In How to Raise a Man, as you learn more about the development of masculinity, identify your parenting style and familiarise yourself with the issues facing parenthood today, you will become a more compassionate, centred and effective parent. In this era of #metoo and #allmenaretrash, it's evident that something is going wrong with the way men progress from childhood into adulthood, and few realise how critical the role of the purposeful and emotionally empowered mother is in a boy's journey to maturity. So, what does all this mean for you as the mother of an adolescent boy? Like it or not, mom, your son is Generation Z. He has been adored and treasured, photo-graphed and recorded. Many of his generation of adolescents are outwardly assertive and outspoken and have good boundaries, yet inwardly they are full of paradoxes. And they are confusing to manage - your GenZ rules you. They are clever. But as a mother, you need to be smarter. Teenagers

need centred adults to guide them. Confident, capable adults should never overreact, sulk, withdraw or blame, and if you find yourself resorting to this behaviour, it is time to reset your parenting methods. If you are confused or irritated by your pre-teen or teenage son, or feel bewildered and hurt by his behaviour, this book will guide you to a clear understanding of teenagers in general and teenage boys in particular. Written by a parenting expert, and drawing on Western psychology as well as Eastern philosophy, the processes and ideas in this practical guide will help you raise the man you want your son to be.

Be Healthy Every Day

"Hannah Bronfman is challenging us all to rethink our default standards of beauty and definitions of 'healthy' —and I, for one, couldn't be happier to hear this from another woman of color in the wellness community. Do What Feels Good is a practical, inspirational, and beautiful guidebook to feeling good in your own skin."
--Gabrielle Union, actress and bestselling author of *We're Going to Need More Wine*

As a food lover, beauty product addict, exercise junkie, and wellness entrepreneur, Hannah Bronfman practically radiates confidence and health. But she'll be the first one to admit that the road to wellness and self-acceptance hasn't been easy. As a woman of color who grew up watching a close family member struggle with an eating disorder, Hannah's had to forge her own path and create her own standards of beauty. And what she's learned is this: Healthy is beautiful. And healthy should feel good. In *Do What Feels Good*, Hannah offers real talk about getting in touch with your body's needs, baring her soul and sharing her story along the way. Hannah provides insight on everything from gut health to nutrition to fitness to skincare, sharing insight from top experts on how to understand your body's unique chemistry so that you can fuel it with more of the things that feel good and less of the things that don't. And since delicious food is one of the things that makes everyone feel good, Hannah shares more than 50 of her favorite recipes for healthy hedonism (desserts and cocktails included!). Enlightening, empowering, and educational, this is an approach to wellness that is holistic, hedonistic, and real. Because self-care should not feel self-punishing, and every body deserves to feel good.

INSTANT NEW YORK TIMES BESTSELLER The only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential. "This

method is very simple, very accessible, and endorsed by science. Anybody can do it, and there is no dogma, only acceptance. Only freedom.” —Wim Hof

Wim Hof has a message for each of us: “You can literally do the impossible. You can overcome disease, improve your mental health and physical performance, and even control your physiology so you can thrive in any stressful situation.” With The Wim Hof Method, this trailblazer of human potential shares a method that anyone can use—young or old, sick or healthy—to supercharge their capacity for strength, vitality, and happiness. Wim has become known as “The Iceman” for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to transform their lives. In his gripping and passionate style, Wim shares his method and his story, including:

- **Breath**—Wim’s unique practices to change your body chemistry, infuse yourself with energy, and focus your mind
- **Cold**—Safe, controlled, shock-free practices for using cold exposure to enhance your cardiovascular system and awaken your body’s untapped strength
- **Mindset**—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the miracle of living
- **Science**—How users of this method have redefined what is medically possible in study after study
- **Health**—True stories and testimonials from people using the method to overcome disease and chronic illness
- **Performance**—Increase your endurance, improve recovery time, up your mental game, and more
- **Wim’s Story**—Follow Wim’s

inspiring personal journey of discovery, tragedy, and triumph • Spiritual Awakening—How breath, cold, and mindset can reveal the beauty of your soul Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. “This is how we will change the world, one soul at a time,” Wim says. “We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction.” If you’re ready to explore and exceed the limits of your own potential, The Wim Hof Method is waiting for you.

