This volume contains detailed and practical advice, together with a comprehensive set of precedents, for achieving legal, financial and tax efficiency when structuring property joint ventures. The work is made up of one quarter of introductory commentary on the desirability of joint venture arrangements, tax implications, problem areas and the different approaches possible. The bulk of the book comprises precedents with guidance notes, both complete examples and suggested wording for specific clauses and letters. The work is based on the know-how of an expert editorial team - all partners at top solicitors firms, tax accountants and surveyors. Precedents provide direct instruction on how to put this know-how into practice with effective forms and documents. All precedents provided here appear on an accompanying diskette for rapid drafting and amendment.

Called the Bible of Public speaking, Knockout Presentations is a “seminar in a book” that reduces fear and gives speakers the steps to craft and deliver a talk that will make them a knockout on the platform! It’s the next best thing to having Diane DiResta there to teach in person. DiResta provides all the fundamentals without the fluff. Speakers learn what confidence looks like, sounds like, and how to speak the language of confidence, reduce preparation time, craft a compelling talk, size up an audience, overcome fear, and master questions and answers. The Dos and Don’ts at the end of each chapter help speakers review and remember the principles even after putting them into practice. Speaking is the new competitive advantage and Knockout Presentations gives speakers tools and techniques, templates, and resources to improve their skills.

New Zealand Agriculture

New York Times bestselling author Brenda Novak welcomes readers to the town of Silver Springs, where surprises wait around every corner! The search for her birth mother brought Cora Kelly to the New Horizons Boys Ranch. Getting a job there was easy enough, but confiding in Aiyana, the ranch's owner, that she's really her daughter? Cora's not sure she can do that, not unless she's confident the news will be welcomed. And once she gets to know Elijah Turner—Aiyana's adopted son and ranch manager—that decision becomes even more difficult. Although Elijah can't deny his deep attraction to Cora, he's always struggled with trust. Anyone with his past would, and there's something about the ranch's newest employee that isn't exactly as it seems. But if the feelings she awakes in his guarded heart are any indication, she might be just what he's long been waiting for.

Single mother of twin boys, Katie didn't want their father, Greek billionaire Alexandros Christakis, back in her life. But poverty pushed her to ask for his help. Alexandros demanded that Katie marry him. They had nothing in common—except their mutual burning sexual attraction, but resistance was futile: both the twins and Katie needed Alexandros. She would submit to becoming his mistress...

In this brash and audacious debunking of the myths and manipulation that brought the world to oil addiction, alt fuel expert Marc J. Rauch brilliantly lays out how ethanol can change the planet for the better--and along the way helps us navigate the noise of petroleum advocates. The Ethanol Papers is a rough-and-tumble, no holds-barred crystallization of the ethanol vs. gasoline conflict. Written in plain jargon, non-scientists, non-academics, and politicians alike will find it compelling. Yet this is no "Idiots Guide to Biofuels" or "Alt Fuels for Dummies." Rather, The Ethanol Papers is the most in-depth and complete explanation of the ethanol-oil problem now available, targeted for smart people who demand facts.

Electronics Pocket Book, Fourth Edition is a nonmathematical presentation of the many varied topics covered by electronics. The book tackles electron physics, electronic components (i.e. resistors, capacitors, and conductors), integrated circuits, and the principles of a.c. and d.c. amplifiers. The text also discusses oscillators, digital circuits, digital computers, and optoelectronics (i.e., sensors, emitters, and devices that utilize light). Communications (such as line and radio communications, transmitters, receivers, and digital techniques); the principles and examples of servosystems; and transducers are also considered. The book describes useful electromagnetic devices, electronic instruments, and power supplies, as well as maintenance (preventive, planned, and corrective), fault-finding, and repair (first- and second-line maintenance). The text will serve as a useful reference manual for both the professional electronics engineers and the home hobbyists.

Henry Miller's monumental venture in self-revelation was begun with his Tropic of Cancer and Tropic of Capricorn, which on their American publication were hailed as "miraculous," "superb," "ribald," "brilliant," and "shamelessly shocking." Sexus is the first volume of a series called The Rosy Crucifixion, in which Miller completes his major life work. It was written in the United States during World War II, and first published in Paris in 1949. Of this remarkable project, Lawrence Durrell has said: "The completion of his seven-volume autobiography, if it fulfills the promise of what he has already given us, will put his name amongst the three or four great figures of the age."

