## **Daily Grams**

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Student's Book, Level 2. The Student's Book is the main component of Grammar and Beyond. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.

### **Crossroads 4**

When one defines "order" as a sorting of priorities, it becomes beautifully clear as to what Foucault is doing here. With virtuoso showmanship, he weaves an

intensely complex history of thought. He dips into literature, art, economics and even biology in *The Order of Things*, possibly one of the most significant, yet most overlooked, works of the twentieth century. Eclipsed by his later work on power and discourse, nonetheless it was *The Order of Things* that established Foucault's reputation as an intellectual giant. Pirouetting around the outer edge of language, Foucault unsettles the surface of literary writing. In describing the limitations of our usual taxonomies, he opens the door onto a whole new system of thought, one ripe with what he calls "exotic charm". Intellectual pyrotechnics from the master of critical thinking, this book is crucial reading for those who wish to gain insight into that odd beast called Postmodernism, and a must for any fan of Foucault.

## **180 Daily Teaching Lessons**

'Grammar Express Basic' é um material perfeito para auto-instrução ou uso em sala de aula. Grammar Express apresenta vocabulário de maneira controlada, várias ilustrações e um ritmo que ao mesmo tempo acompanha o nível dos alunos e os leva ao próximo nível. Além de possuir um programa claro, cada unidade de Grammar Express é apresentada em quatro páginas e a gramática é totalmente contextualizada em tópicos interessantes e relevantes aos alunos. Os Grammar Charts são claros, com Explanations, Examples e Usage Notes que ilustram como cada ponto gramatical é usado na linguagem do dia-a-dia. Grande variedade de exercícios contextualizados que progredem de um formato mais simples para mais

desafiador, enquanto freqüentes oportunidades de avaliação mantém o aluno no caminho do sucesso. Recursos adicionais incluem Apêndices com listas e informações úteis, Answer Key e Glossary de termos gramaticais.

### **The Order of Things**

Comprehensive course divided into 20 units, each focusing on a different grammar point. With glossary of grammar points, various exercises, illustrations, examples, and answers. Suitable for self-study, building vocabulary, and developing grammar skills.

### **Grammar Express with Answers**

### **Grammar Advantage**

Grammar Express is an intermediate to high-intermediate text that features four-page units that present and practice key grammar points. The text's concise, easy-to-follow format is organized into 76 thematic units featuring: A cartoon or piece of realia presenting the target grammar in a meaningful context to raise student interest and involvement. Clear grammar charts presenting the target grammar in

all its forms. Quick, self-access activities allowing students to discover the target grammar and manipulate its forms before they start studying its uses. Concise grammar explanations and multiple examples focusing on the meaning and uses of the target grammar. Two full pages of controlled practice exercises, including fill-ins, matching, multiple choice, and writing/editing skill builders. In addition, the text features: Fifteen SelfTests (one at the end of each part) offering additional opportunities for review and practice. A complete Answer Key to all self-check activities, practice exercises, and SelfTests. A dual platform CD-ROM (for PC and Macintosh) contains additional editing practice for in-class or self-study. The exercises include sentence-level and paragraph-level error correction correlated to every grammar point in the Student Book. Grammar Express has self-contained units that may be used in any order with any grammar course. It may be used as a classroom text or as a self-study handbook. This two-volume series combines a concise, easy-to-follow format- two pages of presentation followed by two pages to practice - to quickly bring English language learners up to speed.

### **Basic English Grammar**

This is an adaptation of Essential Grammar in Use for Thai elementary learners.

### **Grammar Express Basic With Answers**

#### **Basic Italian**

Now there's a Grammar Express designed just for beginning and low-intermediate students! Appropriate for self-study or classroom use, Grammar Express Basic uses highly controlled vocabulary, abundant illustrations, and slower pacing to quickly bring students up to speed. The program's concise, four-page units present and practice grammar points in context, using topics of interest and relevance to learners. Clear grammar charts with explanations, examples, and usage notes illustrate how English speakers use each grammar point. A variety of

contextualized exercises progress from simple to more challenging, while frequent opportunities for assessment keep readers on track for success. Additional support includes Appendices with helpful lists and information, an Answer Key, and a Glossary of grammar terms. Interactive CD-ROM provides additional practice including listening and speaking. Workbook extends the Student Book practice with two pages of additional exercises per unit. This two-volume series combines a concise, easy-to-follow format- two pages of presentation followed by two pages to practice - to quickly bring English language learners up to speed.

### **Basic Korean**

Why does language move some of us to anxiety or even rage? For centuries, sticklers have donned the cloak of authority to control how people use words. In this sensational new book, Robert Lane Greene strikes back to defend the fascinating, real-life diversity of this most basic human faculty. Along the way, he corrects Bill Bryson's "facts" about words, challenges the rhetoric of Lynne Truss's bestselling *Eats, Shoots & Leaves*, and explains why speech is a lot like jazz. Travel with Greene on a rollicking world tour that shows the role language beliefs play in shaping our identities, for good and ill. From the Tower of Babel to Atatürk's banning of Arabic script, he charts how language "experts" moved from myth-making to rule-making and from building cohesive communities to building modern nations. This enthralling book reveals that our arguments about language may

relate to something else entirely, and illuminates the rewards of being flexible with our words. You Are What You Speak will certainly get people talking. "This is a masterly survey of languageerudite and witty." - Julian Burnside

### **Macmillan English grammar in context. Advanced [with key,**

## **with CD-ROM]**

As featured in 'The Times' (18 Feb 2017). Professor Michael McCarthy, internationally renowned applied linguist, co-author of the 900-page 'Cambridge Grammar of English', author, co-author and editor of more than 50 books and 100 articles on the English language and the teaching of English, winner of an English-Speaking Union prize for one of his dictionaries, answers the awkward questions that regularly bother us all about English grammar. Most of us only vaguely remember what we were taught at school and are put off by long, tedious, dense and pedantic grammar manuals. This book is written in a concise, chatty, humorous and informal style. The A to Z format makes it easy to access and to find what you're looking for. It tells you in simple, plain language the difference between things that look similar (for example, 'alternate' versus 'alternative', 'made of' versus 'made from', 'its' versus 'it's'). It explains how to avoid going wrong with issues such as agreement between subjects and verbs or the choice of pronouns after prepositions. It presents solutions to a host of common, everyday grammatical problems and gives guidance on appropriate usage where more than one way of saying something exists. The entries also include advice on vocabulary, spelling, pronunciation, punctuation and style. Mike McCarthy believes in describing present-day standard English as it really is, not how people think it is or how they think it should be. He has worked for the last 35 years with computerised corpora of everyday written and spoken English texts and is known especially for his work

on the differences between the grammar of speaking and the grammar of writing. The example sentences he presents are clear, transparent illustrations of the grammatical conventions, based on his work with corpora and his extensive, detailed field-notes covering decades, gleaned from literature, correspondence, the media and ordinary conversation. He tells you what the traditional rules are as well as what people are writing or saying now, and gives reasons why you might choose one or the other. He is not afraid of change and sees the grammar of English as a living, evolving organism, which he demonstrates with occasional glances at grammars written in the distant and recent past. He loves and respects the many accents, varieties and dialects of English but tells you what the educated standard forms are, so that you can speak and write appropriately in different situations. He shows that speaking is not the same as writing, and that what can often pass unnoticed in speech may stick out like a grammatical sore thumb in formal writing. This book helps you to navigate the maze of grammatical alternatives and to make the right choice for the right occasion. It is a book to browse and enjoy, as well as being a useful reference work to keep on your bookshelf.
