ALEX FERGUSON My Autobiography

In this autobiography of Ferguson we discover how he runs the Manchester United Football players with a rod of iron. For all of this, he is respected for his managerial style and for the way he cares for the welfare of his players.

The Second Half

Presents a history of the Manchester United soccer

team, describing key events and players from the start of the club until 2008.

Wenger

Ryan Giggs first played for Manchester United in the season before the Premiership began; back when Bryan Robson was still captain. He took possession of United's left wing and never loosened his grip. Over a fourteen year career so far, he's seen them all come and go: Cantona, Schmeichel, Beckham and the rest. Sir Alex Ferguson said of Giggs 'I knew we had an outstanding talent when we gave him his debut.' That was back in 1991, but it remains as true in 2005 as it ever was. Giggs has been a pivotal figure in United's dominance of the Premiership. There have been rivals but no other team can match their sustained record of success over recent years. And Giggs is the only player to have played in all eight of those title winning campaigns. Off the pitch, Ryan Giggs has always closely guarded his private life. But here he opens up for the first time, sharing details of the sometimes turbulent childhood that shaped him and the relationships that have mattered to him to reveal the man behind the famous number 11 red shirt. One thing seems clear: the Old Trafford crowd will be singing 'Giggs will tear you apart again!' for a few years yet

Life with Sir Alex

Alex Ferguson, once king of Scottish football, gave up the easy life in Aberdeen to follow in the famous

footsteps of Sir Matt Busby. Others had flickered and then faded in the shadow cast by the legendary Busby but Ferguson couldn't resist the call. 'Football is a strange obsession. Winning is a drug and when I got the invitation to manage Manchester United I simply could not resist,' he says. For nearly six years he has chased the end of the rainbow and spent millions of pounds to bring the coveted championship to Old Trafford for the first time in 25 years. Now he feels it is time to tell the inside story of the best-supported club in Britain and his struggle to fulfil the title dream of thousands of supporters. He found the famous club in disarray and he admits he came close to the sack himself. 'No manager is prepared for the job at Old Trafford. The legend is huge. It's different from any other club with its traditions and expectations. It took me three or four years to understand the particular politics and demands. Only through success can a manager get control of his destiny.' Ferguson fought his battles and won the trophies which slowly but surely see him now established as a manager who has laid the old ghosts to rest and created a new vision. Winning the FA cup in 1990 bought him valuable time, and success in the European Cup-Winners' Cup, beating Barcelona in a memorable final in Rotterdam, gave him the right platform for the most convincing championship challenge since the days of Busby. After seven years at Aberdeen, Ferguson wrote *A Light in the North*, an account of how he broke the Glasgow stranglehold on Scottish football. Now comes the sequel of how he conquered English football at the helm of their greatest club.

Football - Bloody Hell!

The Sunday Times Bestseller and Number 1 Sport Book of 2016 'A tale that's truly inspirational' The Sun An ordinary lad from Sheffield, Jamie Vardy has become known as an against-the-odds footballing hero the world over. Yet a few years ago, things couldn't have been any more different. Rejected as a teenager by his boyhood club, Jamie thought his chance was gone. But from playing pub football and earning £30 a week at Stocksbridge Park Steels, while still working in a factory, his off-the-cuff performances saw him rise. Jamie had a wild and turbulent youth, but football became his saving grace and, once he filled his boots with goals at FC Halifax Town and Fleetwood Town, he moved to Leicester City. After the miracle of surviving relegation, the team of unlikely outsiders bonded together to achieve the unthinkable: Jamie set the record as the first player to score in 11 consecutive Premier League matches and Leicester beat odds of 5000-1 to become champions. Jamie has now been nominated for the Ballon d'Or, firmly establishing himself as one of England's leading goal scoring footballers. Not forgetting his roots, however, he has set up the V9 Academy in a bid to find the next big talent from non-league football. Defying all expectations, this is the story of the boy from nowhere who reached the top in his own unflinching, honest words.

Andrea Pirlo: I Think Therefore I Play

Managing My Life

Widely hailed as Scotland's most successful football manager since Jock Stein, Alex Ferguson's achievements with Aberdeen are unparalleled, creating and consolidating a new force in British and European football. Since joining the Dons in 1978, the ambitious, hard-driving and controversial 'Fergie' has seen his side capture eight major trophies - The European Cup-Winners' Cup, European Super Cup, three Scottish Premier League titles and three Scottish Cups. In *A Light in the North*, Alex Ferguson tells for the first time the story the fans have been waiting for.

