adventures and soul-shattering confrontations, Band of Brothers brings back to life, as only Stephen E. Ambrose can, the profound ties of brotherhood forged in the barracks and on the battlefields. This Student Edition of *After the Fall* is perfect for students of literature and drama and offers an unrivalled and comprehensive guide to Miller's play. It features an extensive introduction by Brenda Murphy which includes a chronology of Miller's life and times, a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty questions for further study and detailed notes on words and phrases from the text, this is the definitive edition of the play. *After the Fall* (1964) is embedded in historical events that were bound up with Arthur Miller's personal life. It is an intensely personal psychological study of its protagonist Quentin and a moral and philosophical commentary on the Holocaust, McCarthyism, and the career and death of Marilyn Monroe. The play marks the full realisation of Miller's modernist experimentation in trying to create a form that dramatises both human consciousness or subjectivity and its interrelationship with social and familial dynamics. A drama that takes place in the mind and thoughts of its protagonist, where memories are overshadowed by the Holocaust, the play is a moving study of human consciousness, morality and how we should live our lives once we have come to the realisation that we exist 'after the Fall'.

The definitive memoir of Arthur Miller—the famous playwright of *The Crucible*, *All My Sons*, *Death of a Salesman*, *A View from the Bridge*, and other plays—*Timebends* reveals Miller’s incredible trajectory as a man and a writer. Born in 1915, Miller grew up in Harlem in the 1920s and 1930s, developed leftist political convictions during the Great Depression, achieved moral victory against McCarthyism in the 1950s, and became president of PEN International near the end of his life, fighting for writers’ freedom of expression. Along the way, his prolific output established him as one of the greatest writers of the twentieth century—he wrote twenty-two plays, various screenplays, short stories, and essays, and won the Pulitzer Prize in 1949 for *Death of a Salesman* and the New York Drama Critics Circle Award in 1947 for *All My Sons*. Miller also wrote the screenplay for *The Misfits*, Marilyn Monroe’s final film. This memoir also reveals the incredible host of notables that populated his life, including Marilyn Monroe, Elia Kazan, Clark Gable, Sir Laurence Olivier, John F. Kennedy, and Mikhail Gorbachev. Leaving behind a formidable reputation in the worlds of theater, cinema, and politics, Arthur Miller died in 2005 but his memoir continues his legacy.

He soon realizes that she is obsessed by the devastating news from Germany, where government thugs have begun smashing Jewish stores. When the two seemingly unrelated situations concatenate, a tragic flare of light opens on the age. 'His strongest play for many years, a gripping and at times powerfully affecting drama. Maryse Condé brings Tituba out of historical silence and creates for her a fictional childhood, adolescence, and old age. Young readers “will be carried along by the sheer excitement of the story” of 17th-century slavery and witchcraft by the million-copy selling author (The New York Times). In 1688, Tituba and her husband, John, are sold to a Boston minister and sent to the strange world of Salem, Massachusetts. Rumors about witches are spreading like wildfire throughout the state, filling the heads of Salem’s superstitious, God-fearing residents. When the reverend’s suggestible young daughter, Betsey, starts having fits, the townsfolk declare it to be the devil’s work. Suspicion falls on Tituba, who can read fortunes and spin flax into thread so fine it seems like magic. When suspicion turns to hatred, Tituba finds herself in grave danger. Will she be judged guilty of witchcraft and hanged? Loosely based on accounts of the period and trial transcripts, Ann Petry’s compelling historical novel draws readers into the hysteria of America’s deadly witch hunts.

Charming, informative, touching, and laugh-out-loud funny, this is the book Lucy’s fans have been waiting for.

One of America's foremost scholars of religion examines the tumultuous era that gave birth to the modern Judeo-Christian tradition In *The Crucible of Faith*, Philip Jenkins argues that much of the Judeo-Christian tradition we know today was born between 250-50 BCE, during a turbulent "Crucible Era." It was during these years that Judaism grappled with Hellenizing forces and produced new religious ideas that reflected and responded to their changing world. By the time of the fall of the Temple in 70 CE, concepts that might once have seemed bizarre became normalized-and thus passed on to Christianity and later Islam. Drawing widely on contemporary sources from outside the canonical Old and New Testaments, Jenkins reveals an era of political violence and social upheaval that ultimately gave birth to entirely new ideas about religion, the afterlife, Creation and the Fall, and

the nature of God and Satan.

Is the presidency a position one must learn on the job, or can one learn from others' experience? No common thread runs through the list of forty-five presidents; no playbook provides the answers to all the challenges a president will face. Yet even in the most unprecedented situations, history can be instructive. Drawn from the Miller Center's First Year project--which seeks to provide a historical framework to guide future presidents and their teams in the crucial first year of a new administration-- Crucible addresses core questions of governance facing a new president, from navigating a broken political system to thriving in a changing media environment. The project's illustrious participants--including Stephen Skowronek, Alan Taylor, Gary Gallagher, Sidney M. Milkis, H. W. Brands, William A. Galston, and Peter Wehner, among many others--explore both opportunities and challenges in key policy areas, from national security, race, and immigration to opportunity, mobility, and fiscal policy. Crucible consolidates the most salient lessons that can be drawn from both the best and the worst presidencies in American history, as well as from the many in between, to provide true insight on the most important issues facing any new president in the first year of office. But as this unassuming stranger steps smoothly into the diner's daily routine, she finds him fitting just as comfortably inside her heart - and slowly, a gentle, healing love takes hold between them. Yet planting roots in Salem Falls may prove fateful for Jack. Amid the white-painted centuries-old churches, a quartet of bored, privileged teenage girls have formed a coven that is crossing the line between amusement and malicious intent. Quick to notice the attractive new employee at Addie's diner, the girls turn Jack's world upside down with a shattering allegation that causes history to repeat itself - and forces Jack to proclaim his innocence once again. Suddenly nothing in Salem Falls is as it seems; a safe haven turns dangerous, an innocent girl meets evil face-to-face, a dishwasher with a Ph.D. is revealed to be an ex-con. This Student Edition of *The Crucible* is perfect for students of literature and drama and offers an unrivalled guide to Miller's classic play. It features an extensive introduction by Susan C. W. Abbotson which includes: a chronology of Miller's life and times; a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty

questions for further study, detailed notes on words and phrases from the text and the additional scene 2 of the second Act, this is the definitive edition of the play. In a small tight-knit community gossip and rumour spread like wildfire inflaming personal grievances until no-one is safe from accusation and vengeance. The Crucible is Miller's classic dramatisation of the witch-hunt and trials that besieged the Puritan community of Salem in 1692.