Eat More. Weigh Less. Live Longer. Celebrated nutritionist Tanya Zuckerbrot knows that when it comes to losing weight, addition is better than subtraction. Her secret? Add the Miracle Carb to your diet so you don't need to subtract delicious, satisfying foods. The Miracle Carb is dietary fiber, and chances are you don't get

the recommended daily requirement, even if you're eating a healthy diet. Tanya introduced the world to fiber with the F-Factor Diet, and thousands of people have lost countless pounds, improved chronic conditions like diabetes, and gained more energy and vigor for living. And they did it all without sacrificing their lifestyles or the foods and drinks they love. With The Miracle Carb Diet, Tanya is making it easy for you to jump right into living life the F-Factor way. This not just an eating plan; it is a simple and effective action plan for achieving your best self without disrupting your best life. Tanya's here to help you lose weight fast, and then keep it off! You'll discover:

- The four easy stages of the Miracle Carb Diet-you could lose up to 12 pounds in the first month!
- Suggested fiber-rich foods and menu plans ideal for each stage, plus recommendations for eating out and enjoying cocktails from day one.
- More than 100 original recipes and shopping lists and templates for journaling for better results.
- Tanya's inspiring anecdotes, case studies, and tool kits for defense against specific food cravings and obstacles, plus super sidebars, tips, tricks, and more to help motivate and inform.

The Miracle Carb Diet is a life-changing plan that's enjoyable, flexible, and doable, based on Zuckerbrot's extensive clinical experience as well as her in-depth knowledge of cutting-edge food and nutrition science. So go ahead and raise a glass to the Miracle Carb Diet (yes, you can enjoy that wine guilt-free) and celebrate the miracle of fiber that lets you eat more, weigh less, and even add years to your life.

The Year One Challenge for Women

At Last, a No-Bullsh*t, Shame-Free Strength Transformation Program Since 2011, nutrition and fitness expert Steph Gaudreau has impacted the lives of thousands of women through her fierce-love approach to strength and badassery, what she calls The Core 4. The success of her program can be found in the astounding health results from those women who have tried it—including muscle definition, body confidence, restful sleep, and a strong powerful outlook that permeates every facet of life. In THE CORE 4 Steph finally offers women a strong body and mind achieved through minimal time on the treadmill, simple workouts, targeted nutrition (that is also delicious!), and mindset practices with clear results. When you focus on The Core 4--Eat Nourishing Foods, Move with Intention, Recharge Your Energy, and Empower Your Mind--you give yourself the gifts of care, strength, and resiliency, and take a powerful step toward the life you want. “By refusing to let your weight measure your worth. By nourishing your body. By listening to your intuition as a guide. By taking your power back. I guarantee you’ll start feeling energetic, active, confident, strong, resilient, and ready to change the world.”—Steph Gaudreau

Belly fat: Either you have it, or you are doing everything you can to keep it off. Despite what the headlines on the newsstands claim, achieving a flat stomach is not a ten-minute transformation; it's a lifestyle transformation. In his latest work, bestselling author John Chatham blasts the myths surrounding belly fat. The groundbreaking research in *The Belly Fat Diet* reveals a science based approach to healthy eating and looking good, and it doesn't involve starving yourself. Achieving a flat stomach is not about doing hundreds of crunches or worrying about how much you eat; it's about what you eat. *The Belly Fat Diet* teaches you how to eat

more and weigh less, so there's no need to ever go hungry. It's common knowledge that obesity is dangerous to your health, but did you know that belly fat is the deadliest fat on your body? Belly fat increases your risks of heart disease, diabetes and other chronic illnesses.

- Discover the scientific secrets to why eating when you are hungry actually leads to shedding weight and stomach fat
- The Belly Fat Diet offers workouts, healthy meal plans and a shopping list to help you minimize your intake of sugar and processed carbohydrates
- Fight disease with a few easy steps that will help reduce your risk of diabetes and heart disease
- Learn how to break the cortisol cycle and reverse insulin resistance

The Rebel's Apothecary

Make Peace with Your Plate This is not your traditional cookbook. You will not have

to do a cleanse, eat kale every day, or eliminate an entire food group. Instead, you will learn the step-by-step process for eating with intention and put a stop to the never ending cycle of fad diets, constant exhaustion, and general unhappiness with your body and yourself. Meditation and wellness teacher Cassandra Bodzak struggled for years with unhealthy dieting, stomach pains, and food allergies. It was only when she began to listen to her body and eat with intention that she transformed her life. In this book, she shares her wisdom to help you discover:

- How to uncover the foods that are hurting you
- How to nourish your body from a place of self-love
- How to incorporate a daily gratitude or meditation practice into your life
- How to prepare nearly 75 plant-based recipes, each accompanied by a mantra and meditation for eating with purpose and fueling your body

So if you want to learn how to quiet your mind, start listening to your own body, and love your whole self, then you are ready for this blueprint to a life that lights you up from the inside out. You are ready to live your best life with a clear head, open heart, and endless energy.

