Is bigger better? You bet it is, when it's a big-bore revolver! Big-Bore Revolvers offers a one-stop resource for the wheelgun novice to the hardened veteran and everyone in between. With in-depth coverage of commercial and wildcat calibers and their effectiveness, theoretical and actual application of terminal ballistics and a detailed look at today's available revolver platforms, this is the most comprehensive book ever published on the topic. Inside you'll find: A one-stop

resource for everything you want and need to know about big-bore revolvers
Foreword by Dick Casull, modern big-bore revolver pioneer and father of the
cartridge that carries his name--the famous .454 Casull A comprehensive look at
dozens of oversized cartridges, their designers and ballistics Detailed descriptions
of the power-house revolvers that can handle big-bore loads--even if you can't!
More than 250 full-color photos, highlighting cartridge comparisons, the revolvers
themselves, and the big and dangerous game that are no match for the
devastating power of these firearms. And much, much more! With a special look at
the pioneers behind the big-bore revolution, and hunt stories as giant as the guns
and cartridges themselves, this is one book every handgun lover and hunter will
want to read cover to cover. Authored by big-bore revolver aficionado Max Prasac,
and with collaboration from John Parker and Jack Huntington, two of the most
authoritative names in big-bore revolver circles, this compendium of facts, history
and first-hand experiences behind the sights fills a long-vacant niche.

Gung-ho

Guns Illustrated 2005

Let's face it we don't leave the hospital with a booklet that contains all the ins and

outs of being a parent. Children don't come programmed nor do they have an on off switch, a rewind or fast forward. We just have to figure it out and hope we get it right. This is a simple down to earth book packed with exciting information, from the complications of breast feeding to life with a teen. Keeping it simple was the main idea for this book.
