Imperfect Match

Ian Chase broke my heart at seventeen, and I've spent the last eighteen years hating him for it. He makes it easy, with his smart mouth and playboy lifestyle- which I unfortunately have to observe since he lives behind me. Every time I see him climbing out of his pool, practically naked and unreasonably sexy, my blood boils. I've always loved to loathe him. I never planned to need him. *** London Parish is my little sister's best friend, not that it stopped me from falling for her.

Our history is complicated. The only thing we have in common is being godparents to my sister's three adorable kids-until our lives are changed in one tragic moment. Now we're trying to raise the children we love, mourn an unthinkable loss, and fight an undeniable attraction. My life is already upside-down, and the last thing I need is for old feelings to resurface. Because I'll never be able to keep her, no matter how hard I try to hold her close.

Bet on Me

New York Times Bestselling author Corinne Michaels brings a new endearing friends-to-lovers story to life in the third STANDALONE in the Arrowood Brothers series. Even when I'm on the road playing professional baseball, she's my home—the only one I've ever known. But when I return to Sugarloaf to care for the family farm, I discover she's trying to talk herself into a life with the wrong man ... and I become desperate. It only takes a single, perfect kiss to change everything. I have six months to get it right with Devney—to convince her to leave this town and turn that kiss into forever. I aim to do just that as I spend my days coaching her nephew's baseball team, fixing up the farm, and loving her with all I have. Finally, it seems like our relationship is secure and we'll find a way to make it work. Then tragedy strikes changing her life forever. She's needed here more than ever, but as for me—there's no way I can

stay. I know she's the one for me, but I might have to let her go

WARNING: **Not recommended for readers under the age of 18 due to graphic violence, sex and strong language. Trigger warning for self harm. The only sure way to destroy a man is to take what he cannot live without. Three years ago, I had everything. A beautiful wife. A son. A reason for living. Until a ruthless task force, assembled under Mayor Michael Culling, with a brutal strategy to make the streets of Detroit 'safe', ripped away everything I loved in a deadly hunt called The Culling. They tried to kill me, too. I wish they had. Now I'm cursed by the memories of that night, and the words I whispered to my dying wife. A promise-to avenge the wrong and set it right. I'm no longer Nick Ryder. I'm a masked vigilante. Faceless. Loveless. Fearless. A man with nothing left to lose-one who's seen the dark and violent truth behind the city's flawless veneer. Michael Culling doesn't know who I am. Or what I want. All he knows is that I've kidnapped his beautiful wife. An eye for an eye-isn't that how the saying goes? And Aubree Culling is the perfect pawn to destroy him. If she doesn't destroy me first.

Say You Won't Let Go: A Return to Me/Masters and Mercenaries Novella

The Yellowstone supervolcano nearly wiped out the human race. Now, almost a year after the eruption, the survivors seem determined to finish the job. Communities wage war on each other, gangs of cannibals roam the countryside, and what little government survived the eruption has collapsed completely. The ham radio has gone silent. Sickness, cold, and starvation are the survivors' constant companions. When it becomes apparent that their home is no longer safe and adults are not facing the stark realities, Alex and Darla must create a community that can survive the ongoing disaster, an almost impossible task requiring even more guts and more smarts than ever--and unthinkable sacrifice. If they fail . . . they, their loved ones, and the few remaining survivors will perish. This epic finale has the heart of Ashfall, the action of Ashen Winter, and a depth all its own, examining questions of responsibility and bravery, civilization and society, illuminated by the story of an unshakable love that transcends a post-apocalyptic world and even life itself.
