“There’s nothing semi about Finn Murphy’s trucking tales of The Long Haul.”—Sloane Crosley, Vanity Fair More than thirty years ago, Finn Murphy dropped out of college to become a long-haul trucker. Since then he’s covered more than a million miles as a mover, packing, loading, hauling people’s belongings all over America. In The Long Haul, Murphy recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting stories of the people he encounters on the job.
