I Am Number Four: The Lost Files: The Fugitive

The Forgotten Ones is the thrilling sixth instalment of the Lost Files by Pittacus Lore. Mogadorian-turned-ally of the Garde, Adam, risks his life to help Sam Goode and his father Malcolm escape the Mogadorian base in Dulce, New Mexico. Using the Legacy that Number One bestowed upon him, he sacrifices himself and brings the entire facility crumbling down on his head. Miraculously, Adam survives in one piece, and discovers a secret the Mogadorians have been hiding from the Garde. Separated from his allies, Adam sets out on a quest to find the one thing the Garde have been missing all these years. The one thing that could turn the tide in this war . . . The fifth instalment of the Lost Files, *The Last Days of Lorien*, is the stunning prequel novella to the Lorien Legacies series by Pittacus Lore. Before Number Four and the other members of the Garde arrived on Earth, they lived on the planet Lorien. A planet filled with others who also possessed extraordinary abilities. A peaceful planet - until the day the Mogadorians attacked, and nearly annihilated, the Loric people. Told through the eyes of Sandor, Number Nine's Cêpan and one of only a handful of Loric survivors, this is what happened in those final days on Lorien. This is Sandor's story. The Rise of Nine

Nine of us came here. We look like you. We talk like you. We live among you. But we are not you. We can do things you dream of doing. We have powers you dream of having. We are stronger and faster than anything you have ever seen. We are the superheroes you worship in movies and comic books—but we are real. Our plan was to grow, and train, and become strong, and become one, and fight them. But they found us and started hunting us first. Now all of us are running. Spending our

lives in shadows, in places where no one would look, blending in. we have lived among you without you knowing. But they know. They caught Number One in Malaysia. Number Two in England. And Number Three in Kenya. They killed them all. I am Number Four. I am next. Amazon.com Review Amazon Best Books of the Month, August 2010: John Smith has just arrived in Paradise, Ohio, just another stop in a string of small towns where the 15-year-old has been hiding out from the Mogadorians. Those terrifying aliens are hellbent on destroying him and the other nine Loric children who have sought refuge on Earth. The Mogadorians are picking off the surviving kids in numerical order. The first three are dead and John's number is up. Will his Legacies, his defining super powers, develop in time for him to fight against the enemy? I Am Number Four is a breathless page-turner of a sci-fi novel that will have readers rooting for the teen alien who must unleash his fire power to save himself, his human friends, and the planet. This is the first of a slated multi-book series that, judging by this first book, will help reinvigorate a traditional YA genre that's grown a bit light on strong character development. So, gear-up sci-fi fans, the battle for Earth is on and there's a new kid in town! --Lauren Nemroff Will Hill and Pittacus Lore: Author One-on-One Will Hill's new thrilling trilogy kicks off with Department Nineteen. Recently he was able to ask some questions of the mysterious Pittacus Lore. Read the resulting Amazon-exclusive interview below, or turn the tables to see what happened when Pittacus interviewed Will. Will: Number Four is told to blend in but he finds this a difficult task. Being a mysterious figure yourself, has this ever happened to you? Pittacus: I

have always taken great care to conceal my identity. I change my appearance regularly. I do not speak or correspond with many people. No one has ever suspected me of being what I am, which is an alien military leader with superpowers. If anyone ever does, it will be a bad day for me. Will: Why is now the time to write the unknown history of the planet Lorien and the Nine? What do you think the people of Earth can learn from the Lorien Legacies? Pittacus: We are in the middle of a war to save the remaining Lorien, and to save earth. We thought the people of earth might want to know about it. I hope humanity does not make the same mistake we did on our planet, which was to be unprepared the day war arrived on a grand scale. Will: Who do you think would win in a fight, Dracula or a Mogadorian? Pittacus: Dracula wouldn't stand a chance. If he tried to drink Mogadorian blood he'd poison himself. It's would be like drinking battery acid. Will: Number Four has his legacies as his best weapon. Do you think John could be an agent of Department Nineteen? Pittacus: Once we have vanquished the Mogadorians, maybe that is what he will become. He certainly has some mad skills. Will: Sarah in I Am Number Four is in love with an alien. Jamie in Department Nineteen is falling for a vampire named Larissa. What makes young love just so difficult? Do you think these crazy kids/vampires/aliens will ever make it work? Pittacus: Love is a beautiful and confusing thing. I hope they all live happily ever after. Will: I Am Number Four has made the perfect action sci-fi movie. What has it been like to see this come to life on the big screen? Pittacus: It's been thrilling and fun and very cool. We're hoping to see all six of the books become films. Will: What

