Visiting her grandmother's farm, Emily encounters a strangely-dressed girl her age, and discovers that she's a relative -- from another time! Who is this oddly dressed girl? Where did she come from? What is she doing on the rock outcrop, Emily's favourite spot on her late grandmother's farm? Come to think of it, where is the farm? Emily, a twelve-year-old girl from the city, has come to say goodbye to the family homestead following her grandmother's funeral. Magically, miraculously, she finds herself transported back to a bygone era when pioneers first settled the Canadian prairies. How did she get here - and how will she get back home? The Secret of Sentinel Rock is a rich, descriptive story of hope and inspiration as Emily finds the confidence to get on with her future. Letting go of the past does not mean having to forget it.

Sometimes its more prudent to ignore a conceivable problem than to insert oneself into the middle of it and thinking you can make it go away. Kassie, a sensitive, caring person inserted herself into a situation her roommate and friend, Jackie, couldnt comprehend. Both were flight attendants, with different backgrounds and values. Their priorities and lifestyles were on the same page only after they changed professions. When they became registered nurses, they became a part of the medical profession, associating with physicians and surgeons, nursing staff and patients. Nothing prepared either of them

for the turmoil existing in the private lives of their medical colleagues. Then, everything got blurred when one of them became too inquisitive.

Against the backdrop of the sweeping conquest of Western Europe by Hitler's mighty Panzer Divisions in WWII, Australia produced 66 cruiser tanks - the Sentinel tank - but none ever took the field of battle. The story of Australian tanks in WWII portrays governments under pressure and bureaucratic bungles that saw opportunities lost and precious resources squandered when the nation was under greatest threat. This careful dissection of government process in the crucible of war is a rare gem in an age when most wartime histories focus on the front-line soldier.

PAIN Frank Mercer thought he knew what that was when he woke up on a strange beach, more dead than alive. His memories had been stripped from him, his mind a gaping void of unanswered questions. But when the small farming family found him and nursed him back to health, so too did his mind begin to heal. And then came the nightmares. RAGE Something lies just underneath the surface of Frank's mind, a darkness possessed of vicious intelligence with a personality of it's own. Old injuries and the kindness of new friends have thus far held it at bay, in particular one small girl with a rare gift and a big heart. But when old disputes come back to surface, Frank soon finds himself standing between a brutal crime lord and the family he has come to love. Caught in the middle of monsters, mages, and killers, he is helpless to prevent the emergence of a far greater evil. POWER Frank is regaining more of himself, the growing power within him unlike anything the continent of Endath has ever known. But even as he faces off against a horde of enemies, another foe perches among the recesses of his mind and waits. For his body once belonged to another, and with each new discovery of lost memories and abilities a little bit more of that other returns.

Biron Coomra, a child created by a biophysicist from Rylaxon and a powerful witch from a distant alien world planet called Earth, has struggled to find his place in a society that shuns difference. As a civil war threatens to tear Rylaxon apart, determined factions struggle to protect what they hold dear. Biron and those viewed as genetically different, through no fault of their own, are deemed a threat to Rylaxon purity. A consortium of Zealots has vowed to rid their society of anyone judged genetically inferior. In *Evil Rising*, book two of the *Children of Enoch* series, the fragile peace that holds Rylaxon together is about to crumble. As a cybernetic boy with magical abilities, Biron is targeted for extinction at the hands of these self-proclaimed puritans. An evil entity bent on destroying humanity manipulates a cloning experiment based on Biron's DNA, to create a new race. Gorgos, the first of a bloodthirsty tribe of Vampeers, will stop at nothing to destroy Biron and conquer humanity. The fanged clone joins forces with the Zealots to frame Biron and turn the public against the young crusader. The brutal murder of a beloved religious leader only enflames the passions on both sides. While on the run, the young hero Biron mysteriously loses his magical abilities, and he and his family race for their lives. When unknown forces appear, no one can predict the surprising outcome of their intervention.