Drawn Out

Quiet Leadership

The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon.

Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

Red: My Autobiography

Soccer.

Just Champion!

One day in 1986, Laura Schroff, a busy ad sales executive, passed an eleven-year-old boy panhandling on the street. She stopped and offered to take him to McDonald's for lunch. Twenty years later,

at Laura's fiftieth birthday party, Maurice Mazyck gave a toast, thanking Laura for her act of kindness, which ended up changing the course of his life. In that toast, Maurice said that when Laura stopped on that busy street corner all those years ago, God had sent him an angel. Laura's invisible thread journey has deepened her belief that angels -- divine and otherwise -- are all around us. After her previous book was published in 2011, readers from around the country and world began sharing with Laura their own stories about how chance encounters with strangers have changed their lives. From a woman who saved a life simply by buying someone a book, to a financier who gave a stranger the greatest gift of all, to a teacher who chose a hug over discipline and changed a lost boy's future -- Angels on Earth will introduce a series of remarkable people whose invisible thread stories will move, surprise, and inspire readers.

Manchester United

The official Manchester United celebration of Sir Alex Ferguson's 25 years as the club's record-breaking manager Not only celebrating what Sir Alex Ferguson has achieved at United, this fascinating book also seeks to explain just how he has gone about creating this remarkable dynasty, constantly rebuilding the team and driving them forward to yet more glory. When Ferguson joined Manchester United in November 1986, he came with a great track record from his time in charge of Aberdeen. But reestablishing the Reds as the most successful club in the land was an enormous task. Famously, he knew

he had to knock Liverpool off their perch. At the dawn of the Premier League era, in 1992-93, United had gone 26 years without being champions, but that season Ferguson finally led the club to title success and in 2010-11 he finally achieved the record-breaking 19th title. On top of that, Sir Alex has led Manchester United to two Champions League victories and many other trophies. In an era when most managers are lucky if they last two years, Sir Alex's achievement of lasting 25 years at the very top is truly astonishing. This book is the club's fitting tribute to his career.

My Turn

"My family doesn't do happy endings. We do sad endings or frustrating endings or no endings at all. We are hardwired to expect the next interruption or disappearance or broken promise." Hope Solo is the face of the modern female athlete. She is fearless, outspoken, and the best in the world at what she does: protecting the goal of the U.S. women's soccer team. Her outsized talent has led her to the pinnacle of her sport—the Olympics and the World Cup—and made her into an international celebrity who is just as likely to appear on ABC's *Dancing with the Stars* as she is on the covers of *Sports Illustrated*, *ESPN The Magazine*, and *Vogue*. But her journey—which began in Richland, Washington, where she was raised by her strong-willed mother on the scorched earth of defunct nuclear testing sites—is similarly haunted by the fallout of her family history. Her father, a philanderer and con man, was convicted of embezzlement when

Solo was an infant. She lost touch with him as he drifted out of prison and into homelessness. By the time they reunited, years later, in the parking lot of a grocery store, she was an All-American goalkeeper at the University of Washington and already a budding prospect for the U.S. national team. He was living in the woods. Despite harboring serious doubts even about the provenance of her father's last name (and her own), Solo embraces him as fiercely as she pursues her dreams of being a world-class soccer player. When those dreams are threatened by her standing within the national team, as when she was famously benched in the semifinals of the 2007 World Cup after four shutouts and spoke her piece publicly, we see a woman of uncompromising independence and hard-won perseverance navigate the petty backlash against her. For the first time, she tells her version of that controversial episode, and offers with it a full understanding of her hard-scrabble life. Moving, sometimes shocking, Solo is a portrait of an athlete finding redemption. This is the Hope Solo whom few have ever glimpsed. Signed poster inside.

The Alex Ferguson Quote Book

The living legend celebrates his 20-year career in words and pictures, with contributions from Sir Alex Ferguson, Sir Bobby Charlton, Paul Scholes, Bryan Robson, and other Manchester United greats From signing with Sir Alex Ferguson at the age of 14 to winning the Treble in 1999, Ryan Giggs' sports career has been extraordinary. Here, he recalls the glorious memories of his record-breaking career at Manchester

United, as well as highlights from his international career with Wales. Giggsy's words bring 20 seasons of pictures to life, as the most decorated player in English football history relives 11 Premier League wins, four FA Cup successes, three League Cup winner's medals, and two Champions League victories, and remembers the people who have helped to make him a true sporting great.

