The New York Yankees are one of baseball's most iconic franchises and as much a part of New York as the Statue of Liberty and the Empire State Building. From Joe DiMaggio and Derek Jeter to Babe Ruth and Masahiro Tanaka, from Hall of Famers to rookie busts, the Yankees are baseball's most beloved franchise. Jim Kaat, who has the unique experience of playing for the Yankees as well as calling games for them in the booth, had a prime seat to watch it all unfold. In this book, Kaat and Greg Jennings provide a closer look at the great moments and the lowlights that have made the Yankees one of baseball's keystone teams. Through the words of the players, via multiple interviews conducted with current and past Yankees,

readers will meet the players, coaches, and management and share in their moments of greatness and defeat. Readers will find access to the clubhouse as Kaat recounts moments such as Jeter's last contest at Yankee Stadium; David Wells' perfect game; and the elation of the 1996, 1998, 1999, and 2000 World Series championships. It is a book that New York baseball fans will not want to be without.

"Plumley's humor sparkles in this thoroughly

engaging tale about what's real and what isn't." --Booklist (starred review) Nationally bestselling author Lisa Plumley has charmed readers and critics alike with her gift for sparkling screwball romance. Now, she turns reality TV upside down with a totally different take on prime-time love After her long-running sitcom is cancelled, actress Marley Madison finds herself a typecast has-been at the ripe old age of twenty-seven. Her career needs a jump-start, fast--and an incognito appearance on the hit reality game show Dream Date will prove her acting ability to the world. But before long, she finds herself wanting to prove something entirely different to her fellow contestant, Jake Jarvis. There's something decidedly un-Hollywood about Jake, a sportscaster whose laid-back charm belies something deeper than an intimate understanding of box scores. And the better Marley gets to know him, the harder it is to remember her motivation. Because she's beginning to realize that what makes her career could break both their hearts--if reality and honesty are on different wavelengths "Engaging, well-developed protagonists and an abundance of appealing secondary characters, especially an adorable four-year-old and the heroine's geeky twin sister, who definitely needs her own story, add to the fun. This effervescent and heartwarming comedy will appeal to fans of Rachel Gibson and Elizabeth Bevarly." --Library Journal "Perfect Together is the perfect recipe for an entertaining and satisfying romantic read. I'm hastily jotting down this author's backlist for my next trip to the bookstore, because this one was so delightful." --The Romance Reader's Connection "Lisa Plumley scores another big winner with Perfect Together. An ensemble of fabulous

characters, smart and often very funny dialogue, fine pacing and some great comedic scenes is an expert combination that will often have you laughing out loud and smiling long after you turn the last page." --Bookloons "Plumley is becoming a master at blending silly and poignant. She hits all the marks with 'Perfect Together!'"--The Oakland Press newspaper "I enjoyed this book from beginning to end!" -- Romance and Friends "Lisa Plumley creates charming characters. Her books are a delight!" -- USA Today best-selling author Rachel Gibson "Lisa Plumley is a comedic buried treasure! Screwball comedy with sizzle, Perfect Together blends laugh-out-loud antics and touching romance." --Romantic Times BOOKclub "Perfect Together is a perfectly spontaneous, perfectly fun fish-out-of-water splash!" -- Stephanie Bond, author of I Think I Love You

Every spring, Little Leaguers across the country mimic his stance and squabble over the right to wear his number, 2, the next number to be retired by the world's most famous ball team. Derek Jeter is their hero. He walks in the footsteps of Ruth, Gehrig, DiMaggio, and Mantle, and someday his shadow will loom just as large. Yet he has never been the best player in baseball. In fact, he hasn't always been the best player on his team. But his intangible grace and Jordanesque ability to play big in the biggest of postseason moments make him the face of the modern Yankee dynasty, and of America's game. In *The Captain*, best-selling author Ian O'Connor draws

on extensive reporting and unique access to Jeter that has spanned some fifteen years to reveal how a biracial kid from Michigan became New York's most beloved sports figure and the enduring symbol of the steroid-free athlete. O'Connor takes us behind the scenes of a legendary baseball life and career, from Jeter's early struggles in the minor leagues, when homesickness and errors in the field threatened a stillborn career, to his heady days as a Yankee superstar and prince of the city who squired some of the world's most beautiful women, to his tense battles with former best friend A-Rod. We also witness Jeter struggling to come to terms with his declining skills and the declining favor of the only organization he ever wanted to play for, leading to a contentious contract negotiation with the Yankees that left people wondering if Jeter might end his career in a uniform without pinstripes. Derek Jeter's march toward the Hall of Fame has been dignified and certain, but behind that leadership and hero's grace there are hidden struggles and complexities that have never been explored, until now. As Jeter closes in on 3,000 hits, a number no Yankee has ever touched, The Captain offers an incisive, exhilarating, and revealing new look at one of the game's greatest players in the gloaming of his career.

