101 Inspiring Stories  
The Shadow and Bone Trilogy

### Diary ng Pangit Book 4

This is one of the many inspiring books from the renowned "Motivator" Dr. G. Francis Xavier. Evidently, this harvest of stories has been gleaned from lands he visited and books he read. Xavier, who conducts full-house personal growth courses has brought out this compendium in an interactive form, making the reader give the answers at the end of the story, which is a novel approach. Stories and examples are the best way to inspire, and this volume can be gifted to anyone. It is useful for preachers, speakers and teachers. The book appeals to readers of all ages except the morose and irredeemable negaholics (negative thinking addicts) and anti-reading teenagers. It has stories to inspire and promises uninterrupted chuckles till the end. There are also quotations on success.

### Diary Ng Pangit (Complete Version)

This is the story of Paul, a sophomore at a high school like no other: The cheerleaders ride Harleys, the homecoming queen used to be a guy named Daryl (she now prefers Infinite Darlene and is also the star quarterback), and the gay-straight

alliance was formed to help the straight kids learn how to dance. When Paul meets Noah, he thinks he's found the one his heart is made for. Until he blows it. The school bookie says the odds are 12-to-1 against him getting Noah back, but Paul's not giving up without playing his love really loud. His best friend Joni might be drifting away, his other best friend Tony might be dealing with ultra-religious parents, and his ex-boyfriend Kyle might not be going away anytime soon, but sometimes everything needs to fall apart before it can really fit together right. This is a happy-meaningful romantic comedy about finding love, losing love, and doing what it takes to get love back in a crazy-wonderful world.

### **Boy Meets Boy**

This harrowing mystery, winner of the Philippine National Book Award, follows two Catholic priests on the hunt through Manila for a brutal serial killer Payatas, a 50-acre dump northeast of Manila's Quezon City, is home to thousands of people who live off of what they can scavenge there. It is one of the poorest neighborhoods in a city whose law enforcement is already stretched thin, devoid of forensic resources and rife with corruption. So when the eviscerated bodies of preteen boys begin to appear in the dump heaps, there is no one to seek justice on their behalf. In the rainy summer of 1997, two

Jesuit priests take the matter of protecting their flock into their own hands. Father Gus Saenz is a respected forensic anthropologist, one of the few in the Philippines, and has been tapped by the Director of the National Bureau of Investigations as a backup for police efforts. Together with his protégé, Father Jerome Lucero, a psychologist, Saenz dedicates himself to tracking down the monster preying on these impoverished boys. *Smaller and Smaller Circles*, widely regarded as the first Filipino crime novel, is a poetic masterpiece of literary noir, a sensitive depiction of a time and place, and a fascinating story about the Catholic Church and its place in its devotees' lives.

### **Enjoying the Chase**

From one of theater's most outrageous comic talents, two plays—one a Pulitzer Prize in Drama finalist, the other a twisted take on Christmas classics. In this book, Christopher Durang, the criminally funny author of Sister Mary Ignatius Explains It All for You, presents two plays about death, religion, and a creamy Christmas pudding. In Miss Witherspoon—named one of

the Ten Best Plays of 2005 by both Time and Newsday—Veronica, a recent suicide whose cantankerous attitude has not improved in the afterlife, discovers that the one thing worse than the world she left behind is having to go back for seconds. Ordered to cleanse her “brown tweedy aura,” Veronica resists being reincarnated (as a trailer-trash teen or an overexcited Golden Retriever), only to find that she may be mankind’s last, best hope for survival. In Mrs. Bob Cratchit’s Wild Christmas Binge, a sassy ghost once again attempts to shake Scrooge from his holiday humbug, but the whole family-friendly affair is deliciously derailed by Mrs. Cratchit’s drunken insistence on stepping out of her miserable, treacly role. Morals are subverted, starving yet plucky children sing carols, and somebody’s goose is cooked as Durang lovingly skewers A Christmas Carol, It’s a Wonderful Life, and many more to create a brand-new, cracked Christmas classic.

### **The Disobedient Bride**

Tom Rademacher wishes someone had handed him this sort of book along with his teaching degree: a clear-eyed, frank, boots-on-the-ground account of what he was getting into. But first he had to write it. And as 2014's Minnesota Teacher of the Year, Rademacher knows what he's talking about. Less a how-to manual than a tribute to an impossible and impossibly rewarding profession, *It Won't Be Easy* captures the experience of teaching in all its messy glory. The book follows a year of teaching, with each chapter tackling a different aspect of the job. Pulling no punches (and resisting no punch lines), he writes about establishing yourself in a new building; teaching meaningful classes, keeping students a priority; investigating how race, gender, and identity affect your work; and why it's a good idea to keep an extra pair of pants at school. Along the way he answers the inevitable and the unanticipated questions, from what to do with Google to how to tell if you're really a terrible teacher, to why "Keep your head down" might well be the worst advice for a new teacher. Though directed at prospective and newer teachers, *It Won't Be Easy* is mercifully short on jargon and long on practical wisdom, accessible to anyone—teacher, student, parent, pundit—who is interested in a behind-the-curtain look at teaching and willing to understand that, while there are no simple answers, there is power in learning to ask the right questions.

## **Have You Seen this Girl?**

A New York Times Notable Book and the March 2001 selection of Oprah's Book Club® ! Icy Sparks is the sad, funny and transcendent tale of a young girl growing up in the mountains of Eastern Kentucky during the 1950's. Gwyn Hyman Rubio's beautifully written first novel revolves around Icy Sparks, an unforgettable heroine in the tradition of Scout in To Kill a Mockingbird or Will Treed in Cold Sassy Tree. At the age of ten, Icy, a bright, curious child orphaned as a baby but raised by adoring grandparents, begins to have strange experiences. Try as she might, her "secrets"—verbal croaks, groans, and physical spasms—keep afflicting her. As an adult, she will find out she has Tourette's Syndrome, a rare neurological disorder, but for years her behavior is the source of mystery, confusion, and deep humiliation. Narrated by a grown up Icy, the book chronicles a difficult, but ultimately hilarious and heartwarming journey, from her first spasms to her self-acceptance as a young woman. Curious about life beyond the hills, talented, and energetic, Icy learns to cut through all barriers—physical, mental, and spiritual—in order to find community and acceptance. Along her journey, Icy faces the jeers of her classmates as well as the malevolence of her often-ignorant teachers—including Mrs. Stilton, one of the most evil fourth grade teachers ever created by a writer. Called willful by her teachers and "Frog Child" by her schoolmates, she is exiled from the schoolroom and sent to a children's asylum where it is hoped that the roots of her mysterious behavior can be discovered. Here Icy learns about difference—her own and those who are even more scarred than she. Yet, it isn't until Icy returns home that she really begins to flower, especially through her friendship with the eccentric and obese Miss Emily, who knows first-hand how it feels to be an outcast in this tightly knit Appalachian community. Under Miss Emily's tutelage, Icy learns about life's struggles and rewards, survives her first comical and heartbreaking misadventure with romance, discovers the healing power of her voice when she sings, and ultimately—takes her first steps back into the world. Gwyn Hyman Rubio's Icy Sparks is a fresh, original, and completely redeeming novel about learning to overcome others' ignorance and celebrate the differences that make each of us unique.
