### Shakespeare, Madness, and Music

The year is 2021 and the money is still green. The fully privatized city of Tulsa, OK, is home to Sara Paige Christie, a teenage girl with her heart set on a film career in L.A. and her camera trained on the graffiti-covered walls of the city's outskirts. In pursuit of a documentary subject that might propel her from college hopeful to film school admittee at UCLA, Sara has focused her ambitions upon a singularly ubiquitous tag—WH2RR?? From the facades of storefronts to the walls of public restrooms, the tag is appearing nearly everywhere. Its stark all-capital letters and demanding question marks have captured Sara's imagination, even as the private security personnel of FreeForce Tulsa (FFT) scramble to eliminate the marks with power washers, gray-overs, and full censorship, stripping even photographs of the tags from the locally accessible Internet. Sara has no doubt that there is meaning hidden in plain sight, and she sets off on a mission to find the person behind the mysterious tags while balancing an already full life: her final exams, her wild best friend, a physical fitness test that threatens her GPA, and a family that seems almost oblivious to what's happening just down the street from their suburban home. With the exception, perhaps, of her father. A retired Marine turned FFT investigator, Sara's dad has been on the trail of the graffiti artist for his own professional reasons. And if he knows what's going on, he's not telling Sara. And they're not the only ones on the hunt . . . Tensions are rising in town and beyond. Between the machinations of the city's home-grown megachurch, Chosen Hill, and the movements of a growing camp of homeless citizens parked just beyond Tulsa's comfort and security, life in Tulsa is about to become very interesting, and Sara just might be in the right place to catch it all on film . . . . . but only if she survives.

### 1770-1790 Census of the Cumberland Settlements

200 pages collection of Digital Art, pencils, sketches and digital painting processes done by the artist Javier Charro.

### The Sex Issue

## **Chicks with Guns**

While certain saturated and trans fats continue to face scrutiny as health hazards, new evidence indicates that, in addition to supplying foods with flavor and texture, fats also provide us with dietary components that are absolutely critical to our well-being. The importance of essential fatty acids and fat-soluble vitamins and other minor components delivered by lipids is well known, as are the benefits and essentiality of long-chain omega-3 and omega-6 fatty acids. And now, with new research connecting lipids to heart health, mental health, and brain and retina development, the market has responded by providing health-conscious consumers with lipid foods, including spreads, breads, cereals, juices, and dairy products. *Nutraceutical and Specialty Lipids and their Co-Products* presents a thorough assessment of the current state of the chemistry, nutrition, and health aspects of specialty fats and oils. Fereidoon Shahidi, editor-in-chief of the *Journal of Food Lipids* and a past chair and co-founder of the Nutraceuticals and Functional Foods Division of the Institute of Food Technologists, brings together top researchers to address the potential application and delivery of lipids in functional foods. Sharing much of their own research, they offer an unparalleled view of the field that covers basic lipid chemistry, as well as the most progressive findings concerning the nutritional value of beneficial lipids. They include research on cereal grain, marine, fruit seed, and tree nut oils, as well as oilseed medicinals, fat replacers, and many other sources of lipids. They also consider stability issues and the latest tools being used for lipids purification. Covering the full range of these essential diet components, this cutting-edge volume serves to meet the needs of scientists and students in research and product development, as well as health and nutrition specialists.

## **The Last Speakers**

"This book brings together more than fifty of Monet's glorious paintings of the river Seine, from the early works focusing on Le Havre, Paris, and Argenteuil to the works on Vétheuil and Lavacourt, and culminating in the stunningly beautiful works that make up the acclaimed series *Mornings on the Seine*"--

## **Who's who in the South and Southwest**

Reproduction of the original: *The Wings of the Morning* by Louis Tracy

## **Who's Who in the South and Southwest**

THE STORY: Fed up with the pressures and demands of her acting career, the famous Myra Marlowe leases a house in the tiny New England hamlet of Beaver Haven and settles down to write her autobiography. She is successful in turning aside the offers

## **Athens, Sayre, and Waverly**

The "Today" co-anchor shares the inspiring stories of people who found their life's

purpose in unexpected ways, from a Wall Street investment banker-turned-minister to a blue-collar woman who attended Harvard Medical School.

## **Where We Belong**

"Commissioned in observance of the one hundredth anniversary of the establishment of the University of California, Fiat Lux celebrates that event with a perceptive, artistic statement about the University itself, and about its reach into the lives and surroundings of the people it serves."--Cover.

