The Hunger Games

From Walter Dean Myers comes a powerful and timely novel about the heroics and horror of war---a gripping companion to FALLEN ANGELS. Robin "Birdy" Perry, a new army recruit from Harlem, isn't quite sure why he joined the army, but he's sure where he's headed: Iraq. Birdy and the others in the Civilian Affairs Battalion are supposed to help secure and stabilize the country and successfully interact with the Iraqi people. Officially, the code name for their maneuvers is Operation Iraqi Freedom. But the young men and women in the CA unit have a simpler name for it: WAR

Capture the Flag

A coming-of-age story about learning to celebrate yourself -- and teaching the world to recognize you, too -- perfect for fans of R. J. Palacio's Wonder!

Gregor the Overlander

This harrowing tale of supernatural suspense kicks off a new series from the visionary mind of #1 New York Times bestselling author Scott Westerfeld. When a plane crash-lands in the arctic, eight young survivors step from the wreckage expecting to see nothing but ice and snow. Instead they find themselves lost in a strange jungle with no way to get home and little hope of rescue. Food is running out. Water is scarce. And the jungle is full of threats unlike anything the survivors have ever seen before--from razor-beaked shredder birds to carnivorous vines and much, much worse. With danger at every turn, these eight kids must learn to work together to survive. But cliques and rivalries threaten to tear them apart. And not everyone will make it out of the jungle alive.

The Eleventh Plague

Lisa Thompson's debut novel is a page-turning mystery with an emotionally-driven, complex character study at its core -- like Rear Window meets The Curious Incident of the Dog in the Night-Time. Matthew Corbin suffers from severe obsessive-compulsive disorder. He hasn't been to school in weeks. His hands are cracked and bleeding from cleaning. He refuses to leave his bedroom. To pass the time, he observes his neighbors from his bedroom window, making mundane notes about their habits as they bustle about the cul-de-sac. When a toddler staying next door goes missing, it becomes apparent that Matthew was the last person to see him alive. Suddenly, Matthew finds himself at the center of a high-stakes mystery, and every one of his neighbors is a suspect. Matthew is the key to figuring out what happened and potentially saving a child's life but is he able to do so if it means exposing his own secrets, and stepping out from the safety of his home?

Horizon: Horizon #1

In 1845, a disaster struck Ireland. Overnight, a mysterious blight attacked the potato crops, turning the potatoes black and destroying the only real food of nearly six million people. Over the next five years, the blight attacked again and again. These years are known today as the Great Irish Famine, a time when one million people died from starvation and disease and two million more fled their homeland. Black Potatoes is the compelling story of men, women, and children who defied landlords and searched empty fields for scraps of harvested vegetables and edible

weeds to eat, who walked several miles each day to hard-labor jobs for meager wages and to reach soup kitchens, and who committed crimes just to be sent to jail, where they were assured of a meal. It's the story of children and adults who suffered from starvation, disease, and the loss of family and friends, as well as those who died. Illustrated with black and white engravings, it's also the story of the heroes among the Irish people and how they held on to hope.

The Hunger But Mainly Death Games

Is secularism a positive force in the modern world? Or does it lead to fragmentation and disintegration? In *Saving Leonardo*, best-selling award-winning author Nancy Pearcey (Total Truth, coauthor *How Now Shall We Live?*) makes a compelling case that secularism is destructive and dehumanizing. Pearcey depicts the revolutionary thinkers and artists, the ideas and events, leading step by step to the unleashing of secular worldviews that undermine human dignity and liberty. She crafts a fresh approach that exposes the real-world impact of ideas in philosophy, science, art, literature, and film--voices that surround us in the classroom, in the movie theater, and in our living rooms. A former agnostic, Pearcey offers a persuasive case for historic Christianity as a holistic and humane alternative. She equips readers to counter the life-denying worldviews that are radically restructuring society and pervading our daily lives. Whether you are a devoted Christian, determined secularist, or don't know quite where you stand, reading *Saving Leonardo* will