can we expect in *The Power of Six*? Pittacus: Six is a powerful young woman. Mogadorians fear her. In *The Power of Six*, we see why. From *School Library Journal* Grade 7 Up—Despite the amazing powers that many of the people of Lorien possess, the planet was defeated and its natural resources looted by Mogadorians in a matter of days. Only nine children escaped with their guardians to Earth, where they planned to hide until they developed their powers in order to defeat their enemies and revive Lorien. The Mogadorians hunt the Nine and have already killed three of them. And that's just the backstory. When Number Four, bearing the name "John Smith," moves to Paradise, OH, he runs afoul of the school bully, falls for the most beautiful girl in town, and befriends the local alien conspiracy nerd in short order. There is plenty of great action, but the dialogue is average, as is the character development. With its interesting premises and a fast-pace telling, the story will grab readers who are willing to suspend quite a bit of disbelief. Others, who like their science fiction with a bit more science and internal logic, will have to search elsewhere.—Eric Norton, McMillan Memorial Library, Wisconsin Rapids, WI (c) Copyright 2011. I Am Number Four: The Lost Files: Five's Betrayal

The perfect companion book to the #1 New York Times bestselling I Am Number Four series! I Am Number Four: The Lost Files: Zero Hour is the fifth collection of novellas from Pittacus Lore. Originally published separately, they are now together in one print volume for the first time ever. Lost Files #13: Legacies Reborn gives a look at the Mogadorian invasion from the perspective of Daniela Morales, a human teen who's shocked to discover aliens are attacking New York—and that she suddenly has the power to fight back. Lost Files #14: Last Defense reveals what happens to Malcolm Goode after the warships descend. To get to the president's secret bunker near Washington DC, he'll have to fight his way through a war zone. Lost Files #15: Hunt for the Garde picks up after the events of The Fate of Ten, following the stories of three different Mogadorians. One will do anything for redemption. One has a thirst for blood. One questions everything. You know about

the invasion of Earth, and the Garde who will do anything to stop it. Yet there is still so much to learn. The stories in Zero Hour will help you get the answers you seek, but only the Garde and their allies can save our planet.

The Fall of Five

The second book of the #1 New York Times bestselling I Am Number Four series! In the beginning, nine aliens left their home planet Lorien when it fell under attack by the evil Mogadorians. They scattered on Earth and went into hiding. They look like ordinary teenagers but have extraordinary powers. The Mogs have come for them. They killed Number One in Malaysia, Number Two in England, and Number Three in Kenya. They tried to get John Smith, Number Four, in Ohio—but they failed. Now John has joined forces with Number Six, and they are on the run. But they are not alone. Already John and Six have inspired Marina, Number Seven, who has been hiding in Spain. She's been following the news of what's happening, and she's certain this is the sign she's been waiting for. It's time to come together. Michael Bay, director of Transformers, raved: "Number Four is a hero for this generation." This epic story is perfect for fans of action-packed science fiction like The Fifth Wave series by Rick Yancey, The Maze Runner series by James Dashner, and Orson Scott Card's Ender's Game. The battle for Earth's survival wages on. Don't miss the rest of the series: #3: The Rise of Nine, #4: The Fall of Five, #5: The Revenge of Seven, #6: The Fate of Ten, and #7: United as One. I Am Number Four