## **A Bad Year for Tomatoes**

The following collection of photographs of breasts contains an amazing variety of shapes and sizes, all of which have been made to look as natural-looking as possible. Some are perky and small while others are enormous, making this exciting volume sure to quicken the pulse of all fans of the female form.

## **The Wings of the Morning**

Presents a portrait collection of women and guns with subjects expressing their passion for firearms.

## **American Settler Colonialism**

Over the course of three centuries, American settlers helped to create the richest, most powerful nation in human history, even as they killed and displaced millions. This groundbreaking work shows that American history is defined by settler colonialism, providing a compelling framework through which to understand its rise to global dominance.

## **The Confident Woman**

With Athens, Sayre, and Waverly, the first pictorial history of the valley, Bonnie Stacy has created a nostalgic look at the picturesque communities where the Susquehanna and the Chemung Rivers flow together. Over 200 rare images from the late 1770s to the present chronicle the proud lumber, canal, and railroad traditions that first drew residents to this bucolic area. From the unique house photographs taken by local photographer M. Louis Gore to the unusual archaeological and historic photographs from the collection of the Tioga Point Museum, these images bring the past to life. In Revolutionary times, Tioga Point was the location of Fort Sullivan. Later, the area was settled by lumbermen, canal workers, and railroaders. Included here are painted portraits of the well-known founders of the settlements in the area, as well as those of everyday people--millworkers, shopkeepers, and bridge builders--who made their marks here and enriched their communities.

## **Monet and the Seine**

THE SEX ISSUE is a beautiful, shocking, fact-filled book that answers all the

questions that we've always wondered about, but may have been too shy to ask. It will be broken into three sections - sexuality, seduction, sex - sharing why the topic captures attention and is paramount to our lives. Goop editors introduce the experts they rely on for sex tips, and dive into focused Q&As that explore the ins and outs of sexual health, pleasure, and everything you need to know to be prepared for the best sex of your life. Part 1, Sexuality: What sexuality means, looks and feels like today - and how we can better tap into our sexual power, with advice on increasing libido, toys in the bedroom, Bondage and Tantra. Part 2, Seduction: Helps the reader explore the art of sexuality and seduction with advice on attracting new partners, tips on reigniting the flame once it's gone out, and how to do casual sex right. Part 3: Sex: Questions and answers on the act of doing it, from the keys to sexual health, strengthening sex practices, to masturbation, to avoiding boredom, to multiple orgasms and how to get them. Plus, there's a NSFW appendix that answers all your WTF questions, from the salacious to the random. Throughout the book you'll find endcaps of sexual positions, sidebars of mind-blowing stats, quotes about sex and personal anecdotes (i.e. how I lost my virginity).

### **Freedom's Main Line**

Shakespeare's three political tragedies\_Hamlet, Macbeth, and King Lear\_have numerous times been presented or adapted on film. These three plays all involve the recurring trope of madness, which, as constructed by Shakespeare, provided a wider canvas on which to detail those materials that could not be otherwise expressed: sexual desire and expectation, political unrest, and, ultimately, truth, as excavated by characters so afflicted. Music has long been associated with madness, and was often used as an audible symptom of a victim's disassociation from their surroundings and societal rules, as well as their loss of self-control. In Shakespeare, Madness, and Music: Scoring Insanity in Cinematic Adaptations, Kendra Preston Leonard examines the use of music in Hamlet, Macbeth, and King Lear. Whether discussing contemporary source materials, such as songs, verses, or rhymes specified by Shakespeare in his plays, or music composed specifically for a film and original to the director's or composer's interpretations, Leonard shows how the changing social and scholarly attitudes towards the plays, their characters, and the conditions that fall under the general catch-all of 'madness' have led to a wide range of musical accompaniments, signifiers, and incarnations of the afflictions displayed by Shakespeare's characters. Focusing on the most widely distributed and viewed adaptations of these plays for the cinema, each chapter presents the musical treatment of individual Shakespearean characters afflicted with or feigning madness: Hamlet, Ophelia, Lady Macbeth, King Lear, and Edgar. The book offers analysis and interpretation of the music used to underscore, belie, or otherwise inform or invoke the characters' states of mind, providing a fascinating indication of culture and society, as well as the thoughts and ideas of individual directors, composers, and actors. A bibliography, index, and appendix listing Shakespeare's film adaptations help complete this fascinating volume.