The HELP Vegetarian Nutrition Guide

This book demystifies the low-FODMAP diet and provides 125 tasty and delicious recipes for a happy gut. Written by a specialist gut dietitian, The Low-FODMAP Recipe Book can help you to take control of Irritable Bowel Syndrome (IBS), functional bowel disorder and digestive distress. Dietary management is key to managing IBS and other gut disorders. The most successful diet for bringing relief for symptoms such as bloating, abdominal distension, excessive wind, diarrhoea and other digestive issues is the low-FODMAP diet, which has been medically proven in rigorous clinical trials to improve symptoms in up to 75 per cent of people with IBS. Because of the diet's success it is quickly becoming an essential treatment for people with a sensitive gut and can help in the management of a wide range of stomach troubles and gastrointestinal discomfort. The low-FODMAP diet will help you to identify food intolerances, including intolerance of lactose and fructose, and may also be used to help those who are suffering from Inflammatory Bowel Disease (IBD), Coeliac Disease and functional symptoms following gastrointestinal surgery. An expert in the low-FODMAP diet and gut disorders, author Lucy Whigham will help you to understand more about the way your gut functions and what is contributing to your symptoms. This book is an easy guide to why and how the low-FODMAP diet can help, and includes tables of what foods need to be avoided for the elimination phase and beyond. FODMAPs (Fermentable Oligosaccharides, Di-saccharides, Mono-saccharides and Polyols) are naturally

occurring sugars that are found in a wide range of everyday foods. They are not fully broken down during digestion and therefore cannot be completely absorbed by the body. Instead they travel through the gut where they are fermented by the bacteria that live in our gastrointestinal tract. In susceptible people (those with a sensitive gut) this fermentation can lead to excessive wind, bloating, pain, cramping and stomach gurglings. FODMAPs also draw water into the gut, which can lead to diarrhoea and frequent bowel motions. Cutting out foods that are high in these fermentable carbohydrates and following a low-FODMAP diet can help you to regain control over your digestive symptoms and thereby improve your quality of life. Once your symptoms are under control you can start to re-introduce FODMAPs to help you identify your individual intolerances and threshold levels. In this way you are empowered with the knowledge of exactly which foods cause you problems, putting you in the driving seat and letting you control your symptoms rather than have them control you.

Tone It Up: Balanced and Beautiful

A 30-day food, fitness, and mind/body plan that helps readers drop a crazy amount of weight fast. Written by Beachbody super trainer and nutrition/fitness expert Autumn Calabrese, the book provides inspiring life lessons and practical guidelines that readers can use to overcome the excuses and obstacles that have been holding them back from achieving the body they've always wanted. Lose Weight

Life Crazy offers a jumpstart to Calabrese's wildly popular 21 Day Fix and Ultimate Portion Fix programs that teach the principles of portion control, balancing macronutrients and eliminating added sugars and highly processed food. The book is jam-packed with tips, secrets, and advice, plus 23 delicious portion-controlled recipes and two invigorating workouts.

The Bikini Body 28-Day Healthy Eating & Lifestyle Guide

Pick up that bread! This doctor-approved method lets you keep the carbs and lose the pounds! Fear of the almighty carb has taken over the diet industry for the past few decades--from Atkins to Dukan--even the mere mention of a starch-heavy food is enough to trigger an avalanche of shame and longing. But the truth is, carbs are not the enemy! Bestselling author John A. McDougall and his kitchen-savvy wife, Mary, prove that a starch-rich diet can actually help you lose weight, prevent a variety of ills, and even cure common diseases. By fueling your body primarily with carbohydrates rather than proteins and fats, you will feel satisfied, boost energy, and look and feel your best. Including a 7-Day Sure-Start Plan, helpful weekly menu planner, and nearly 100 delicious, affordable recipes, The Starch Solution is a groundbreaking program that will help you shed pounds, improve your health, save money, and change your life.

The Wim Hof Method

Have you noticed since starting all this “healthy” eating, dieting, perfect Paleo diets, wholesome Vegan escapades, and all that glorious exercise that you did in the name of better health and a better appearance... THAT YOU LOOK AND FEEL WORSE? Eating pretty much any overly restricted diet will do these things to you. Throw some “healthy” exercise in there with it and you've got a recipe for shutting

down your entire system. It's all caused by a drop in metabolic rate. Diet Recovery is your guide to bringing your metabolism back up to its ideal level. When you've had enough and you are ready to stop dieting forever, get your health back on track, stop obsessing over your body fat percentage, be happy, and join the rest of society by eating somewhat normal again, there's no better book in print for you to turn to. No more debilitating New Year's resolutions to run a daily marathon on cabbage soup this year- quit beating yourself, and stop the dieting madness! Eat the food!