unsettle established views and topple ideological idols. Includes more than 100 art reproductions and illustrations that bring the book's themes to life. Praise for *Saving Leonardo*: "A feast for the mind and for the eye. Nancy Pearcey not only is a trustworthy guide for a nuanced discussion on the relationship between culture and the gospel, but she is a gifted teacher as well . . . *Saving Leonardo* is a rare, precious gift to the churches and universities alike." Makoto Fujimura, artist and author of *Refractions: A Journey of Faith, Art, and Culture* "Nancy Pearcey has done it again and better than ever. She has taken the complex sophistication of the best cultural analysis and laid it out for any person to grasp, enjoy and use to live out their daily lives honoring Christ. An astounding accomplishment!" James W. Sire, author of *The Universe Next Door* "G. K. Chesterton said 'the danger when Men stop believing in God is not that they'll believe in nothing; but that they will believe in anything.' Nancy Pearcey understands where believing in anything leads and in this book she reveals where a secular philosophy is taking us. A balanced, fair, and impacting work!" Cal Thomas, syndicated and USA Today columnist "Nancy Pearcey helps a new generation of evangelicals to understand the worldview challenges we now face and to develop an intelligent and articulate Christian understanding . . . *Saving Leonardo* should be put in the hands of all those who should always be ready to give an answer--and that means all of us." R. Albert Mohler, Jr., president, The Southern Baptist Theological Seminary "Nancy Pearcey is an intellectual prophet in our day and one of Evangelicalism's foremost cultural observers. *Saving Leonardo* is a tour de force. In it, Pearcey provides a penetrating

analysis of the nature of contemporary secularism, a helpful exposition of how we got to the present situation, and a well-crafted strategy for changing the situation. This is her best effort yet . . . a must read." J. P. Moreland, distinguished professor of Philosophy, Biola University and author of *The God Question* "Nancy Pearcey is unsurpassed in the current generation of Christian thinkers . . . The magic continues with this book. Pearcey's virtues as a writer and thinker are once again fully evident in the range of material that she has mastered, the encyclopedic collection of data that she presents, and the analytic rigor with which she separates truth from error in worldviews. She is a prophetic voice for contemporary Christians." Leland Ryken, Clyde S. Kilby professor of English, Wheaton College "Brilliant . . . The book brings complex, abstract ideas down-to-earth -- or rather, down-to-life. . . . Saving Leonardo bridges the gaps between the arts and the sciences, the theoretical and the practical. The book not only argues for the unity of Christian truth but exemplifies that unity and shows it in action." Gene Edward Veith, provost, Patrick Henry College

Catching Fire (The Hunger Games, Book 2)

This book is for people who experience heartbreak over love notes with subject-verb disagreements for anyone who's ever considered hanging up the phone on people who pepper their speech with such gems as "irregardless," "expresso," or "disorientated" and for the earnest souls who wonder if it's "Woe is Me," or "Woe is I," or even "Woe am I." Martha Brockenbrough's *Things That Make Us (Sic)* is a laugh-out-loud guide to grammar and language, a snarkier American answer to Lynn Truss's runaway success, *Eats, Shoots & Leaves*. Brockenbrough is the founder of National Grammar Day and SPOGG -- the Society for the Promotion of Good Grammar -- and as serious as she is about proper usage, her voice is funny, irreverent, and never condescending. *Things That Make Us (Sic)* addresses common language stumbling stones such as evil twins, clichés, jargon, and flab, and offers all the spelling tips, hints, and rules that are fit to print. It's also hugely entertaining, with letters to high-profile language abusers, including David Hasselhoff, George W. Bush, and Canada's Maple Leafs [sic], as well as a letter to

--and a reply from -- Her Majesty, the Queen of England. Brockenbrough has written a unique compendium combining letters, pop culture references, handy cheat sheets, rants, and historical references that is as helpful as it is hilarious.

The Hunger Games

basis, n. There has to be a moment at the beginning when you wonder whether you're in love with the person or in love with the feeling of love itself. If the moment doesn't pass, that's it—you're done. And if the moment does pass, it never goes that far. It stands in the distance, ready for whenever you want it back. Sometimes it's even there when you thought you were searching for something else, like an escape route, or your lover's face. How does one talk about love? Do we even have the right words to describe something that can be both utterly mundane and completely transcendent, pulling us out of our everyday lives and making us feel a part of something greater than ourselves? Taking a unique approach to this problem, the nameless narrator of David Levithan's *The Lover's Dictionary* has constructed the story of his relationship as a dictionary. Through these short entries, he provides an intimate window into the great events and quotidian trifles of being within a couple, giving us an indelible and deeply moving portrait of love in our time.

Okay, okay, it's not worse than DEATH, but it's still pretty annoying.
