When Gail McWilliams lost her sight, she began to see clearly for the first time in her life. "You will see blindness in your lifetime," the eye specialist told Gail when she was twenty-one years old. She would have no warning. The storm in her eyes was coming, but no one knew when. And her wedding day was only three weeks away. Would her hope of marriage and children be destroyed? Would she lose her independence and career? The prospects were terrifying. On Christmas Eve Gail's vision was 20/20. On Christmas morning she was completely blind. Her world had gone from beautiful light to pitch black while she slept. Seeing Beyond is the astonishing true story of Gail's journey into shadowy darkness. It's a touching story of total blindness and perfect vision, a powerful story of engulfing fear and freeing faith, and an inspirational story of crushing personal loss and great spiritual gain.

Some people see life a lot more clearly than others, and my friend Gail McWilliams is one of those 'seers' I love listening to. Gail (has) extraordinary insight into the way things are, and the way things should be. -Joni Eareckson Tada, Best-Selling Author/Radio Host You will weep with Gail as her life is turned upside down and she sinks into despair and depression. And you will celebrate with her as she learns truly to depend on God, who guides her to amazing success as an author, singer, and international speaker. As Gail says, "When you choose to look past the horizon, the sky is the limit!" Join Gail on this eye-opening venture of seeing beyond your worst nightmare to the divine dream God has waiting for you. It's the adventure of a lifetime--an adventure you don't want to miss!