### **Church Minute Book**

What keeps women from being their best? Joyce has been helping women better themselves by helping identify emotional barriers and physical, mental, and

spiritual obstacles in their lives for years. Now she provides another answer-confidence. Our society has an insecurity epidemic, women in particular. Compensating by pretending to be secure-a common response-only leads to feelings of shame. Lack of self-confidence causes great difficulty in relationships of all kinds, and in marriage instances can even lead to divorce. In **THE CONFIDENT WOMAN**, Joyce explores the seven characteristics of a woman with confidence, which include a woman who knows she is loved, who refuses to live in fear, and who does not live by comparisons. Joyce explains that confidence stems from being positive in your actions and living honestly, but most importantly from having faith, in God and in ourselves.

## **Methodical Illusion**

The earliest surviving federal enumerations of the Tennessee Country consist of the 1810 census of Rutherford County and an incomplete 1820 census. But since the first settlers arrived at the French Lick as early as 1779, the first forty years of settlement in the area we now call Tennessee are a blank, at least in the official enumerations. This work is an attempt to reconstruct a census of the Cumberland River settlements in Davidson, Sumner, and Tennessee counties, which today comprise all or part of forty Tennessee counties. To this end, Mr. Fulcher has abstracted from the public records all references to those living in the jurisdictions between 1770 and 1790. From wills, deeds, court minutes, marriage records, military records, and many related items, the author has put together a carefully documented list of inhabitants--virtually the "first" census of Tennessee.

## **Ghosts of Franklin**

Updated and revised for a popular audience, a fascinating new edition of the classic *The American West: A New Interpretation* examines the diverse peoples and cultures of the American West and the impact of their intermingling and clash, the influence of the frontier, and topics ranging from early exploration of the region to modern-day environmentalism.

## **Passwords**

Includes names from the States of Alabama, Arkansas, the District of Columbia, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas and Virginia, and Puerto Rico and the Virgin Islands.

## **Limiting Outer Space**

*Play Directing* describes the various roles a director plays, from selection and analysis of the play, to working with actors and designers to bring the production to life.

## **Days After Your Departure**

*A Little Holiday Magic*, Nancy Pirri--*Maid of his Heart*, is the tale of pretty Claire O'Reilly who is working as a maid in 1888 New York City. Her employer, Andrew

Morgan-Stanton, a wealthy railroad baron, introduces the innocent Claire to the pain and pleasure of discipline and obedience and, in the end, they both find an unexpected love.--One Magical Night: Marcus Calhoun arrives home after divorcing his unfaithful wife. He renews his friendship with spinster, Anne Prentice. Marcus soon discovers his friendship with Anne has changed to love. Anne can't believe Marcus loves her due to her imperfection, a limp, until Marcus manages to prove his feelings.

## **Finding the Bright Side**

The world changed forever one Bethlehem night. Best-selling author Charles R. Swindoll invites us to sit back and enjoy his personal and engaging retelling of the first Christmas story. Combining both regal mystery and humble human experience, the book focuses on four major characters: Gabriel, Mary, Joseph, and Immanuel. Celebrate Jesus provides biblical insight with the heart and warmth of a gifted storyteller to bring what happened at the nativity to life and renew the joyful hope of Christmas.

## **History of Sweetwater Valley**

Franklin, Tennessee seriously oozes charm. At the same time, Franklin is seriously haunted. Beneath its quaint exterior is a seamy and sometimes terrifying past. The horrifying Battle of Franklin scarred the collective memory of the town. But it is not just tragedy that keeps them in Franklin. Sometimes, local folks just like their town and never want to leave--even after they die. Ghosts of Franklin brings to the public for the first time written accounts of many of Franklin's most chilling ghost stories, including accounts of the spirit of an old woman claiming ownership of a building to a startled tenant, a hand-carved bed that carries with it dreadful memories--and a ghost, and a famous widow who stays vigilant over wounded soldiers and their graves--100 years after she died. Ghosts of Franklin's accounts of strange and unexplainable events and phenomena will amaze the reader and provide convincing evidence that Franklin is indeed Tennessee's most haunted town.

## **Contract City**

The glamorous life of an international flight attendant can be anything but, as Vera Hanson discovered the morning one of her crew members was found murdered in a Paris hotel room. That morning began to put into focus some of the experiences of Vera's thirty year airline career, which she had purposely been avoiding. It caused her to look more deeply into the questions surrounding 9/11 that never made sense to a flight attendant, but that no one had seriously investigated. With the help of her pilot friend Jim Bowman, they embark on a cross country journey employing their wisdom, experience and intense research to uncover the mysteries of what really happened to the four airplanes and the people on them that fateful day. Written as a novel, Methodical Illusion has been excruciatingly researched from an insider's perspective, utilizing proprietary knowledge of airplanes, universal FAA protocols, standardized flight crew procedures and all hijacking policies. The results are the never before revealed answers to the daunting

questions everyone has had, but few have dared ask aloud for fear of the repercussions that undoubtedly follow. Rebekah Roth is right on target with her mind blowing research which is guaranteed to open your eyes.