The sixth and penultimate book in the #1 New York Times bestselling I Am Number Four series! For years the Garde have fought the Mogadorians in secret, but now the invasion has begun. John is on the front lines in New York City. The odds may be stacked against him, but his best friend, Sam, has inexplicably developed a Legacy despite being human—and he isn't the only one. As the pair tracks down Five and Nine amidst the chaos, they encounter another teen with powers. Whether she is a friend or a foe, however, remains to be seen. Meanwhile, Six, Marina, and Adam are trapped in Mexico. They fought their way into the Sanctuary and were able to awaken the force hidden within, but they don't have any way to reach the others...and the Mogs are coming for them in full force. The Garde are stretched thin. Their only shot at saving the world is to eliminate the Mogadorian leader once and for all—but his fate is now irrevocably tied with Ella's. The Garde can't destroy one without the other. And if they can't find another way to stop the Mogs, humanity will suffer the same fate as the Loric: annihilation. This epic, action-packed science fiction series is perfect for fans of the Fifth Wave series by Rick Yancey, the Maze Runner series by James Dashner, and Orson Scott Card's Ender's Game.

as John, Six, and Seven try desperately to find the rest of the Garde before it's too late. During the dangerous mission at the Mogadorian base in West Virginia, John found and rescued Nine. But even with their combined powers, special abilities known as Legacies, the pair barely escaped with their lives—and they lost Sam in the process. In order to save our world and their own, John and Nine must join forces with Six and Seven who have been battling the Mogadorians in Spain, and who are now trying to locate Number Eight in India.

Generation One

The first book in a pulse-pounding new series that's set in the world of the #1 New York Times bestselling I Am Number Four series. The war may be over—but for the next generation, the battle has just begun! It has been over a year since the invasion of Earth was thwarted in Pittacus Lore's United as One. But in order to win, our alien allies known as the Garde unleashed their Loric energy that spread throughout the globe. Now human teenagers have begun to develop incredible powers of their own, known as Legacies. To help these incredible and potentially dangerous individuals—and put the world at ease—the Garde have created an academy where they can train this new generation to control their powers and hopefully one day help mankind. But not everyone thinks that's the best use of their talents. And the teens may need to use their Legacies sooner than they ever imagined. Perfect for fans of Marvel's X-Men and Rick Yancey's The 5th Wave, this

epic new series follows a diverse cast of teens as they struggle to hone their abilities and decide what, if anything, they should do with them. As a spin-off of the bestselling I Am Number Four series, those familiar with the original books and newcomers alike will devour this fast-paced, action-packed sci-fi adventure.

The Fate of Ten

In this electrifying one-hundred-page companion novella to the New York Times bestselling I Am Number Four series, discover what happened to Malcolm Goode after the Mogadorian invasion began. When the Garde split up, heading off to New York City and Mexico, Malcolm decided to stay behind in Ashwood Estates, the Mog's formerly hidden base located near Washington DC. He wanted to search the facility for anything that might help John Smith and the others stop the alien invasion. But once the spaceships descended, that plan went up in smoke. Before he gets a chance to come up with a plan B, armed soldiers storm the base. As one of the few humans who knows anything about Loric and their war with the Mogadorians, Malcolm is an invaluable asset—and they've been tasked with safely escorting him to the president's secret bunker. With Mogs hot on their trail, though, it'll be easier said than done. Luckily, Malcolm has some backup in the form of a Chimæra. But even if he makes it to his destination, will Malcolm be able to help what's left of the government find a way to defeat the Mogs? Or will he be too late?

