As the school year draws to a close, Ruth and her friends plan a trip to Lighthouse Point with Jennie "Heavy" Stone. Mary Cox makes a point of telling Heavy that she has been slighted and that only members of Ruth's club are invited to go on the trip. At Ruth's insistence and under the other girls' protests, Heavy invites Mary along on the trip. On the way home after the last day of school, Mary Cox slips and

falls off the boat into the water. Ruth saves Mary, who cannot swim, from drowning. Mary snubs Ruth and refuses to thank her. Later, Ruth returns to the Red Mill and finds that Uncle Jabez has lost a large sum of money by investing it in an old mine out west. Uncle Jabez feels that he cannot afford to send Ruth back to Briarwood Hall for a second year. Ruth leaves for Lighthouse Point with this unpleasant thought uppermost in her thoughts. She was unconscious when they lifted her out. During their stay at Lighthouse Point, a girl named Nita is rescued from a sinking ship. It turns out that Nita has run away from a western ranch, and her real name is Jane Hicks. Before Ruth and her friends leave Lighthouse Point, Jane Hicks is reunited with her uncle, and the Hickses invite Ruth and her friends out to Silver Ranch on a vacation.

In the year 2087, life happens fast. Ben Zieglar, the main character and protagonist, is a product of this situation. Ben is a manager for Benevolence Corporation (B Corp.). B Corp is one of three main corporations in The Country (formerly the USA but referred to throughout the novel as The Country). The Country has cut itself off from the world and has fallen behind quite a ways in relation to the other powers of the world. At the corporations and throughout society, there are 3 levels of people. The highest levels are the Founders, who have acquired massive wealth and for the general advancement of mankind, control society. This is a small percent of people in The Country, less than even 0.1% of the people.On his walk home, Ben sees a lovely dark haired tan woman with Greenish-Blue Eyes. Ben doesn't talk to her and instead goes home. He then falls asleep and goes to work the next day. There at work, Ben meets his newest co-worker Jessica and they immediately hit it off. Then, the number 2 at B corp., Jonathan Vilheim II(2), is introduced into the novel. His uncle Jonathan, the first, is the current CEO. But Vilheim 2 is starting to run the entity and was instrumental in bringing Jessica into town. Vilheim 2 is the antagonist although at first it is unclear whether he is good or evil.Ben's best friend and co-worker Wally Elmore is introduced to the novel. Wally is a Founder himself and is a good friend to Ben. Wally is a little eccentric in his dress and only wears old style Vintage tuxedos. Wally has a twin brother Thomas, who is 5 minutes older than Wally. Thomas is the

head of F corp. (Faction) and makes his way to town for the annual Elmore party. Wally and Thomas' relationship is strained because Thomas is a rebel and does not participate in the society of Ultra City (B Corp.) or Los Angeles (M corp.). Thomas, however, is quite smart, and due to his power, the technologically advanced societies must deal with him. Thomas meets Ben and believes he can turn Ben to the Faction.Next, a series of events is set off that threatens to unravel the delicate balance of society in the Year 2087.

Excerpt from Junior Endeavor in Theory and Practice There are no theories set forth

in these pages simply as theories. They have all been worked in many societies, and most of them have been tried in my own Junior society in the course of a good many years of work with and for the children. One cannot wander around the world, and visit Christian workers in many lands, without consulting as to plans and methods, and whenever I have read or heard of a plan that promised well, or have seen it tried, it has been my custom, when found, to make a note on, according to the suggestion of the famous Captain Cuttle. This book has been made up in no small part from Junior methods thus collected from many wise workers, who have been able to lead many children into the Kingdom.