Alex Ferguson

Ferguson's own autobiography was a great bestseller on its publication in 1999. But Fergie's book told the story through only one pair of eyes. Now, Michael Crick, acclaimed biographer of Jeffrey Archer, writes the first fully rounded, independent portrait of Sir Alex. From his roots as a Govan trade unionist to the current peaks of world football, Crick applies the same forensic skills he applied to his study of the disgraced Tory peer. Through hundreds of interviews with those who've known and worked with Sir Alex, and delving back through the archives, Michael Crick explores the money and the politics of football, the bust-ups, the fights, and those memorable moments of glory. Charismatic and charming, volcanic and ruthless, searingly ambitious and astonishingly successful. What makes Sir Alex Ferguson tick? How did this complex character become the most successful manager in British football, producing -- first at Aberdeen and now at Manchester United -- two of the most prolific trophy-grabbing machines in the modern game? THE BOSS is essential reading not just for Manchester United fans and football followers in

general, but for anyone interested in the skills of successful management.

The Keeper

Alex Ferguson My Autobiography Leather Bound Signed Edition

Giggs

Sir Alex Ferguson's compelling story is always honest and revealing he reflects on his managerial career that embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United. Sir Alex Ferguson's best-selling autobiography has now been updated to offer reflections on events at Manchester United since his retirement as well as his teachings at the Harvard Business School, a night at the Oscars and a boat tour round the Hebrides, where he passed unrecognised. The extra material adds fresh insights and detail on his final years as United's manager. Both the psychology of management and the detail of football strategy at the top level can be complex matters but no-one has explained them in a more interesting and accessible way for the general reader than Sir Alex does here. MY AUTOBIOGRAPHY is revealing, endlessly entertaining and above all inspirational.

Alex Ferguson

Sunday Times Bestseller Updated to include the Premier League Victory 2020 "It is the intensity of the football, of how the people live football in Liverpool, all the Liverpool fans around the world. It is not a normal club, it is a special club." Jürgen Klopp Jürgen Klopp is the charismatic German manager who single-handedly overthrew the accepted order in German football, taking Borussia Dortmund from nowhere to back-to-back Bundesliga titles and the Champions League final. He had long been admired in the Premiership and was finally wooed by Liverpool in the belief he could bring back the glory days to the Kop. Klopp is revered as a master tactician with his own unique playing philosophies. He is loved by his players for his passion and man-management skills, and adored by fans for his charm, wit and exciting football on the pitch. Here is the definitive story of Jürgen Klopp - the normal one - and his footballing genius.

The Boss

Football fans always agree on one thing: the greatest player of all time was Pele. During his 20 year career, he was heralded as an international treasure, and his accomplishments on the field proved to be pure magic: an unprecedented three World Cup championships and the all-time scoring record, with 1,283 goals. Now the legendary star and humanitarian explores the sport's recent history and provides new insights into the game. With unparalleled openness, he shares his most inspiring experiences, heart-warming stories and hard-won

wisdom.

Sir Alex Ferguson

In England, where he spent ten seasons leading his storied club Manchester United and his nation to soccer glory, he is so wildly popular that his countrymen voted him the face they'd most want to see imprinted on their money. (Winston Churchill finished second.) In Japan, where he is worshiped as much for his headline-making fashion trends as for his ability to bend a ball around a wall of defenders, women styled their bikini waxes after the blond mohawk he sported during the 2002 World Cup. And in Spain, within days of his \$41 million trade to Real Madrid, his new team received two million requests to buy his number 23 jersey. The legend of David Beckham -- soccer god, global sex symbol, style icon -- has been celebrated around the world, arguably more than Tiger Woods and Michael Jordan combined. Now, with the publication of his long-awaited autobiography, the man who inspired the surprise hit movie Bend It Like Beckham is set to conquer the last remaining outpost where soccer is not a national religion: the United States. Beckham is a classic rags-to-riches saga: a boy, David, is born to a poor East End London family. He develops prodigious soccer skills, and his parents nurture him until he becomes one of the most gifted athletes of his generation. He grows up to marry Victoria -- a Spice Girl, "Posh" -- and enters a celebrity whirlwind of Princess Diana -- esque proportions. Together, the Beckhams are Britain's new royal couple -- their 240-acre estate

