New from the Shelly Cashman Series, a hands-on introduction to the Internet that covers both basic and technical Internet concepts and skills.

Discovering the Internet: Complete

Master the latest version of Microsoft Office and take advantage of today's ever-changing world of technology with TECHNOLOGY FOR SUCCESS AND SHELLY CASHMAN SERIES MICROSOFT OFFICE 365 & OFFICE 2019. Part of the highly acclaimed Shelly Cashman Series that has introduced computer skills to millions of students like you, this edition offers a proven approach that's effective, no matter what your learning style. Meaningful topics within manageable lessons demonstrate how to apply concepts to your academic, professional, and personal lives. A step-by-step, screen-by-screen approach guides you in expanding your understanding of Microsoft Office 2019 through experimentation, critical thought and personalization. Updated activities, case scenarios and an emphasis on employability demonstrate the

importance of what you're learning as you master the keys to using Microsoft Office 2019 effectively and become a user of today's technology.

Discovering the Internet

Web 2.0 provides dynamic and comprehensive coverage of the most current information available on Web 2.0 today. Students will gain a solid understanding of the current trends in technology and concepts associated with interactive information sharing and new web applications. Students will gain knowledge of web-based communities, social-networking, video and filing sharing sites as well as blogging, wikis and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Shelly Cashman Series Microsoft® Office 365 and Office 2019 Introductory, Loose-Leaf Version

Kurt Holland wants the best for his younger brother, which is why he moves Sam to Bridgeport, Ohio. It's a bigger town with a well-known high school. Just the place to give his little brother more opportunities—maybe even a scholarship to college. Kurt hopes his gamble pays off, since Sam's future isn't the only thing riding on it. Kurt's put most of his savings into a new landscaping business there, too. But when Sam gets in trouble for fighting at school, Kurt isn't so sure it was the right decision until he

meets Sam's English teacher. Emily Springer is passionate about helping all of her students succeed, but there's something about Sam Holland that makes her want to go the extra mile. When he's caught in a fight at school, she goes to bat in his defense, and during a conference with the principal she meets Sam's rugged older brother—and guardian. Emily has a strict no-dating policy when it comes to her students' parents, but Kurt isn't technically Sam's parent. It's OK to bend the rules a little bit, right? In an effort to make some friends and find a place in the Bridgeport community, Kurt starts up a weekly poker game in his garage. It's not long before everyone wants in, and they all soon discover that these Friday night poker gatherings are about more than just the game. Shelley Shepard Gray's new Bridgeport Social Club series is about men who need a place to call home, a community in need of hope, and a group of women who are special enough to help both things happen. This first installment is genuine and heartfelt. It's filled with hope, warmth, and the belief that love and acceptance can overcome any tough situation.

A+ Guide to IT Technical Support (Hardware and Software)

Discovering the Internet

Shelly Cashman Series Discovering Computers & Microsoft Office 365 & Office 2016: A Fundamental Combined

Approach

Frankenstein; or, The Modern Prometheus is a novel written by Mary Shelley about a creature produced by an unorthodox scientific experiment. Shelley started writing the story when she was nineteen, and the novel was published when she was twenty-one. The first edition was published anonymously in London in 1818. Shelley's name appears on the second edition, published in France in 1823. The original 1818 'Uncensored' Edition of Frankenstein as first published anonymously in 1818. This original version is much more true to the spirit of the author's original intentions than the heavily revised 1831 edition, edited by Shelley, in part, because of pressure to make the story more conservative. Many scholars prefer the 1818 text to the more common 1831 edition. Mary Wollstonecraft Shelley (1797–1851) was an English novelist, short story writer, dramatist, essayist, biographer, and travel writer, best known for her Gothic novel Frankenstein: or, The Modern Prometheus.

FRANKENSTEIN (The Original 1818 Edition)

Mice

Shelley, darling,' Mum said. 'Don't be frightened. He just wants money. If we do everything he says, he's going to go away and leave us alone.' I didn't believe her, and I could tell from the trembling of her hands and the catch in her voice that she didn't believe it herself. When a cat gets into the mousehole, it doesn't go away leaving the mice unharmed. I knew how this story was going to end. Shelley and her mum have been bullied long enough. When they retreat to an isolated cottage in the country, they think their troubles are over, and they revel in their cosy, secure life. But one night, an intruder disturbs their peace and something inside Shelley snaps. What happens next will shatter all their certainties.

Dear Opl

When a prophesy brings war to the Land of the Black Hills, Keeley Smythe must join forces with a clan of mountain warriors who are really centaurs in a thrilling new fantasy romance series from New York Times bestselling author G.A. Aiken. The Old King Is Dead With the demise of the Old King, there's a prophesy that a queen will ascend to the throne of the Black Hills. Bad news for the king's sons, who are prepared to defend their birthright against all comers. But for blacksmith Keeley Smythe, war is great for business. Until it looks like the chosen queen will be Beatrix, her younger sister. Now it's all Keeley can do to protect her family from the enraged royals. Luckily, Keeley doesn't have to fight alone. Because thundering to her aid comes a clan of kilt-wearing

mountain warriors called the Amichai. Not the most socially adept group, but soldiers have never bothered Keeley, and rough, gruff Caid, actually seems to respect her. A good thing because the fierce warrior will be by her side for a much longer ride than any prophesy ever envisioned Praise for The Dragon Who Loved Me "A chest thumping, mead-hall rocking, enemy slaying brawl of a good book." --All Things Urban Fantasy "Aiken aces another one." --RT Book Reviews, 4 Stars

Shelly Cashman Series Microsoft Office 365 & Outlook 2016: Introductory

Part memoir, part manifesto, Soulbbatical is an invitation to become Chief Soul Officer of your own life—and to open up a whole new world of possibility. Former Harley-Davidson executive Shelley Paxton did just that. She walked away at the peak of her twenty-six-year marketing career and embarked on a

profoundly personal journey to reconnect with her true purpose and deepest desires. She called it her "Soulbbatical," and it not only changed her life, it became her calling. Paxton had a wildly successful life by most definitions—iconic brands, executive titles, and a globe-trotting career that took her to over sixty countries. She had one of the coolest jobs in the world, yet couldn't shake the feeling that she had lost herself along the way. Something was missing. Here, she takes you on a sometimes harrowing, often hilarious journey through the illness, divorce, addiction, and tragedy that finally woke her up. Suddenly she was rebelling for her best life, and embracing a new mission: to encourage others to live their most authentic, courageous, and purposeful lives—today. Soulbbatical is an unconventional, exhilarating, and totally badass road map to discovering what you really want—and getting it. Because no matter how far you've strayed from your soul's true path, it's never too late for transformation.

The Blacksmith Queen
