Ultimate John Deere

Milked by a Boss9,100 wordsMy prego accountant was a criminal. She had been stealing from me, slowly cooking the books by siphoning money away. In all honesty, I knew she wasn't the mastermind behind the dirty deed, it wasn't in the sexy blond's dainty nature. No, her husband was certainly at work, exploiting his wife's position. I could've called the police, sent them to jail, but what fun would that have been? No, I had something more deviant in mind--much more deviant. Warning: This 9,100-word story contains graphic language, erotic situations, milking, sex, oral sex, spanking, bondage and is a story for 18+.