outside of London is known as Beckingham Palace -- and their presence at parties or charity events guarantees endless tabloid stories and photos as well as adoring mobs that must be restrained by police barricades. Their life is as much a study in managing fame as it is in sports and pop phenomena. In Beckham he talks candidly about the pressures of celebrity -- his wife and sons were the targets of a 2002 kidnapping plot; how he balances his roles as a devoted husband and besotted father with his globetrotting existence as an international soccer player; the behind-the-scenes stories of his most memorable career moments, such as the penalty kick against archrival Argentina in the World Cup that redeemed him to a nation who blamed him for their failure in the previous World Cup; the controversy surrounding his move to Real Madrid and the falling out with the man who shaped his career, Manchester United's famously combative manager Sir Alex Ferguson; and, finally, his love of America -- his first son was conceived in and named Brooklyn -- where, like the great Pelé, David can imagine playing out his final seasons. So much has been written about David Beckham that it's easy to think we know everything about the world's most famous athlete, but only Beckham himself can set the record straight on his beliefs, his dreams, his loves, his fears, and, above all, his sense of who he is. Beckham is an intimate account of an extraordinary life, a life in which, against all odds, he has managed to keep both feet on the ground.

Solo

In *Wenger: My Life and Lessons in Red and White*, world-renowned and revolutionary soccer coach Arsène Wenger finally tells his own story for the very first time. Wenger opens up about his life, sharing principles for success on and off the field with lessons on leadership, personal development, and management. This book charts his extraordinary career, including his rise from obscurity in France and Japan to his 22 years at the helm of Arsenal Football Club. • Covers the years of controversy that led up to his resignation in 2018 and his current seat as chief of global football development for FIFA • Wenger offers studious reflections on the game and his groundbreaking approach to motivation, mindset, fitness, and the winning edge. • He popularized the attacking approach and belief that the game should be entertaining. • Includes full-color photo insert. Among the most successful managers of all time, Wenger, affectionately nicknamed "the professor," has won multiple championships and run one undefeated and unmatched English Premier League season. This is a must-read for Arsenal fans, soccer fans, athletes, trainers, business leaders, and anyone seeking the tools for success in work and life. The story of one of the most revered and successful coaches—and his tactics and vision—in the world's largest sport • Makes a great book for diehard soccer fans around the world • You'll love this book if you love books like *Alex Ferguson: My Biography* by Alex Ferguson, *Beckham: Both Feet on the Ground: An Autobiography* by David Beckham and Tom Watt, and *Eleven Rings: The Soul of Success* by Phil Jackson and Hugh Delehanty. Digital audio edition read by the author.

Jurgen Klopp

"I believe that we will win." In the summer of 2014, Tim Howard became an overnight sensation after more than ten years as one of America's leading professional soccer players. His record-breaking 15 saves for the United States national team against Belgium in the World Cup electrified a nation that had only recently woken up to the Beautiful Game after decades of hibernation. An estimated TV audience of 21 million viewers in the U.S.—larger than those of the NBA and NHL finals—watched Howard's heroic performance against the heavily favored Belgians in which he repelled shots with his hands, feet, legs, knees, and even his signature long beard. Suddenly an athlete who had toiled in relative anonymity for much of his career became the star of his own Internet meme ("Things Tim Howard Could Save": from Janet Jackson's "wardrobe malfunction" to the Titanic), and fielded personal calls from the likes of President Barack Obama ("You guys did us proud. . . . I don't know how you are going to survive the mobs when you come back home, man. You'll have to shave your beard so they don't know who you are"). In this inspiring and candid memoir, the beloved U.S. and Everton goalkeeper finally allows himself to do something that he would never do on the field: he drops his guard. Howard opens up for the first time about how a hyperactive kid from New Jersey with Tourette Syndrome defied the odds to become one of the greatest American keepers in history. He recalls his childhood, being raised by a single mother who instilled in him a love of all sports—he was also a

standout high school basketball player—and a devout faith that helped him cope with a disorder that manifested itself with speech and facial tics, compulsive behavior, and extreme sensitivity to light, noise, and touch. The Keeper is also a chronicle of the personal sacrifices he's made for his career, including the ultimate dissolution of Howard's marriage—a casualty of what he calls his "addiction to winning"—and its most painful consequence: his separation from his two children. A treat for soccer fans, The Keeper will even captivate readers who are unfamiliar with the sport but want to know what makes a world-class athlete different from the rest of us—and where that difference gives way to common ground.