## **Fantasy Art Book**

From the host of Fox News @ Night, a deeply personal book about finding purpose and growth amid life's unpredictability. "What a gift this book will be to your soul."—Lysa TerKeurst Whether it's her work today as a reporter and host for Fox News, her years in law school, or the time she spent competing in pageants like Miss America, Shannon Bream has spent her entire adult life navigating high-pressure environments where perfection is expected and competition is the name of the game. But in this laugh-out-loud book of stories and inspiration, Shannon shares the moments away from the cameras and the halls of government, in which she learned that the values and faith of her blue-collar upbringing could keep her grounded in a world where everyone wants you to be something other than who you are. In *Finding the Bright Side*, Shannon continues a conversation about authenticity, humility, and trusting in God that she's already begun with her followers on social media. She shares behind-the-scenes stories from Washington, D.C., revelations from her time reporting on the Supreme Court, and lessons learned from the most challenging moments of her life—from the time she was fired from her first job and told, "You're the worst person I've ever seen on TV," to the time she heard "There is no cure." But through all of this, faith (and a little bit of stubbornness!) has helped Shannon to keep hope, find purpose in the pain, and find laughs along the way. Praise for *Finding the Bright Side* "Integrity. Faith. Diligence. Success. Shannon's book—and life—elevate these cherished values. For anyone hoping to move forward without compromising convictions, this book is a must read."—Max Lucado, pastor and bestselling author "In *Finding the Bright Side*, Shannon reveals that her sunny face and disposition is not just from good genetics. Her success is long in coming and well-deserved. She is sheer joy in a bottle."—Kathie Lee Gifford, bestselling author of *The Rock*, *the Road* and *the Rabbi*

## **A History of Methodism in Alabama**

Provides current coverage of a broad range of individuals from across the South and Southwest Includes approximately 17,500 names from the region embracing Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia, West Virginia, Puerto Rico, and the Virgin Islands. Because of its importance and its contiguity to the southwestern United States, Mexico is also covered in this volume.

## **Processing and Nutrition of Fats and Oils**

Limiting Outer Space propels the historicization of outer space by focusing on the Post-Apollo period. After the moon landings, disillusionment set in. Outer space, no longer considered the inevitable destination of human expansion, lost much of its popular appeal, cultural significance and political urgency. With the rapid waning of the worldwide Apollo frenzy, the optimism of the Space Age gave way to an era of

space fatigue and planetized limits. Bringing together the history of European astroculture and American-Soviet spaceflight with scholarship on the 1970s, this cutting-edge volume examines the reconfiguration of space imaginaries from a multiplicity of disciplinary perspectives. Rather than invoking oft-repeated narratives of Cold War rivalry and an escalating Space Race, *Limiting Outer Space* breaks new ground by exploring a hitherto underrated and understudied decade, the Post-Apollo period.

## **Play Directing**

"Days After Your Departure" is an arresting and undeniably meditative work self-published by poet and author Joekenneth Museau. In this collection of writings, Joekenneth candidly explores facets of his life directly affected by the untimely death of his mother. "Days," albeit difficult to categorize, is best described as a multimedia memoir formed by a tapestry of prose, poetry, and photography (Rog Walker). Like a work within a work, the book's design (Cleon Grey) adds a layer of visual storytelling that accentuates Joekenneth's narrative. The author's journey in faith, grief, and mental health challenges his audience to look inward encouraging them to confront the delicate nature of their own lives.

## **Chester (and Its Vicinity,) Delaware County, in Pennsylvania**

Includes an excerpt from Twelve days of Christmas.

## **Christ's Literal Reign on Earth**

Tired of forgetting your passwords, and having to reset them? Well, here is a handy little password journal for you. Organize your passwords in a simple manner and have them right at your fingertips. Competitive price!

## **The Last Conquistador**

Part travelogue and part scientist's notebook, *The Last Speakers* is the poignant chronicle of author K. David Harrison's expeditions around the world to meet with last speakers of vanishing languages. The speakers' eloquent reflections and candid photographs reveal little-known lifeways as well as revitalization efforts to teach disappearing languages to younger generations. Thought-provoking and engaging, this unique book illuminates the global language-extinction crisis through photos, graphics, interviews, traditional wisdom never before translated into English, and first-person essays that thrillingly convey the adventure of science and exploration.

