Are you ready to regain your lost self-esteem? Find out how you can repair you self-love with this easy-to-read and easy-to-grasp manual. You may be suffering from the effects of damaged self-love. If you're struggling to overcome this, then The Self—love Repair Manual is what you need to help you go through this recovery. Gathered from a variety of sources, the principles presented here are sensible and practical. They can be applied for personal situations; they have worked for the author and for many others who used them. The Self-LoveRepair Manual is a coillation of Devine Development and the twelve steps of love repair created by Ann. It is the story of one woman's journey to health from low self-esteem. It is called a manual because it shares and teaches others , with the help of Devine Development

and the twelve steps along with the work assignments how they too can restore their own loss of self-esteem.

Period Repair Manual is your guide to better periods using natural treatments such as diet, nutritional supplements, herbal medicine, and natural hormones. It contains advice and tips for women of every age and situation. If you have a period (or want a period), then this book is for you. Topics include: \* How to come off hormonal birth control \* What your period should be like\* What can go wrong \* How to talk to

your doctor \* Treatment protocols for all common period problems, including PCOS and endometriosis The second edition contains insights from Professor Jerilynn Prior, more than 300 new references, and an additional chapter on perimenopause and menopause. Written by a naturopathic doctor with more than twenty years experience, this book is a compilation of everything that works for hormonal health.

## **NASA SP.**

Guidelines are presented to help a person feel better about himself or herself. The book is premised on the four A's: attitude, action, achievement, and acknowledgment. To assure successful repair or maintenance of self-esteem, one must have the right attitude, take the proper action--one that will lead to achievements--and then one must acknowledge those achievements. Exercises for self-esteem repair and enhancement, encouraging quotations, and recaps that emphasize significant points fill the book. The volume's 10 chapters cover: (1) Setting the Stage; (2) Embarking on Your Journey; (3) Language--Discovering the Power of Self-Talk; (4)

Framework for Success; (5) Envision; (6) Strategize; (7) Test; (8) Engage; (9) Evaluate; and (10) Maintenance. (DB)
