about the wonderful Bible and all the promises it holds, keep listening! The New Testament is a clear and concise summary of the Greatest Story Ever Told, the Life of the Lord Jesus Christ. It is written for young minds to understand and explore the main points of Jesus' birth, life, death, and ascension, as well as the rise of the Christian church. It includes explanations of the locations, culture, hard to understand figures of speech, and the external cultures surrounding his life. Parents--in a world so busy, so beautiful, so interesting, and often so confusing--some of us think that we don't have time for God. However, for those who are aware of him, we can understand the peace what a prayerful life can bring to a soul. Even the little children have daily challenges and daily choices--and imparting a love of God into their heart at an early age is a wonderful gift for a fabulous life. To a child, prayer is a natural instinct. As we raise our children to do good, to live with the principles you are teaching them, it is also important to teach them the power and importance of prayer. In this world, you represent God to a young child--giving them their needs often before they even ask. God encourages all of us to teach them that it is ultimately God who supplies all of our needs. The Bible Story Book for Kids will show you: The miracle of the immaculate conception of Mary The wondrous childhood of Jesus The friendship that Jesus had with his apostles and disciples The miracles that Jesus performed for one person or for thousands The reason that Christ had to be crucified for you and me How the early Christian church grew for both Jews and Gentiles How the power of God can still work today for anyone who believes And much more The Bible is one of the most amazing miracles

Genocide, Rape and Murder- Award Winning Activist's New Book Bedtime Bible Stories-EXPLICIT! The creator of Bully the Bullies and the screenwriter of Robin Hood: Men in Tights have teamed up to expose the truth about Christian fundamentalism. "Books like Bedtime Bible Stories - Explicit! are important." - Dave Silverman President of American Atheist "If the bible was accurate and had illustrations then the bible would be this book." - Stephanie Guttormson Operations Director for the Richard Dawkins Foundation for Reason and Science Award winning activist Joey Kirman and co-author J.D. Shapiro are proud to announce the release of Bedtime Bible Stories-EXPLICIT! a true, though sometimes comedic take that exposes the ugly side of the Bible. Stamped with a "Parental Advisory" warning, this wonderfully illustrated compilation contains actual scripture and anecdotal musings about how misguided Christians ignore the horrible truth that the Bible is filled with unspeakable acts of violence and hate that are supposedly God's will. Bedtime Bible Stories - Explicit!

exposes the Bible that the Christian fundamentalist do not want to be seen. Bedtime Bible Stories - EXPLICIT! was hatched out of an exasperation with how America's religious leaders manipulate the media and the public for their own ends. It's a game in which they act as both the bully and the victim. What's worse is that these Christian activists play a role in electing government officials that perpetuate their hateful and prejudiced views and pass laws that discriminate against those whom they have judged as inferior. Bedtime Bible Stories - EXPLICIT! explains how these Christians use some passages of the Bible that fit their fundamentalist agenda and ignore other passages that clearly show the Bible as filled with inhumanity. Through this process of cherry picking passages they justify their hatred and condemnation of any group they see as unworthy or not following their beliefs. Bedtime Bible Stories - EXPLICIT! is for anyone who wants to understand what the Bible really says and not be deceived by those who want to control others for their own purposes. This book will open the eyes of both believers and non-believers alike to the terrible truth about this so called holy book. Only through a thorough understanding of the Christian Bible can the real teachings of Christianity be known.
