hallmark features include: A comprehensive scope and sequence that allows instructors to choose what to cover throughout the course without having to supplement their own materials to fill gaps present in other texts. A carefully arranged organization that progresses from formulaic expressions to vocabulary and grammar relevant to daily life and personal interests (studies, family, home, leisure activities), then goes on to prepare students for survival situations (ordering a meal, traveling), and finally branches out to broader themes (current events, social and environment issues).
