The Gay Test

A few years back the term "sissy" was used in a pejorative manner to describe a man who was a "little feminine", had a "girly taste" in colors and style, and was interested in things considered to be meant "only for women". If you are saying, "What's wrong with that"well, there is nothing wrong with thatbut it was considered to be wrong in the past. Things have changed now. Gender identities are no longer confined to "male" and "female". You could be a cross-dresser or a transgender or a transsexual and you are absolutely fine and have the same legal rights as those who confirm with the two main gender identities of male and female. Sissy is no longer a negative word. People are actually proud to be a sissy. But what about you? Are you a sissy? Are you confused? May be you are not sure whether you are a sissy or not? Well, don't you worrytake this quiz and find out whether you are a sissy or not? Once you are through answering the questions, check out the scoring chart at the end and tally up your scores to find out where you stand on the macho and sissy scale. Good luck!

How to be a Sissy

Do you want to feminize a male, or you as a male want, or have been told to, become feminized? Feminization: 1) To give a feminine appearance or character to. 2) To cause (a male) to assume feminine characteristics. This is not for those who wish to permanently change their gender, but rather for those who wish to feminize temporarily, though sometimes repeatedly and regularly, in order to proficiently crossdress as a woman. This feminization guide is for a male by gender who, may, or may not be, a "real" man by some opinions, but nonetheless a male, who has chosen, or has been told to, or is being coerced into, becoming feminine in appearance and character. This guide is to be given to those who have been tasked with becoming a feminized male as part of a process to feminize them, or purchased for use by males who wish to feminize themselves. It doesn't have any magic potions or formulas, special makeup or fancy tools, use any drugs or surgery. It does cover all the aspects of eliminating the 'man markers' that set males aside from women, and make a male less feminine than they could ultimately be. It will demasculinize anything that may have had a masculine overtone with the male. It will also aid the feminized male to feel more sensual and sexy in a feminine role. The guide is short - about 15.000 words and around sixty pages, but covers eliminating the things that keep a male from becoming as fully feminized as much as their male body and characteristics allow. After the male has read this, acted upon this information fully, and practiced, he will be the best feminized male he can be. He will reach crossdressing perfection as a male to female (MTF) cross dresser. He will have the routines of maintenance and upkeep of the feminized male body, which will keep him ready, and most likely anxious, to fairly quickly, crossdress at the request of their wife, mistress, or whim of his own. Whether the reason be from femdom, a wife led relationship, female led relationship, cuckolding, cuckoldry, a hot wife, male chastity, forced crossdressing, forced chastity, female domination, submissive training, sissy training, or purely their own desire to become feminine, a diligent male student who incorporates the information in this guide with passion and drive will become the perfect crossdressing male, as fully feminized as possible. Upon following the elements in this guide, the feminized male will be able to proudly display how feminine he has become to anyone he, or the one who coerced him, choose to. Should this be a singular undertaking, the individual will be able to see and feel the difference in the degree of feminization they have achieved after practicing and perfecting the elements, and thus, bring greater pleasure and satisfaction to the resulting feminization. This will be time consuming and will require dedication and diligence in order for a male to feminize to his best. If you are purchasing this for yourself, or someone else, beware of that in order to allow the necessary time and resources. Look inside now. Buy yourself a copy, or give one to a male you want to feminize. It is a small, but valuable investment in a male's journey toward maximum feminization.

Forced Feminization

Transgender is not the same as being transsexual. A transsexual was born one gender and transitions to the other. A transgendered person can be a man who is married to a woman. This man may dress in women's clothing, expressing himself as a woman at times. Gender has its roots in the mind, if you will. The Transgendered person doesn't relate only to the sex they were born into. They may not feel comfortable in identifying with a sexual identity at all. They can see themselves not as a man or woman, just as a human. Transgendered people have their identity in many facets. A transgendered woman may dress like a man. She may feel a stronger foundation within a suit and tie. She can be gay, straight or bi-sexual. The confinement of a term at all may seem limiting to a transgendered person. Can we just be who we are, not what our sex makes us?

The Sissy Test

Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress!

Sissy Chastity Assignments for Sissy Bois

What makes people want to be kinky? Doctors have discovered that they did not come from overly violent homes, nor are they social outcasts that live on the edge of society, they are normal everyday people that have jobs, families, and social responsibilities. The truth is that some of us are gifted with a desire for the mystery and control of kink while others are not. For centuries, kink has been hidden in the deepest closets and become the shame and secret that people hide. We are just now achieving a comfort level with sexuality that allows for people to be more open about their desires without persecution. Let's start with what kink is and is not. Some call it BDSM which simply stands for bondage & dominance and sadism & masochism. The two terms used to be separate and now they are used in unison to describe more accurately the strong connection between the two. Kink is many things to many people to some it is the one outlet that can be used to lose complete control and become an obedient submissive. To others, it is a way to dominate and express appreciation for another through discipline. Some practice kinks on themselves and do not require a partner for arousal. Kink involves many areas of sexual play and is considered an underground subculture that can be a one-time event or a lifestyle. With all of the elements available for a kink enthusiast, it is difficult to know where to get started for a decent drive by education. This book contains a short synopsis of kink but is not a complete education and does not claim to be. Kink is a lifestyle and with all lifestyle choices must be experienced and lived to be fully learned. I can read a book about surviving in the wilderness, but that doesn't mean that I can actually survive.

