Kerala, perched on the Southern tip of Indian sub continent is an ever green tourist delight. Chosen by God as His own country, Kerala has everything that a tourist looks forward to. Virgin beaches, romantic backwaters, invigorating hill stations, enthralling waterfalls and great historical monuments craft Kerala one of the ten paradises in the world. With moderate climate and civilized people the state is immensely blessed by Mother Nature. If marriages are made in Heaven, what better place to have the ceremony than in God's Own Country? Yes, Kerala is becoming one of the important Wedding Destinations in the world. As a wedding destination Kerala offers you many options as a beach wedding, a house boat wedding or a wedding by the hills. Along with, this historical land is fast becoming a popular MICE destination. Thanks to the numerous facilities available for Meetings, Incentives, Conventions and Exhibitions. With the most sought after professionals and excellent network of hospitals India is becoming the very hot medical tourism destination in the world. It is the land of everlasting festivals and vibrant art forms. The multicultural land with peoples from diverse religions, communities and sects is an abode of prosperous legacy. The year-round festivals proffer golden opportunities to explore the tradition and cultural heritage of this great historical soil. The uniqueness of Ayurveda brings the person to a new sphere of rejuvenation. The system is the consequence of vigorous contemplation and researches of great scholars. And, we are equipped for you with a prelude of God's own country. We offer indispensable insights about wedding tourism, MICE tourism, medical tourism, pilgrimage tourism, monsoon tourism, plantation tourism, festivals, art forms, Ayurveda and accommodation facilities along with the fascinating destinations under the fourteen districts.

India, a Reference Annual

Outlook

Tourism to and within India has undergone some important changes in recent years seen by the rising numbers of international tourists and increase in domestic tourism. This has led to the redevelopment and rebranding of many of its destinations as the Indian government has begun to recognise the potential importance of tourism to the Indian economy and has begun to invest in tourism infrastructure. It is also recognised that as its economy continues to grow at a rapid rate, India will also become one of the most important countries in terms of future outbound tourism. Tourism and India is the first book to specifically focus on

and fully analyze the issues facing contemporary India both as a destination and a potential source of tourists. The book analyses previous research and applies critical theory to key aspects of tourism in this region and supports this with a wide range of examples to illustrate the key conceptual points. As such the book examines aspects of tourism in India including tourism governance, cultural tourism, heritage tourism, nature-based tourism from the supply side and international tourism, domestic tourism, outbound tourism and the Indian Diaspora from the demand side. This timely book includes original research to offer insights into India's future development in terms of tourism. It will be of interest to students, researchers and academics in the areas of Tourism, Geography and related disciplines.

Tourism and India

This is a book on present-day life in nine major towns of Kerala through essays, specially commissioned photographs, and sketches.

Kerala Tradition & Fascinating Destinations

As the tourist industry becomes increasingly important to communities around the world, the need to develop tourism sustainably has also become a primary concern. This collection of international case-studies addresses this crucial issue by asking what local communities can contribute to sustainable tourism, and what sustainability can offer local communities. Individually these investigations present a wealth of original research and source material. Collectively the book illuminates the term 'community', the meaning of which, it is argued, is vital to understanding how sustainable tourism development can be implemented in practice.

Agriculture & Industry Survey

The verdant and beautiful Kerala, well known for its flora and fauna and for its rich tradition of temples, has today become one of the must see destinations in the world. Temples have always been an integral part of the culture and tradition of Kerala. This small state has become famous for its efforts to preserve the ancient culture of the big temples as well as the small family shrines, keeping their rich variety and tradition intact. These temples play an important role in spreading the greatness of Kerala in countries all over the world. Temples of Kerala have never been mere places of worship; they have played a pivotal role in the social, financial, cultural and educational fields of the state. For the rehabilitation of the poor and the deprived many schemes have been implemented by the temples like providing food and shelter to the needy. Today, if there is a great progress in the field of tourism, the temples have certainly contributed much to it. A large number of foreigners come to the state to study and understand Kerala's traditional temple arts like Kathakali, Chakiarkoothu, Ottamthullal etc. On the happy occasion of bringing out this book, we have endeavored to include details of the prominent

Ayyappan temples outside Kerala, along with those of the great temples within the state. The intention is to make this a comprehensive reference book for all well-known temples in India. May all our readers be blessed by the Almighty with peace, prosperity and good health.

Health and Wellness Tourism takes an innovative look at this rapidly growing sector of today's thriving tourism industry. This book examines the range of motivations that drive this diverse sector of tourists, the products that are being developed to meet their needs and the management implications of these developments. A wide range of international case studies illustrate the multiple aspects of the industry and new and emerging trends including spas, medical wellness, life-coaching, meditation, festivals, pilgrimage and yoga retreats. The authors also evaluate marketing and promotional strategies and assess operational and management issues in the context of health and wellness tourism. This text includes a number of features to reinforce theory for advanced students of hospitality, leisure and tourism and related disciplines.
