HEROLD's Internal Medicine (Second Edition) - Vol. 1  
Electrical Machines

### **Corto Maltese: Mu: the Lost Continent**

"Herold: Internal Medicine" is a lecture oriented representation taking account of the topic catalogue for the medical examination for physicians. It is one of the leading textbooks of internal medicine in Germany, if not the leading one. Its enormous popularity is based on the facts that it represents the topics of internal medicine in an accurate and systematic form and that it has been updated every year since 1982. For further information please refer [www.herold-internal-medicine.com](http://www.herold-internal-medicine.com) and read the disclaimer.

### **Futuredays**

"Great Monarchies Of The Ancient Eastern World Volume II" from George Rawlinson. English scholar, historian, and Christian theologian (1812-1902).

## **Ortelius Atlas Maps**

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

## **Storm the Collection**

In this final entry of Hugo Pratt's epic series, the master graphic novelist returns to the theme he first explored in the initial episode--the search for the lost continent of Mu, the mythical Atlantis. A premonition hovers over the entire dreamlike story, as if fate had decided in advance that this would be Corto Maltese's last adventure. The feeling is underscored by the return of most of the major characters seen throughout the long-running saga, like actors giving their final curtain call: Gold Mouth, Morgana, Tristan Bantam, Levi Colombia, Professor Steiner, "the Monk," Cain Groovesnore, Soledad, and (of course) Rasputineach with their own reason to find the mythical realm. Thus, the circle closes. This EuroComics edition features new translations from Pratt's original Italian scripts by Dean Mullaney, the Eisner and Harvey Award-winning editor of the Library of American Comics, and Simone Castaldi, Associate Professor of Romance Languages and Literatures at Hofstra, and the author of *Drawn and Dangerous: Italian Comics of the 1970s and 1980s* (University Press of Mississippi).

## **Great Monarchies of the Ancient Eastern World**

This special issue is devoted to new stories by celebrated Duck writer Geoffrey Blum, and features the art talents of Daan Jippes, Daniel Branca, Massimo Fecchi, and Carlos Mota. When rats invade Scrooge's money bin, the crisis creates a Powerplay on Killmotor Hill, especially when lucky Cousin Gladstone gets involved! Next, in *Scent of a Sorceress*, Magica De Spell attacks Scrooge with moly, a mystical hypnotic herb. *Wag the Dog* pits Huey, Dewey, and Louie's favorite dog park against the threat of Scrooge's savings-and-loan mall. And finally *Race for the Golden Apples*, based on a long-lost Carl Barks story idea, ensnares Donald, Daisy, and Magica into a most unusual contest of strength!