"The Agile philosophy has grown and achieved success initially through the Technology Design and Development teams of some of the world's largest organizations including Google, Netflix, and Microsoft. Recently, it has been adopted by the marketing departments of these organizations and others and new techniques are evolving for defining, engaging and providing customers amazing unique experiences. Sales teams are becoming disrupted by technology and the differentiated experiences marketing teams using Agile techniques are building for their customers online. Sales organizations have been looking for a way to avoid disruption and get back into the game with value. Agile is now starting to be adopted by sales teams, enabling these teams to revolutionize the way they engage customers with value and delighting experiences which result in greater value for the customer and themselves. This book outlines how Agile can help sales teams develop a culture of innovation focused on their customers. The book takes the reader through the customer buying journey (Agile technique) outlining tips and tricks that have come from Agile deployments within sales functions to help them get started. The key benefit for the reader is the introduction of a proven philosophy and techniques that will help them avoid disruption, elevate themselves from the commodity trap and achieve success again. The book provides the reader insights into how to achieve sustainable change using real life case examples. The reader will also gain enjoyment and delight through the stories

Electrical Machines & their Applications

In an unnamed Third World country, in the not-so-distant future, three “dumpsite boys” make a living picking through the mountains of garbage on the outskirts of a large city. One unlucky-lucky day, Raphael finds something very special and very mysterious. So mysterious that he decides to keep it, even when the city police offer a handsome reward for its return. That decision brings with it terrifying consequences, and soon the dumpsite boys must use all of their cunning and courage to stay ahead of their pursuers. It’s up to Raphael, Gardo, and Rat—boys who have no education, no parents, no homes, and no money—to solve the mystery and right a terrible wrong. Andy Mulligan has written a powerful story about unthinkable poverty—and the kind of hope and determination that can transcend it. With twists and turns, unrelenting action, and deep, raw emotion, *Trash* is a heart-pounding, breath-holding novel.

Kama Sutra for 21st-century Lovers

"This book is about the people I met as I crisscrossed Australia by train and plane and L-plated car: the undefeated dreamers and wild-hearted romantics, the obsessed hobbyists and beautiful failures. It is about heroes and legends, illusions, delusions and hope, and one or two men with shit for brains who ought to be locked up." As anyone who's ever read Mark Dapin's column and features in *Good Weekend* knows, he's an immensely funny, acute and vivid observer of Australian life. In *Strange Country*, he takes us on a journey through a very different Australia - a country that's eccentric, puzzling, big-hearted, small-minded, nostalgic and sometimes just plain mad. From the last travelling boxing tent to feral urban sewer rats to Vietnam Veteran bikies and the annual Parkes Elvis Festival, his writing illuminates the stranger side of Australian life in a travel book like no other.

"What other secret is Brandon hiding? Seven years ago, Katie Raymond made a mistake that cost her the love of her life. Now, Brandon Hastings is back in her life

and it seems like he is determined to make her pay for her previous mistakes. When Katie overhears a private conversation, she has no idea just how deep the secrets go. She gives Brandon one last chance to prove his love to her, but when he violates her trust one last time, she doesn't think she can ever forgive him. But then, Brandon tells her the one thing that is guaranteed to turn her world upside down and she's not sure if her life will ever be the same again."--Page 4 of cover.

The Farmall Dynasty

A collection of 100 inspired and surprising portraits of celebrities and everymen alike from the award-winning photographer Robert Trachtenberg. Paul Rudd checking out the merchandise; Jimmy Kimmel playing dress up; Jack Black getting a one-of-a-kind pedicure; Elon Musk unveiling his newest Tesla; Jerry Seinfeld and Larry David taking a coffee break. From leading men to comedians, ballet dancers to quarterbacks, war veterans to Broadway veterans, Red-Blooded American Male features more than 100 imaginative, striking, and sexy portraits from award-winning photographer Robert Trachtenberg. Pithy captions about each shoot accompany the photographs, giving readers a peek behind the curtain of a famed portrait photographer's creative process and his world-renowned photographs. Uncovering a unique (and often self-deprecating) side to such talents as Jimmy Fallon, Seth Rogen, Channing Tatum, Waris Ahluwalia, Will Ferrell, and Kevin Hart, this collection goes beyond mere portraiture to challenge conventional notions of masculinity and traditional male imagery.