The Sissy Trainer Mrs. Pennysaver

Female Domination, Forced Feminization, Male Chastity, Humiliation, Bondage, Discipline, Pegging, Strap-on play, all with dubious consent. This story revisits the lovely 'Sadistic Sadie' from 'Human Dog: Puppy Play Erotica'. David is in town to sign on, he calls for a pint while he's there and gets mocked for being a 'dole dosser' by a beautiful female photographer who joins him at the bar. He claims he wants to work and that he'd take anything that was offered to him, what he didn't realize was that he was about to be offered a job a model for fetish, BDSM, female domination and Forced Feminization photographs. After being more or less bullied into agreeing to it he finds himself driven to her studio only to be directed into performing humiliating acts for her camera, cross-dressing and acting quite the sissy. At the end of the shoot, he's ended up locked into a severe and cruel 'Kali's Teeth Bracelet' or KTB chastity device, which prevents erections and playing with himself. His dominant photographer has taken a shine to him though and though she doesn't have the key to his device, offers for him to stay for a while afterwards. His treatment as a submissive and her constant verbal humiliation of him has a profound effect on him, making him more and more submissive. When he gets home that night, still locked firmly in the KTB chastity device and partially feminized, he finds his sister taking advantage of his situation and humiliating him further. The

next day, he begins by being further feminized at the Beautician's and then finds the mysterious, dominant girl he saw leading a guy out of the 'Highway Man' the previous week is going to be the female model dominating him. Just when things couldn't get any worse he finds himself on the receiving end of severe corporal punishment, in the shape of spanking and caning for the camera, then he gets the full forced feminization treatment as he's turned into a submissive, chaste, sissy maid. The final insult comes when Sadie violates him for the camera, giving him a pegging whilst feminized and in chastity that he will never forget. At the end of the shoot, Helen has enjoyed using him as both her model and sissy slave she offers him a choice, take the royalty payments and go, or become her live-in, chaste sissy maid and fetish photography model.

Obnoxious Businessman Is Forced To Become A Crossdressing Sissy Maid

This is NOT a story per se. One definition of tableau, plural tableaux: “a striking and vivid representation”. And that is what is here. Scenes rather than complete stories. In fact, they are mostly scenes from stories on which I got ‘stuck’. I simply was not able to finish them. However, the scenes themselves are jolly good, if I say so myself — ‘striking and vivid’ in fact! Some of them are longer than others. The shorter ones ought really to be illustrations, but alas! I am no sketch-artist. As regular readers will know, I write three types of story. Hard Femdom Fantasy, where the dominant women are cruel, merciless, unrelenting, and do not take no for an answer! Usually non-consensual; hard labour; frequent severe punishment; nudity and chastity non-negotiable! Romantic Femdom Fantasy, exploring the world of female-led relationships in a domestic setting, is femdom with a softer edge. It could also be called Domestic Femdom, as it generally concerns wives/girlfriends in a more ‘realistic’ setting than the hard stuff. Frilly Femdom Fantasy explores the world of forced feminisation. Can be quite hard or quite soft, but generally leans towards the harder edge of things. I also have various characters. Sometimes my ladies are young, sometimes mature; sometimes they are svelte, sometimes they are BBW; and sometimes their victims are mere lads, sometimes older men. All these various themes are represented here. So this is in effect a sampler of my work. If you have been dithering about whether to buy a Miranda Birch story, it might be an idea to buy this. If you like some of the scenes here, I am sure that you will like some of my other stories as well. The Dominatrix Manual

How do you know whether you are gay or not? In fact, how can anyone know whether they are homosexual or heterosexual or bisexual? If this is the question that's bothering you, the first thing that you need to do is let go of the stereotypes. Just because you are not as macho as your college football captain does not mean that you are gay. In fact, you could actually be the captain of your football team and be a homosexual rather than a heterosexual. This basically means that gay men do not look different from your "normal" heterosexual male. They are not necessarily more feminine than straight men and they may be as interested in dressing up like a regular male. So, maybe someone just mentioned it to you that you may be gay. Or maybe someone just suggested that you have "too feminine" tastes, implying that you may be gay. This probably confused you and you wanted to just check out whether you are indeed gay. Don't you worry; this quiz will surely help you. But before we do begin with the quiz, here is one thing that you should keep in mind. The stereotypes that you or your friends have about gays are probably all incorrect. You are not gay because you are good at keeping your house clean, or you are good at picking up the right clothes, or because you dress up neatly. You are gay because you are physically and sexually attracted to men and not women. You are gay because you form strong lasting emotional sexual bonds with men and not women. You are gay because you have a strong inclination towards getting intimate with men than women. You fantasize more about getting sexually involved with men rather than women. In short, do not use the common stereotypes that society has taught you about gays to determine your sexual orientation. Instead, this should depend on the physical and sexual attraction you feel for same sex individuals. So, are you more sexually attracted to men than women? This is the question that you should ask yourself. Still confused? Take The Gay Test and find out the truth.
