazine for collectors, restorers, and admirers of American-made camper trailers, Vintage Camper Trailers, which now has thousands of subscribers in more than a dozen different countries. He lives in Elverta, California.
