Dangerous Kiss

Tramp's Gold

Everybody wanted to go to bed with Tony Guiseppi, it had been that way since seventh grade. And not only females, males felt that way too – they were always coming onto him, eyeing him appreciatively, inviting him to a ball game, lunch or a night on the town. Anything he wanted in fact. In fact, he wanted nothing. Tony Guiseppi had learned at an early age that looks were only the package. He knew he was exceptionally good looking. It did not impress him. Tony Guiseppi was half Italian (his father, Roberto, was a crotch-stroking, drunken native of Naples, who came to America in 1972 for a vacation and stayed), and half American (his mother, Ruth, would have been a Jewish princess if only her family had possessed money). As it was she was a waitress when his father came upon her – literally. They were married exactly one month before Tony entered the world.

Offscreen, a more personal conflict takes place as Chloe wonders whether her partner will ever stop playing away from home. Bitter rivalry, infidelity and a smouldering casting couch are the

compelling ingredients of this sizzling tale.

Hollywood Wives

ABOUT THE BOOK The inside peek at Hollywood and the lives of the rich and famous provided by Jackie Collins through her books has made her one of the world's best-selling writers. She has more than 400 million books sold in over 40 countries, and every one of her 28 books have appeared on the New York Times bestsellers list. Many debut at #1 the moment they are published. A number of her books have made it to the big screen. One of ABC Network's highest-rated miniseries was based on Jackie Collins' Hollywood Wives, starring Anthony Hopkins and Candice Bergen. Undoubtedly one of the main reasons Jackie Collins' books are so popular is that her characters are closely patterned on real personalities, often blurring the lines between reality and fiction. Collins herself claims that she writes about real people in disguise, and with books such as Hollywood Wives, Hollywood Husbands, Hollywood Divorces, and Hollywood Kids, her readers are often left wondering which real-life famous person they are actually reading about and just where the truth ends and fiction begins. The other key factor in her popularity, of course, is the liberal addition of plenty of graphic sex. EXCERPT FROM THE BOOK Around that time Jackie Collins purportedly had a fling with Marlon Brando, who was then 29 years old to her 15. She was partying at a club in Hollywood with sister, Joan, when a handsome young Marlon Brando sent a messenger over to their table asking to meet her. In 1960, Jackie Collins married her first husband, Wallace Austin, who was 12 years her senior. They had a daughter, Tracy, in 1961, and were divorced in 1964 after four and a half years of marriage. Jackie later revealed that Wallace was a compulsive gambler, substance abuser and mentally unstable. Wallace eventually killed himself of a drug overdose.
