Carolyn Haines's Southern Belle mysteries kick sleuthing up a notch with Sarah Booth Delaney, the sassiest heroine this side of the Mississippi. . . Displaced from its New Orleans venue, a red-hot touring production of *Cat on a Hot Tin Roof* is opening right in the heart of Zinnia, and featuring hunky star Graf Mileau! Sarah Booth, who had her own brief stint with Mileau himself, is less than thrilled. Graf is now linked with his costar, Renata Troviola, a dyed-in-the-wool diva who plans to ride Graf's coattails all the way to Hollywood. But Renata's trip to the top comes to a screeching halt on the play's second night when someone laces her lipstick with cyanide. It seems Renata was stirring up plenty of drama behind the scenes, making enemies galore: her long-suffering makeup artist, an extremely harsh critic, an angry audience member. . . even boy toy Graf had a motive. But the most damning evidence points to Sarah. Now, to save her reputation, Sarah reckons she'll have to bring the curtain down on a mystery with more twists and turns than

Rebuilding the State Institutions

Contemporary Mexico faces a complex crisis of violence and insecurity with high levels of impunity and the lack of an effective rule of law. These weaknesses in the rule of law are multidimensional and involve elements of institutional design, the specific content of the laws, particularities of political competition and a culture of

legality in a country with severe social inequalities. This book discusses necessary institutional and legal reforms to develop the rule of law in a context of democratic, social and economic transformations. The chapters are organized to address: 1) The concept of the 'rule of law' and its measurement; 2) The fragility of the 'rule of law' in Mexico; 3) Structural reforms and implementation challenges; 4) Social exclusion and the culture of legality. The book addresses decision-makers, civil servants, consultants, scholars, lecturers, and students focusing on public policy, rule of law, sociology of law, legislative studies and practice, impunity, and areas of political philosophy. • The book presents an interdisciplinary and integrated approach for understanding the rule of law in Mexico, taking into account national particularities, the regional context and global comparisons. • Chapters discuss recent institutional reforms in Mexico from a critical point of view and explore possible next steps to achieve effective implementation. • This book addresses the links between a weak rule of law and social phenomena like insecurity, violence, corruption and democratic deficits.

Ham Bones

The modern Tractor-Loader_backhoe has become the most useful machine in general construction, and it has gained that reputation since its introduction in the laste 1950's. This reputation as the most useful is due to the wide-ranging tasks that the machine is capable of performing. These wide-ranging jobs, in turn, demand that operators have the knowledge, skills, and experience required for safety and productivity. The first edition of this book, Operating Techniques for the Tractor-Loader-Backhoe, published in 1983, was written simply as an information source covering standard machine operations and procedures. Over the years, training programs sought it out for its practical and detailed information for operators and training programs, such as: guidelines, safety considerations, and preventing damage to existing utilities.
