The Black Alcove Series: The Complete Collection

When everything is questioned, friends becomes foes and foes become friends. Megan has recently become a pure blood demon and she struggles to hold onto her humanity and control her crazed hunger for human souls. But at the moment, this is the least of her worries. As hell's darkness seeps into Aiden and his life is put on the line by the rebels, an ancient prophecy passed down by the alchemists for millennia is beginning to surface and it seems that Megan just so happens to play a large part in it. The demons are at war with the rebels and the rebels seems to have the upper hand. Then, when the pearl in Aiden's mother's jewelry box turns out to hold not a random stranger's soul, but a dear friend's, the pieces of an ancient puzzle begin finally falling into place. In the second adventure of the Black Petals series, many lives will be lost, friendships broken, and affections questioned.

Your Road Map For Success

"Questions of personal and national identity percolate through the stories in Obejas's memorable short fiction collection, most of which is set in Cuba, the author's birthplace. These 10 stories show Obejas's talent, illuminating Cuban culture and the innermost lives of her characters." --Publishers Weekly "By turns searing and subtly magical, the stories in Obejas' vividly imagined collection are propelled by her characters' contradictory feelings about and unnerving experiences in Cuba. For all the human tumult and deftly sketched and reverberating historical and cultural contexts that Obejas incisively creates in these poignant, alarming tales, she also offers lyrical musings on the mysteries of the sea and the vulnerability of islands and the body. Obejas' plots are ambushing, her characters startling, her metaphors fresh, her humor caustic, and her compassion potent in these intricate and haunting stories of displacement, loss, stoicism, and realization." --Booklist "Obejas's stories demonstrate an acute understanding of being caught between two places and cultures as different as

America and Cuba." --Library Journal "Achy Obejas's collection is about fictional Cuban migrants who never quite escape the land they've left." --Electric Literature "It's a joy to return to Obejas's work; her prose, crisp, crystalline, and controlled, covering the wide spectrums of anger, desire, longing, and wonder in the face of immigration Obejas sneaks under the skin, revealing emotions tied up at the dock, cuts the rope, and sets them free. The Tower of the Antilles proves, once again, why Achy Obejas is one of the most important Cuban writers of our time." --The Miami Rail "This summer is the perfect opportunity to get to know the work of this Cuban-American writer. The stories collected in her new book tell the story of various Cubas--Cuba throughout the ages, Cuba from different perspectives, but always Cuba in all its vibrant, troubled, conflicting beauty." --Barnes & Noble/B&N Reads, included in "12 Must-Read Indie Books Coming This Summer" Praise for Achy Obejas: "Obejas writes like an angel, which is to say: gloriously one of Cuba's most important writers." --Junot Diaz The Cubans in Achy Obejas's story collection are haunted by islands: the island they fled, the island they've created, the island they were taken to or forced from, the island they long for, the island they return to, and the island that can never be home again. In "Superman," several possible story lines emerge about a 1950s Havana sex-show superstar who disappeared as soon as the revolution triumphed. "North/South" portrays a migrant family trying to cope with separation, lives on different hemispheres, and the eventual disintegration of blood ties. "The Cola of Oblivion" follows the path of a young woman who returns to Cuba, and who inadvertently uncorks a history of accommodation and betrayal among the family members who stayed behind during the revolution. In the title story, "The Tower of the Antilles," an interrogation reveals a series of fantasies about escape and a history of futility. With language that is both generous and sensual, Obejas writes about existences beset by events beyond individual control, and poignantly captures how history and fate intrude on even the most ordinary of lives.

The Law of Priorities

Jennifer Hart has spent a lifetime shunning conventional morality and pursuing her love of the rational and of justice. This led her to break away from her liberal past becoming in turn a socialist, and later, a communist. A successful civil servant before and during WW2, she later moved to Oxford with her husband, Herbert Hart. Her life spans the 20th century, from the hope of the League of Nations to the misery of the 30's and the threat of fascism, from her aspirations as a young woman to the very moving conclusion about her fourth child, born brain damaged and requiring more love and understanding than had ever been asked of her before.