## **Celebrate Jesus**

## **Dashing Through the Snow**

*Processing and Nutrition of Fats and Oils* reviews current and new practices of fats and oils production. The book examines the different aspects of fats and oils

processing, how the nutritional properties are affected, and how fats interact with other components and nutrients in food products. Coverage includes current trends in the consumption of edible fats and oils; properties of fats, oils and bioactive lipids; techniques to process and modify edible oils; nutritional aspects of lipids; and regulatory aspects, labeling and certifications of fats and oils in foods.

## **The Big Book of Boobs**

### **Nutraceutical and Specialty Lipids and Their Co-Products**

Featuring the full first series of Matt Smith starring as the Eleventh Doctor, in BBC One's hit television show, Doctor Who! With original comic strips and an exciting new story, as well as puzzles and features on all your favourite episodes, characters and aliens. The Official Doctor Who Annual 2011 is a must for any fan and a true collector's item!

## **Doctor Who**

This book chronicles the life and frontier career of Don Juan de Oñate, the first colonizer of the old Spanish Borderlands. Born in Zacatecas, Mexico, in the mid-sixteenth century, Don Juan was the prominent son of an aristocratic silver-mining family. In 1598, in his late forties, Oñate led a formidable expedition of settlers, with wagons and livestock, on an epic march northward to the upper Rio Grande Valley of New Mexico. There he established the first European settlement west of the Mississippi, launching a significant chapter in early American history. In his activities he displayed qualities typical of Spain's sixteenth-century men of action; in his career we find a summation of the motives, aspirations, intentions, strengths, and weaknesses of the Hispanic pioneers who settled the Borderlands.

## **A Little Holiday Magic**

This volume joins the pragmatic philosophy of Deleuze to current affairs. The twelve new essays in this volume use a contemporary context to think through and with Deleuze. Engaging the here and now, the contributors use the Deleuzian theoretical apparatus to think about issues such as military activity in the Middle East, refugees, terrorism, information and communication, and the State. The book is aimed both at specialists of Deleuze and those who are unfamiliar with his work but who are interested in current affairs. Incorporating political theory and philosophy, culture studies, sociology, international studies, and Middle Eastern studies, the book is designed to appeal to a wide audience.

## **Frontiers**

## **Fiat Lux**

## **Deleuze and the Contemporary World**

Black Americans in the Jim Crow South could not escape the grim reality of racial segregation, whether enforced by law or by custom. In *Freedom's Main Line: The Journey of Reconciliation and the Freedom Rides*, author Derek Charles Catsam shows that courtrooms, classrooms, and cemeteries were not the only front lines in African Americans' prolonged struggle for basic civil rights. Buses, trains, and other modes of public transportation provided the perfect means for civil rights activists to protest the second-class citizenship of African Americans, bringing the reality of the violence of segregation into the consciousness of America and the world. In 1947, nearly a decade before the Supreme Court voided school segregation in *Brown v. Board of Education*, sixteen black and white activists embarked on a four-state bus tour, called the Journey of Reconciliation, to challenge discrimination in busing and other forms of public transportation. Although the Journey drew little national attention, it set the stage for the more timely and influential 1961 Freedom Rides. After the Supreme Court's 1960 ruling in *Boynton v. Virginia* that segregated public transportation violated the Interstate Commerce Act, the Congress of Racial Equality (CORE) and other civil rights groups organized the Freedom Rides to test the enforcement of the ruling in buses and bus terminals across the South. Their goal was simple: "to make bus desegregation," as a CORE press release put it, "a reality instead of merely an approved legal doctrine." *Freedom's Main Line* argues that the Freedom Rides, a turning point in the Civil Rights Movement, were a logical, natural evolution of such earlier efforts as the Journey of Reconciliation, their organizers following models provided by previous challenges to segregation and relying on the principles of nonviolence so common in the larger movement. The impact of the Freedom Rides, however, was unprecedented, fixing the issue of civil rights in the national consciousness. Later activists were often dubbed Freedom Riders even if they never set foot on a bus. With challenges to segregated transportation as his point of departure, Catsam chronicles black Americans' long journey toward increased civil rights. *Freedom's Main Line* tells the story of bold incursions into the heart of institutional discrimination, journeys undertaken by heroic individuals who forced racial injustice into the national and international spotlight and helped pave the way for the landmark Civil Rights Act of 1964.
