### **Bankruptcy**

This book focuses on the material covered in a typical law school course on Bankruptcy. It covers both business and consumer bankruptcy. The book explains basic bankruptcy concepts and then uses those concepts to make code provisions understandable.

### **Gilbert Law Summaries**

Bankruptcy is a complicated subject that covers a lot of ground. Bankruptcy lawyers can be found on Main Street and Wall Street. This efficient and effective guide to Bankruptcy will help you see the big picture. The authors focus on explaining the key concepts or building blocks that apply in any type of bankruptcy case, and then help you see those concepts in action in cases under the different chapters of the Bankruptcy Code, in proceedings ranging from individual consumer debtors in Chapter 7 or 13 to Fortune 500 Corporations in Chapter 11. To make the learning process more bearable, the authors have also infused the book with humor. Each of the authors is nationally-renowned law teacher who has practiced and taught Bankruptcy for many years. One of them is even a former bankruptcy judge. Based on that experience, in this book they have set forth understandable techniques for mastering the law governing bankruptcy law, procedure, and real-

world practice (in an exceedingly attractive manner).

The instant #1 NEW YORK TIMES Bestseller "A must read for anyone hoping to live a creative life I dare you not to be inspired to be brave, to be free, and to be curious." —PopSugar From the worldwide bestselling author of Eat Pray Love and City of Girls: the path to the vibrant, fulfilling life you've dreamed of. Readers of all ages and walks of life have drawn inspiration and empowerment from Elizabeth Gilbert's books for years. Now this beloved author digs deep into her own generative process to share her wisdom and unique perspective about creativity. With profound empathy and radiant generosity, she offers potent insights into the mysterious nature of inspiration. She asks us to embrace our curiosity and let go of needless suffering. She shows us how to tackle what we most love, and how to face down what we most fear. She discusses the attitudes, approaches, and habits we need in order to live our most creative lives. Balancing between soulful spirituality and cheerful pragmatism, Gilbert encourages us to uncover the "strange jewels" that are hidden within each of us. Whether we are looking to write

Exchange Act of 1934 (including Rule 10b-5, tender offers and repurchases of stock, regulation of proxy solicitations, liability for short-swing profits on insider transactions, and S.E.C. enforcement actions), regulation of the securities markets, multinational transactions, and the state regulation of securities transactions.

### **Principles of Bankruptcy Law**

"Essential in showcasing people who are persistent, clever, flawed, loving, struggling and full of contradictions, *Broke* affirms why it's worth solving the hardest problems in our most challenging cities in the first place." —Anna Clark, *The New York Times* "Through in-depth reporting of structural inequality as it affects real people in Detroit, Jodie Adams Kirshner's *Broke* examines one side of the economic divide in America" —Salon "What *Broke* really tells us is how systems of government, law and finance can crush even the hardest of boot-strap pullers." —Brian Alexander, author of *Glass House* A galvanizing, narrative account of a city's bankruptcy and its aftermath told through the lives of seven valiantly struggling Detroiters Bankruptcy and the austerity it represents have become a common "solution" for struggling American cities. What do the spending cuts and limited resources do to the lives of city residents? In *Broke*, Jodie Adams Kirshner follows seven Detroiters as they navigate life during and after their city's bankruptcy. Reggie loses his savings trying to make a habitable home for his family. Cindy fights drug use, prostitution, and dumping on her block. Lola

commutes two hours a day to her suburban job. For them, financial issues are mired within the larger ramifications of poor urban policies, restorative negligence on the state and federal level and—even before the decision to declare Detroit bankrupt in 2013—the root causes of a city’s fiscal demise. Like Matthew Desmond’s *Evicted, Broke* looks at what municipal distress means, not just on paper but in practical—and personal—terms. More than 40 percent of Detroit’s 700,000 residents fall below the poverty line. Post-bankruptcy, they struggle with a broken real estate market, school system, and job market—and their lives have not improved. Detroit is emblematic. Kirshner makes a powerful argument that cities—the economic engine of America—are never quite given the aid that they need by either the state or federal government for their residents to survive, not to mention flourish. Success for all America’s citizens depends on equity of opportunity.