Why Soccer Matters

No player has been more synonymous with the glory years of Manchester United Football Club over the past two decades than right-back Gary Neville. An Old Trafford regular since he attended his first match at the age of six, captain of the brilliant 1992 FA Youth Cup-winning team that became known as 'Fergie's Fledglings', outspoken representative of MUFC, Neville is the ultimate one-club man. He has been at the heart of it all and, at the end of an amazing career, is now ready to tell it all. Authoritative, insightful, fearless and never less than 100% honest, no-one has better credentials for documenting the story of United under Sir Alex Ferguson. Neville reveals the behind-the-scenes secrets of his early days with the likes of Giggs, Scholes and his best mate David Beckham;

what it was like to play with Cantona, Keane and Ronaldo; the Treble in 1999; and of course an entire career of playing for the greatest manager in the game. Then there are all his experiences with England, from being the youngest starter at Euro 96 when football came home, to the ups and downs of five major championships and seven managers - Venables, Hoddle, Wilkinson, Keegan, Eriksson, McClaren and Capello. There are opinions and analysis on Gazza, Rooney, WAGs and the true story of the FA and Rio Ferdinand. For twenty glorious years, Gary Neville has worn his heart on his sleeve. This is his story.

Ryan Giggs

Beckham

First published in 1999, Schmeichel talks in details about his time in English football, his decision to quit while still at the top, the secrets of United's success, and about individuals such as Sir Alex Ferguson, Cantona and Beckham. He also sets the record straight over the headline-grabbing confrontations with Ian Wright.

Angels on Earth

'Football. Bloody hell.' The longest serving and most successful manager in British football history shocked the world by finally retiring in May 2013 and instantly created more column inches and twitter mentions

that the death of Margaret Thatcher. And he wasn't just the greatest, but also one of the most outspoken, engaging and witty voices from the game, as this book proves. Here is the history of his supreme verbal sparring during his years at Manchester United - the man in his own words (with a few additional thoughts from those who knew him best and crossed swords with him most). 'There's nothing wrong with losing your temper once in a while if it's for the right reasons' 'If he was an inch taller he'd be the best centre-half in Britain. His father is 6ft 2in - I'd check the milkman' On Gary Neville 'He could start a row in an empty house' On Denis Wise 'The list of gentle, naturally retiring men who have been successful in their attempts at running clubs isn't a long one, is it?'

Alex Ferguson My Autobiography Dhl Edition

For soccer enthusiasts and sports fans in general, an in-depth look at the life of the beautiful game's greatest star, Argentine footballer Lionel Messi. Whether you call it soccer, football, fútbol, or the "beautiful game," it is the most popular sport in the world, and Argentine footballer Lionel Messi stands as one of its finest players—not only of his time, but of all time. Admired around the globe for his athleticism, skill, and fierce competitiveness, Messi has, at the age of 24, already shattered records at one of the most storied clubs in the world, FC Barcelona. Now, in this comprehensive biography, Messi fans can learn more about his life and career. Argentine journalist Leonardo Faccio describes how Messi, as a talented

youth player in Buenos Aires, left his home for Spain in search of the medical help his family could not afford to treat his rare hormone deficiency. Small of stature, but possessing tremendous natural gifts, Messi developed into a star at Barcelona's famed Masia soccer school. In this book, Faccio has written not only a biography of an enigmatic celebrity, but a meditation on athletic genius, drawing on interviews with Messi himself, as well as with everyone from his family, teammates, childhood friends—even his favorite butcher. In-depth and intimate, soccer fans who enjoy watching Messi come alive on the field will delight as he comes alive on the page. From the Trade Paperback edition.

Michael Carrick: Between the Lines

'The whistle blows and I set off for the one kick I know will stay with me for the rest of my life, maybe even define my life' Michael Carrick was the heartbeat of Manchester United. For more than a decade he was the player that made them tick. Loved by his managers, lauded by his fellow professionals, worshipped by the Old Trafford faithful, yet regularly misunderstood by the wider public, Carrick was a player like no other. Intelligent, calm, thoughtful - in many ways the opposite of the archetypal English midfielder - Carrick has always been his own man and is typically forthright. In his book he reveals what it's really like to win relentlessly under legendary manager Sir Alex Ferguson, shows us the hidden secrets of the famous Carrington training ground, invites us to experience the camaraderie and clashes