The Way I Heard It

In this astonishing one-hundred-page companion novella to the New York Times bestselling I Am Number Four series, meet Lexa, a Loric hacker whose unrivaled skills helped her narrowly escape her doomed planet, and who's been hiding on Earth ever since. Lexa was never part of the Elders' plan. She had no idea the Garde children were being evacuated to our planet. But when the Mogadorian attack began, she used her expertise to get an old spaceship in a museum operational once more and became irrevocably entwined with the Garde's fate. In addition to her friend, a pack of Chimæra, and a Cêpan named Crayton, her relic of a ship also carried Ella, the tenth Garde. With all of their Cêpans now gone, the Garde think they are the last of the Loric people. But they are wrong. They have forgotten all about the crew that brought them to Earth. Where have the pilots for both ships been all these years? And why haven't they joined in the fight against the Mogs? In *The Navigator*, discover the truth behind their escape from Lorien and what happened to them after they arrived on our planet.

And with the Foundation still at large, Isabela, Caleb, and Ran have decided to join forces with their former foes Einar and Five to hunt them down. But when a new threat is revealed, the group may find itself painfully outmatched. Facing capture or annihilation from all sides, the only hope the Human Garde have for survival is to stand together once and for all to fight back against their true enemies. Return to Zero is the epic conclusion to the story of the Garde that began with the worldwide phenomenon I Am Number Four.

Letter from the Birmingham Jail

In this villainous one-hundred-page companion novella to the #1 New York Times bestselling I Am Number Four series, get a unprecedented look at the invasion—from three different Mogadorians hoping to conquer Earth. This novella picks up immediately after the cliffhanger ending of The Fate of Ten and coincides with the events of United as One, the final book in this epic series. After the Mogadorian leader is struck with a potentially fatal blow, it becomes uncertain who will step in for him and how the Mogs should proceed with their invasion of the planet. This power vacuum has wide-reaching ramifications. One Mog, who has been on a quest for redemption ever since she first let the Garde slip through her fingers, is given an unimaginable opportunity to make things right with the Beloved Leader. Another, who has an unquenchable thirst for blood, jumps at the

opportunity to hunt down the human teens who have begun to develop Legacies. And the last Mog, who has been questioning everything since he crossed paths with Adam, is forced to decide once and for all where his allegiances lie. While the fate of the Mogadorian leader is unknown, the one thing that is for certain is that this war is coming to an end . . . and there can only be one side that wins.

Algebraic topology is a basic part of modern mathematics, and some knowledge of this area is indispensable for any advanced work relating to geometry, including topology itself, differential geometry, algebraic geometry, and Lie groups. This book provides a detailed treatment of algebraic topology both for teachers of the subject and for advanced graduate students in mathematics either specializing in this area or continuing on to other fields. J. Peter May's approach reflects the enormous internal developments within algebraic topology over the past several decades, most of which are largely unknown to mathematicians in other fields. But he also retains the classical presentations of various topics where appropriate. Most chapters end with problems that further explore and refine the concepts presented. The final four chapters provide sketches of substantial areas of algebraic topology that are normally omitted from introductory texts, and the book concludes with a list of suggested readings for those interested in delving further into the field.

Chaos Walking Slipcase

John Smith is an alien from the planet Lorien. He was sent to Earth as a child with eight others, collectively called the Garde, to escape the invading Mogadorians, who destroyed Lorien. John is protected by a guardian (who are known as C◆pan), Henri, and has developed powers, including enhanced strength, speed and agility. The Mogadorians, led by the Commander, learn about the nine children and travel to Earth. The Garde can only be killed in sequence; Number One through Number Nine. Three of them are already dead, with John being Number Four. Knowing this, he and Henri move from a beachside bungalow in Florida to an old farm in Paradise, Ohio, where John befriends conspiracy theorist Sam Goode and a dog which he names Bernie Kosar. He also falls for an amateur photographer, Sarah Hart. Her ex-boyfriend, football player Mark James is a bully who torments both John and Sam. During the Halloween Festival, Mark and his friends chase Sarah and John into the woods. When they attack, John uses his powers to fend them off and rescue Sarah. Sam witnesses this, which leads John to reveal his true origins.

