My name is not actually Penny Dreadful. It is Penelope Jones. The 'Dreadful' bit is my dad's JOKE. But I do not see the funny side. Plus it is not even true that I am dreadful. It's just that sometimes my BRILLIANT IDEAS don't work out completely brilliantly. Like, I didn't mean for my cousin to end up bald and covered in superglue, and I also didn't mean to steal our neighbour's dog and make him speak Russian. It is not my fault. I can't help it - I'm just a Magnet for Disaster. This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet. "A brilliantly written and illustrated laugh-out-loud book recommended for children aged 7+ years. The book contains three hilarious stories about a little girl called Penelope Jones (aka Penny Dreadful to her family)