The HELP Nutrition Guide

Throughout my industry experience and the more I interviewed my female clients, it became apparent that many girls were aspiring for a specific yet common look. What these girls really wanted was the confidence and positive physical change that came as a result of a healthy lifestyle. The body type I am referring to is a far cry from the “very muscular” look that a lot of women obtain through other training styles and advice. I found that some trainers in this industry do not properly understand or listen to their client's goals and are therefore not able to advise them in a way that will help attain their client's desired appearance or outcome. This is my mission: I want to help as many women as possible achieve their ideal body, their confidence and their happiness! Hence, with the help of Fresh Fitness, I created this “Bikini Body Training Guide”. I have heard many

trainers and individuals say lots of different things about how to get 'results'.

Happy, Healthy, Strong

In *Body By Simone*, Simone De La Rue, the personal trainer for some of the hottest bodies in Hollywood, shares her fitness secrets and teaches women how to achieve an A-list body using her fun and unique strength training and cardio workouts. Considered the "next Tracy Anderson," Simone De La Rue has created a total body workout—a unique fusion of Pilates, bar method, strength training, and cardio dance moves—for women looking to lose weight, tone up, change up their routine, lose baby weight, or exercise while recovering from an injury. Her workouts are fast-paced, fun, and targeted for the muscle groups women most want to tone: arms, abs, glutes, and thighs. Filled with nearly 200 gorgeous color photos, *Body By Simone* features Simone's eight-week plan that incorporates her dance-based cardio workouts and signature strength training moves. Here are workouts for all levels—beginning, intermediate, and advanced—and a self-assessment test to choose the right plan for you. Simone offers a breakdown for each week and a schedule for each day, including an overview of the week's goals and challenges. Each week builds on the next to keep you challenged and engaged, and see the results you want. To boost weight loss and metabolism as well as naturally detox

the body, Simone also provides a 7-day kick-start cleanse complete with recipes for simple meals, juices, and smoothies.

An inspirational, life-affirming and beautiful health/wellness & recipe book from Rachael Finch. Rachael Finch is the poster girl for living a wholesome, holistic life. As a result, she is addicted to feeling amazing - and wants everyone else to feel amazing too. As a health coach, television host, model, social-media star and mum, she knows what it is to lead a busy life, and she also knows how easy it is to take shortcuts with your health when you're under pressure. But Rachael passionately believes life is too short to feel unhappy about yourself, and it's her goal to help transform the lives of other women to encourage them to live happy, healthy and strong. An inspiring, affirming and beautiful guide to looking and feeling great, inside and out, *Happy Healthy Strong* contains 85+ delicious clean wholefood recipes as well as a two-week vitality plan to kickstart your new self. Full of inspiring health and wellness principles, advice on mindfulness and work/life balance, as well as confidence-boosting tips, affirmations and goal setting, *Happy Healthy Strong* is all about loving your body, loving yourself, and achieving your best, happiest and healthiest self.

Lose Weight Like Crazy

The groundbreaking discovery that shows why women need fat to lose fat. Why do women struggle so much with weight? Can women ever lose weight and keep it off? In this research-driven and counterintuitive book, an anthropologist and a public health doctor team up to answer those questions. Blending anecdotal evidence with hard science, they explain how women's weight is controlled by evolution-but more important- they reveal how a change in diet three decades ago may be the reason women today are bigger than their grandmothers were. Explaining why fat (both in our diet and in our body) is crucial to long-term health, the authors show not only why women tend (and need) to get heavier after having their first child, but also destroy cultural myths like "all fat is bad for you." Providing a plan that can help any woman achieve a natural, healthy weight-without dieting- Why Women Need Fat not only gives women the tools they need to shed weight, but also a better understanding of why those last five pounds seem impossible to lose.

Eat With Intention

Finding balance in life is a goal many of us strive to achieve. Whether it's through a healthy diet, exercise regimen, state of mind, relationship, or other activity (or all of the above), we spend our days trying to be, and become, our best selves. But what happens when all that focus starts to dominate our lives? When our desire for "perfect health" trumps everything else, perhaps without us even realizing it? What happens when our solution starts becoming the problem? These are questions that author and popular blogger Jordan Younger faced when she decided that her extreme, plant-based lifestyle just wasn't working in favor of her health anymore--and questions that you may be facing too. In *Breaking Vegan*, Jordan reveals how obsessive "healthy" dieting eventually led her to a diagnosis of orthorexia, or a focus on healthy food that involves other emotional factors and ultimately becomes dysfunctional, even dangerous. In candid detail, Jordan shares what it was like to leave veganism, the downfall of her desire to achieve nutritional perfection, and how she ultimately found her way to recovery. In addition to this, Jordan outlines an "anti-diet," whole-foods-based eating plan featuring more than 25 recipes to help inspire others to find similar balance in their own lives. *Breaking Vegan* is about tolerance and forgiveness. And ultimately, forging one's own path toward happiness.