The next day, Mark's father, the local sheriff, interrogates Henri on John's whereabouts when his son and his friends were attacked. Henri tells John that too many people are suspicious and they have to leave. John refuses because of Sarah. The Mogadorians continue searching for John, while being trailed by Number Six, who is also trying to locate Number Four. Number Six's guardian was killed, and she realizes that the remaining six Garde will have to team up and fight against the Mogadorians. The Mogadorians locate John and manipulate two conspiracy theorists into capturing Henri. When John and Sam go to rescue Henri, they have to fend off an attack by the Mogadorians. Henri dies, while John and Sam escape with some Lorien artefacts, including a blue rock that acts as a tracking device for other Garde. Sam's father, a conspiracy theorist who disappeared while hunting aliens in Mexico, had another of the rocks. While Sam searches for it, John tries to say goodbye to Sarah at a party, only to discover that the Mogadorians have framed him and Henri for the murders of the conspiracy theorists. Mark sees John and calls his father, who corners John and Sarah. John saves Sarah from a fall, revealing his powers, and they escape to their school. The Commander arrives in Paradise, with a convoy of trucks. He is confronted by Mark and his father, and after injuring the sheriff, he forces Mark to show him where John is hiding, which Mark has deduced is the school. John, Sarah, and Sam are attacked by the Mogadorians, who brought two Piken to hunt the trio. They are saved by Number Six and Bernie, who is actually a shapeshifting Chimera sent by John's biological parents to protect him. John and Number Six, who can turn invisible and can block energy attacks,

continue to fight the Mogadorians. They eventually defeat them all, including the Commander. The following day, John and Number Six unite their blue rocks and discover the location of the other four surviving Garde. John lets Sam come with them in hopes of finding Sam's father. They set off to find the others so they can protect Earth from the Mogadorians, leaving Sarah and a repentant Mark, who lies to his father about John's whereabouts. Mark also returns a magic box left to John by his Dad, that was in police evidence. John thanks Mark and promises Sarah that he will come back to her. While they share a goodbye kiss, Mark is visibly hurt and agitated. John, Sam, Bernie and Number Six drive off, vowing to protect Earth.

"I hold this book to be the most important expression which the present age has found; it is a book to which we are all indebted, and from which none of us can escape." T.S. Eliot Ulysses depicts a day in Leopold Bloom's life, broken into episodes analogous to Homer's Odyssey and related in rich, varied styles. Joyce's novel is celebrated for its depth of learning, earthy humor, literary allusions and piercing insight into the human heart. First published in Paris in 1922 Ulysses was not published in the United States until 1934. Immediately recognized as an extraordinary work that both echoed the history of English literature and took it in new, unheralded directions, Joyce's book was controversial. Its widespread release was initially slowed by censors nitpicking a few passages. The novel is challenging, in that it is an uncommon reader who will perceive all that Joyce has put into his pages upon first reading, but it is uniquely rewarding for anyone willing to follow where the author leads. Far more than a learned exercise in literary skill, Ulysses displays a sense of humor that ranges from delicate to roguish as well as

sequences of striking beauty and emotion. Chief among the latter must be the novel's climactic stream of consciousness step into the mind of the protagonist's wife, Molly Bloom, whose open-hearted acceptance of life and love is among the most memorable and moving passages in English literature. With an eye-catching new cover, and professionally typeset manuscript, this edition of Ulysses is both modern and readable.