inside the United dressing room, and lets us feel what it's like to walk out on the Old Trafford pitch alongside some of the biggest names in the game - from Ronaldo to Scholes to Giggs, Rooney and the rest. A deeply personal book, *Between the Lines* reveals for the first time Michael's battles with mental health, his struggles with the national side, as well as the redemption he has found with his family and his team. From growing up in the north-east to winning the Champions League and five Premier League titles with Manchester United, via West Ham and Tottenham, Carrick's story reveals him to be his own man: fearless, thoughtful, intelligent and honest. *All of Michael Carrick's proceeds from the sale of the book will be donated to the Michael Carrick Foundation, dedicated to providing financial support to community services that will give underprivileged children living in the North and North East better opportunities so that they feel safe, valued and inspired.*

Messi

Olly Murs invites you behind the scenes in his official illustrated autobiography filled with hundreds of brand new and exclusive photos. 'My life has been a non-stop roller-coaster of extreme emotions, crazy days, unexpected highs and yet my life hasn't been without its low points too. I've tried to imagine myself sitting down with you explaining what I was thinking and feeling during those times. I hope this book will give you a behind-the-scenes view of my journey into a place where I finally found what had been missing in

my life for all those years: music.' Endearingly written with disarming honesty and filled with exclusive new and unseen photographs on and offstage, *Happy Days* takes you closer to Olly than you've ever been before.

#2Sides

Rio Ferdinand is one of the finest footballers of his generation - a born winner and one of the game's greatest stoppers. Full of outstanding stories and forthright opinions, *#2Sides* sees Rio reflect on his unique rise to the top of the game: - Cutting his teeth in the West Ham youth teams and becoming captain of Leeds United at the age of 22 - His record-breaking transfer to Manchester United that made him one of the most revered centre-backs in world football - On life under Sir Alex Ferguson and how winning became a habit - Why David Moyes failed as Manchester United manager - On Cristiano Ronaldo, Lionel Messi and why Paul Scholes is the greatest player ever to grace the Premier League With a Foreword by Harry Redknapp, *#2Sides* is a superb retrospective from one of the most outspoken voices of England's golden generation.

Keane

'How to Think Like Sir Alex Ferguson is an insightful and interesting book packed with leadership ideas and real life examples taken from the cutting edge of sport that apply in leading any top team or business. I would recommend this book to anyone, especially those currently in leadership positions and those

aspiring to get there, as Damian Hughes draws out the inspirational qualities required from one of the greatest managers in football.' Stuart Lancaster, Former England Head Coach, Rugby Football Union Delves deep into the mind of one of the world's most successful leaders and discover 10 powerful and practical lessons for leadership and business, with this unique and inspiring handbook for anyone looking to improve performance in turbulent, changing times. Distilling the primary lessons of Ferguson's phenomenal success as manager at Manchester United and showing how you can apply them to your own personal goals, this book explains Ferguson's approach to people-management, changing mind-sets, visualisation, building confidence and embracing change - all techniques at the heart of turning Manchester United into a winning machine. Discover how he remained at the forefront of one of the world's most competitive industries and how to make this count with your own ambition, as well as learning about the techniques he employed to extract the finest qualities from his team, and how to lead other individuals and teams in their pursuit of success within changing times. With exercises for you to work on, drawing from Professor Hughes's practical and academic background within sport, organisation and change psychology, this is the perfect handbook for the business of winning and managing success.

Schmeichel

Carlo Ancelotti is one of the greatest managers of all time, with five Champions League titles to his name.

Yet his approach could not be further from the aggressive theatricals favoured by many of his rivals. His understated style has earned him the fierce loyalty of players like David Beckham, Zlatan Ibrahimovic and Cristiano Ronaldo. In *Quiet Leadership*, Ancelotti reveals the full, riveting story of his managerial career - his methods, mentors, mistakes and triumphs - and takes us inside the dressing room to trace the characters, challenges and decisions that have shaped him. The result is both a scintillating memoir and a rare insight into the business of leadership.

Playing It My Way

Leading

This book is about the beginning of Sir Alex's football career, until the year 2000. 1999 was an outstanding year for Alex Ferguson - not only did he lead Manchester United, the most glamorous club in the world, to a unique and outstanding treble triumph, but he was awarded the highest honour for his sporting achievements; a Knighthood from the Queen. Universally respected for his tough, but caring managerial style, Ferguson is an unusually intelligent man with a fascinating life story. Covering his tough Govan upbringing through to his playing days and onto his shift into management, *Managing My Life* is told with the fine balance of biting controversy and human sensitivity which made it such an unprecedented success in hardback. Alex Ferguson is

a legend in his lifetime.