### **Dusty**

August 30, 2018 marks the 100th birthday of the former Boston Red Sox outfielder and baseball legend. In *Being Ted Williams*, esteemed sportscaster Dick Enberg offers a series of personal anecdotes that loosely follow Ted's life from his childhood in San Diego, to his fun teenage years playing in the Pacific Coast League, his glorious yet frustrating Red Sox career, his heroic actions as a fighter pilot in two wars (as John Glenn's favorite wing-man), and his post-career years leading to his heart-rending appearance at age eighty at the 1999 All-Star Game. Though other books have recounted Williams's career, none have done so through the eyes of someone like Enberg, who followed Ted's career as just a young

boy, trying to emulate his classic swing, then as a broadcaster, and finally as a friend, when the two men could enjoy numerous get-togethers until Ted's passing in 2002. Enberg also weaves in personal stories and commentary on what it means to be a hero from other legendary sports figures, such as Bobby Knight, Vin Scully, Bill Walton, and many more. *Being Ted Williams* makes the perfect gift for the baseball fan looking for a unique perspective on one of the sport's greatest legends through the lens of one of the best broadcasters in the game's history.

### **Dick Enberg's Humorous Quotes for All Occasions**

The “affectionate...charming” (Kirkus Reviews) story of Tim Shanahan’s remarkable and little-known forty-year friendship with boxing legend Muhammad Ali, filled with stories never told as well as never-before-published personal photos. In 1975, Tim Shanahan was a medical instruments salesman living in Chicago and working with a charity that arranged for pro athletes to speak to underprivileged kids. Muhammad

Ali had just reclaimed his title as heavyweight champion of the world by defeating George Foreman (the “Rumble in the Jungle”) and then successfully defended it in a rematch against Joe Frazier (the “Thrilla in Manila”). When Shanahan learned Ali was planning a move to Chicago, he contacted the Champ to ask whether he would participate in the charity program. Not only did Ali agree, he invited Shanahan to his new home, where the two spent a night talking, laughing, and bonding over bowls of ice cream—the beginning of an incredible friendship. Ali soon enlisted Shanahan as his early morning running partner. Quickly, Shanahan became a trusted confidant and travel companion, and Ali often stunned strangers by introducing Shanahan as his cousin. The two grew even closer over family dinners with Shanahan’s wife, Helga, and Ali’s wife, Veronica. Shanahan was with Ali as the Champ trained for his legendary battles with Ken Norton, Earnie Shavers, Leon Spinks, and Larry Holmes, and moved to Los Angeles with Ali when the Champ prepared for a life after boxing. Shanahan was a recipient of and witness to Ali’s tremendous generosity, and as Ali’s health began to deteriorate, Shanahan had a chance to return the favor, encouraging and comforting his ailing friend. Running with the Champ is an insightful personal portrait of the Greatest of All Time. But, above all, it is a touching, candid narrative of an extraordinary friendship that continued until Ali's death.

UCLA basketball is history as much as tradition. From

the early days when the lack of reasonable travel options forced the Bruins to play local high school teams, to the World War II years against the studio teams from Hollywood, to the almost surreal success during the 1960s and 70s, to beyond. Jackie Robinson played basketball at UCLA. So did Rafer Johnson. They were part of the era when the Bruins often struggled for wins, strange as that would come to sound for a program that would one day have 88 of them in a row. Lew Alcindor came from the East to dominate, Bill Walton from the West to maintain the greatness, John Wooden from the heartland of Indiana to lead them both, and to lead them all. The Bruin 100 recounts—in order of importance to the sport and the programs—how Wooden nearly didn't come to UCLA and the moment when Alcindor was glad he did. It chronicles the guard who later won the Nobel Peace Prize, the forward who helped save a life in the afternoon and a team later that night, the center who wasn't a superstar but played like it to keep the dynasty alive. It brings back the people and the moments, the most storied games in the most successful of programs. The national championships, the loss to Houston in what has been called the Game of the Century. The record winning streak, the loss to North Carolina State in the Final Four that still pains. The coast-to-coast run by Tyus Edney against Missouri, the even-more-improbable run by Larry Brown's underdog team to reach the title game. Relive the tradition, some parts of which are not even detailed in the record books, through photos and anecdotes and the foreword by Kareem Abdul-Jabbar. Or live it for the first time.