I Am Number Four: The Lost Files: Five's Legacy

The first book of the #1 New York Times bestselling series and the inspiration for the hit movie from Dreamworks! John Smith seems like an ordinary teenager, living a normal life with his guardian Henri in Paradise, Ohio. But for John, keeping a low profile is essential, because he is not an ordinary teenager. He's an alien from the planet Lorien, and he's on the run. A group of evil aliens from the planet Mogadore, who destroyed his world, are hunting anyone who escaped. Nine Loric children were sent to Earth to live in hiding until they grew up and developed their Legacies, powers that would help them fight back—and help them save us. Three of them are now dead. John is Number Four, and he knows he's next.... Michael Bay, director of Transformers, raved: "Number Four is a hero for this generation." This epic story is perfect for fans of action-packed science fiction like The 5th Wave series by Rick Yancey, The Maze Runner series by James Dashner, and Orson Scott Card's Ender's Game. The battle for Earth's survival wages on. Read all of the

The perfect companion book to the New York Times bestselling I Am Number Four series! I Am Number Four: The Lost Files: Rebel Allies is a collection of three thrilling stories by Pittacus Lore. Originally published as the e-novellas The Fugitive, The Navigator, and The Guard, now, for the first time ever, they are together in one print volume. The Fugitive follows Mark James as he tries to track down Sarah Hart, evade the Mogadorians and the FBI, and discover the identity of the mysterious blogger he knows only as GUARD. The Navigator reveals the truth about the crew of the two Loric spaceships who escaped to Earth and shows what happened to the pilots after they arrived and parted ways with the Garde. The Guard tells the story of the hacker who has been aiding the Lorien survivors from the shadows for years. She's determined to defeat the Mogs—and she just found her secret weapon. You know the truth about the Mogadorians' invasion of Earth and the Garde who will do anything to defeat them—yet there is still so much to learn. The stories in Rebel Allies will help you get the answers you seek, but they will not help you stop the coming war. Only the Garde can save our planet. But they are not alone. . . .

The Power of Six

In this game-changing 100-page companion novella to the New York Times bestselling I Am Number Four series, the Mogadorian invasion of Earth has begun and one teenager's life will be forever changed. At first, Daniela Morales thought the spaceship attacking New York City on the television was just part of some science fiction movie. Then the horrible truth became clear: it was happening in real life. Aliens do exist, and they were invading the planet. Unable to reach her mother, Daniela makes it her mission to get to her mom's job downtown to find her. But with the city under fire, trying to make it from her apartment in Harlem to the Financial District proves nearly impossible—until Daniela makes an incredible discovery. When a squad of Mogs get the jump on her, she is somehow able to throw them across the street, using telekinesis. Daniela doesn't know where this power came from or why she suddenly has it, but she is sure as hell going to use it. Aliens are tearing up her city and she'll destroy every last one of them that gets in her way. But when she comes face-to-face with the Garde, will she be a friend or a foe?

The Wisdom of Crowds

The fourth book of the #1 New York Times bestselling I Am Number Four series! John Smith—Number Four—thought that things would change once he and Nine reunited with the others. But he was wrong. After facing off with the Mogadorian ruler and almost being killed, the Garde realize they are drastically unprepared. Now they're hiding out in Nine's Chicago penthouse, trying to figure out their next move. Even with the return of an old ally, these superpowered teens aren't strong enough yet to take on an entire army. To defeat their enemy, the Garde must master their Legacies and learn to work together as a team. And when they receive a sign from Number Five—the last missing member of the Garde—they know they are close to all being together finally. But could it be a trap? Time is running out, and the only thing they know for certain is that they have to get to Five before the Mogs do. Michael Bay, director of Transformers, raved: "Number Four is a hero for this generation." I Am Number Four Collection: Books 1-6

The Revenge of Seven is the heartstopping fifth installment in the Lorien Legacies series by Pittacus Lore. The worst was supposed to be over. We were reunited after a decade apart. We were discovering the truth about our past. We were training and getting stronger every day. We were even happy. . . . We never imagined the Mogadorians could turn one of our own against us. We were fools for trusting Five. And now Eight is lost forever. I would do anything to bring him back, but that's impossible. Instead, I will do whatever it takes to destroy every last one of them. I've spent my entire life hiding from them, and they've stolen everything away from me. But that stops now. We're going to take the battle to them. We have a new ally who knows their weaknesses. And I finally have the power to fight back. They caught Number One in Malaysia. Number Two in England. Number Three in Kenya. And Number Eight in Florida. They killed them all. I am Number Seven. I will make them pay. I Am Number Four: The Lost Files: Hidden Enemy

In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.