Happy Days

Alex Ferguson My Autobiography Signed Edition

No. 1 bestselling memoir of Roy Keane, former captain of Manchester United and Ireland - co-written with Man Booker Prize-winner Roddy Doyle. Now updated with a new chapter, including Roy leaving Aston Villa and the Republic of Ireland's qualification for Euro 2016. In a stunning collaboration with Booker Prize-winning author Roddy Doyle, Roy Keane gives a brutally honest account of his last days as a player, the highs and lows of his managerial career, and his life as an outspoken ITV pundit. 'Roy Keane's book is a masterpiece . . . It may well be the finest, most incisive deconstruction of football management that the game has ever produced' Mail on Sunday 'A genuine pleasure . . . His thoughts on his players are humane, interesting, candid and never less than believable' The Times 'The best things are the small things: regretting joining Ipswich when he discovered the training kit was blue; refusing to sign Robbie Savage because his answerphone message was rubbish; being appalled that his side had listened to an Abba song before playing football' Evening Standard 'The book is brilliantly constructed, rattling along at breakneck speed . . . full of self-deprecation . . . a ruthless self-examination' Daily Telegraph

Alex Ferguson

Drawn Out is a hilarious, heartbreaking, heart-warming account of Tom Scott's tragicomic childhood, his manic student-newspaper days, his turbulent years stumbling through the corridors of power, his fallings out with prime ministers, his collaborations with comic legends John Clarke, A.K. Grant and Murray Ball, his travels to the ends of the earth with his close friend Ed Hillary, and more 'A first-class memoir of a highly memorable life. Here is an important (often hilarious) writer and immensely gifted cartoonist, insightfully chronicling quite momentous changes in our political and social landscape.' Jim Mora, New Zealand Books

How to Think Like Sir Alex Ferguson

This is the story of one of the most successful football clubs in history under one of the greatest football managers of our time. But it is also a book about what it has meant to be a Manchester United supporter during the remarkable 25-year reign of Sir Alex Ferguson. The book begins in the winter of 1986 - when Sir Alex found himself in charge of a demoralised club facing relegation - and describes the creation of his first great side, including Schmeichel, Bruce, Pallister, Keane, Ince, Giggs, Hughes and Cantona. It goes on to introduce Fergie's Fledglings - the generation of David Beckham, Nicky Butt, Paul Scholes, Gary and Phil Neville - who were thrown straight into Ferguson's side as teenagers, won the double in 1995 and went on to seal the treble in

Barcelona in 1999. It then describes how, after Beckham left for Real Madrid in 2003, United were knocked off their perch first by Arsenal, then by cash-rich Chelsea. Ferguson needed a response to Jose Mourinho's spectacular revolution. And in Rooney and Ronaldo, playing alongside Rio Ferdinand, Scholes, Giggs, Tevez and Vidic, he found one. As much an homage to a great man as it is a passionate account of one fan's lifelong devotion to his team, *Life with Sir Alex* is the perfect read for football fans all over the world.

Jamie Vardy: From Nowhere, My Story

'One of the World's all-time great leaders' Professor Anita Elberse, Harvard Business School. What does it take to lead a team to world-class success over a sustained period of time? Sir Alex Ferguson is one of the few leaders who truly knows. In his 38 years in management, Sir Alex won an astonishing 49 trophies and helped grow Manchester United into one of the biggest commercial brands in the world. In this inspirational and straight-talking book, Sir Alex reveals the secrets behind his record-breaking career. *LEADING* is structured around the key skills that Sir Alex values most highly. It includes subjects we immediately associate with his managerial style: Discipline, Control, Teamwork and Motivation. But it also addresses subjects that are less obvious but no less important when seeking success: Delegation, Data Analysis and Dealing with Failure. Written with the investor Sir Michael Moritz, a longstanding friend of Sir Alex, *LEADING* is packed with insight, wisdom,

humour and honesty. The individual stories inevitably concern themselves with football, and the phenomenal success that came along the way, but the lessons can be applied by anyone. Whether you run a business, teach in a classroom, or work in a small team, LEADING will help you become a better leader.
