Navigate Coursebook

This book is for teachers interested in incorporating interaction online into their teaching. Interaction Online is a valuable resource for anyone who wants to incorporate an aspect of online interaction in their language teaching. It is relevant for use with online, blended or face-to-face courses and appropriate for a wide range of teachers and learning contexts. This handbook contains over 75 tried and tested activities, the majority of which can be carried out either synchronously or asynchronously. Activities are purposeful and foster interaction between and among learners and instructors, rather than between learner and machine, and make use of generic tools and applications, such as discussion forums, instant message services and Facebook.

Global

"English Unlimited is a six-level (A1 to C1) goals-based course for adults. Centred on purposeful, real-life objectives, it prepares learners to use English independently for global communication. Through universal topics and activities, and a focus on intercultural competence as a 'fifth skill', this international coursebook helps learners become more sensitive, more effective communicators. Teaching natural, dependable language, and with CEF goals at its core, it brings real life into the classroom and gives learners the skills and strategies to communicate confidently outside it. Explore sections provide the extra ingredients for enhancing communicative ability, from further development of speaking skills to independent learning strategies. The e-Portfolio DVD-ROM enables learners to create a 'can-do' record of their work and progress. It also provides reference tools and a vocabulary trainer."--Publisher's description.