I Am Number Four: The Lost Files: Secret Histories

With her characteristic brilliance, grace and radical audacity, Angela Y. Davis has put the case for the latest abolition movement in American life: the abolition of the prison. As she quite correctly notes, American life is replete with abolition movements, and when they were engaged in these struggles, their chances of success seemed almost unthinkable. For generations of Americans, the abolition of slavery was sheerest illusion. Similarly, the entrenched system of racial segregation seemed to last forever, and generations lived in the midst of the practice, with few

predicting its passage from custom. The brutal, exploitative (dare one say lucrative?) convict-lease system that succeeded formal slavery reaped millions to southern jurisdictions (and untold miseries for tens of thousands of men, and women). Few predicted its passing from the American penal landscape. Davis expertly argues how social movements transformed these social, political and cultural institutions, and made such practices untenable. In *Are Prisons Obsolete?*, Professor Davis seeks to illustrate that the time for the prison is approaching an end. She argues forthrightly for "decarceration", and argues for the transformation of the society as a whole.

A Concise Course in Algebraic Topology

Magic, danger, and adventure abound for messenger Karigan G'ladheon in the sixth book in Kristen Britain's New York Times-bestselling Green Rider epic fantasy series. Zachary Davriel Hillander, High King of Sacoridia, rues how much he has had to give up to lead his realm, including the freedom to live and love as he

chooses. When an embassy from Eletia arrives to propose a joint venture between their realms to seek out an old ally in the north, he is dismayed to learn that the one Sacoridian they have in mind to accompany their guide is the woman he truly loves but cannot have: Green Rider Karigan G'ladheon. Karigan has only just returned from a dark future where Sacoridia has been conquered and is ruled by a despotic emperor, and she has not recovered in heart or mind. As if that is not enough, the castle ghosts won't leave her alone. Though Zachary is loath to part from her so soon after her return, he knows she is the best choice to undertake the mission to the north. Each step on their journey places Karigan and her companions closer to enemy territory and danger, for northward lie the forces of Second Empire, Sacoridia's longtime foe, and Grandmother, the necromantic leader of Second Empire, has not been idle. She uses her magic to summon a wild elemental spirit to wreak havoc upon Zachary and his wife, Queen Estora. At first the Sacoridians succeed in fending off the creature, but it so covets Estora that it can't stay away. It abducts Zachary, assuming his form and his place at Estora's side—but when it is finally ousted, Zachary is still missing. Estora, alone and heavy with twins, must prepare her realm for the coming conflict from the confines of her bedchamber. Meanwhile, the danger only deepens for Karigan and her companions as they journey north. When she finds herself caught in the midst of a clash between forces, Karigan must rescue and protect her king before she falls into a trap set by Grandmother—a trap that could give Second Empire the power to control the dead and all the demons of the hells.

The Legacies

In this thrilling one-hundred-page prequel companion novella to the New York Times bestselling I Am Number Four series, discover what happened in the aftermath of the Mogadorians' attack on Paradise, Ohio, from Mark James—Number Four's bully-turned-ally. After Four leaves town to find the rest of the Garde, Mark is left behind to pick up the pieces. His school has been destroyed, his home burned down, and, worst yet, Mark now knows the horrifying truth: aliens live among us and some of them seek to destroy us. Even with the FBI tailing him and Sarah Hart, Mark tries to return to a normal life. But when Sarah goes missing, he knows he can no longer sit back and do nothing. His quest to find her will lead him to new allies and a startling revelation about the Mogadorians' plan for invasion.