The Swap

Pdeme lo que quieras y yo te lo dare / Ask Me Anything You Want and I'll Give it to You

A breathtaking story of complicated friendships, twisted love and the fine line between life and death. The perfect thrill for fans of Sophie McKenzie and Cat

Clarke

The Devil's Thief

In a gripping sequel to celebrated novel, *Fracture*, New York Times bestselling author Megan Miranda once again straddles the line between life and death. When Carson pulled Delaney out of the frozen water of Falcon Lake, he died on the side of the road with his mouth pressed to hers. When Troy tried to recreate Delaney's accident, the lake took him instead. All the talk about a curse doesn't shake Decker, until yet another unthinkable tragedy strikes. There's just too much coincidence and death for Decker to take . . . and too much anger. Because Delaney knew it was coming, and she never said a word. Falcon Lake still has a hold on them both, and Decker can't forgive Delaney until he knows why.

Pideme Lo Que Quieras

From New York Times bestselling author CD Reiss comes a story of friendship, romance, and growing into a love that was always there. Rachel knew exactly what turning thirty would be like. She had a plan, after all. First college, then a climb up the professional ladder. Love, marriage, children. All of it was on the schedule. The cheap Hollywood apartment wasn't on the list. Neither was the string of heartbreaks. Or the effect her mother's cancer had on her career. It's hard to stay practical and on point when everything takes a left turn. Enter Sebastian, the nerd across the street. The boy she defended when he couldn't defend himself. The best friend she promised she'd marry if life didn't go according to plan. Not only is he successful, confident, and gorgeous, but he also still has their handwritten marriage contract. No one goes through with childhood wedding pacts. That's crazy. But their families might just be crazy enough to rent a hall and set a date. All Rachel and Sebastian have to do is fall in love.

Hysteria

The first book in the epic Evermen Saga. Ella and her brother, Miro, are orphans, their parents killed long ago in the ongoing struggle against the mad Emperor. From the day Ella witnesses an enchanter using his talents to save Miro from drowning, she knows what she wants to be. But the elite Academy of Enchanters expects tuition fees and knowledge. Determined, Ella sells flowers and studies every book she can. Meanwhile, Miro dreams of becoming one of the world's finest swordsmen, wielding his nation's powerful enchanted weapons in defense of his homeland. A dark force rises in the east, conquering all in its path, and Miro leaves for the front. When the void Miro left is filled by Killian, a charming stranger from another land, Ella finds herself in love. But Killian has a secret, and Ella's actions will determine the fate of her brother, her homeland, and the world.

The Terrible Wave

Deenie

Here's the first book in the hilarious Moxy Maxwell series, which includes *Moxy Maxwell Does Not Love Writing Thank-you Notes* and *Moxy Maxwell Does Not Love Practicing the Piano*. It wasn't as if Moxy hadn't tried to do her summer reading. She and Stuart Little had been inseparable all summer, like best friends. If Stuart Little wasn't in her backpack, it was in her lap . . . or holding up the coffee table . . . or getting splashed when Moxy went swimming. But now it's the end of August—the day before fourth grade. And if Moxy doesn't read all of *Stuart Little* immediately, there are going to be "consequences." It may look like Moxy is doing nothing, but actually she is very busy with a zillion highly crucial things—like cleaning up her room (sort of) and training her dog and taking a much-needed rest in the hammock. Just look at the pictures her twin brother Mark takes to document it all—they're scattered throughout—and you'll see why it's so difficult to make time for a book about a mouse. Of course our heroine does manage to finish her book, falling so in love with it that she finds herself reading under the covers with a flashlight, late into the night. From the Hardcover edition.

Changeling

A thirteen-year-old girl seemingly destined for a modeling career finds she has a deformation of the spine called scoliosis.

Ask Me No More

Shy student Penny Taylor always follows the rules. At least, that's how it appears to her classmates. But she has one illicit secret - she's fallen hard for her professor. And she's pretty sure he's fallen for her too. Everyone loves Professor Hunter. He's tall, dark, and handsome. And completely unobtainable. But it's the secrets hiding behind his deep brown eyes that allures Penny. Secrets darker than she could ever imagine. James Hunter gave up his billionaire lifestyle in NYC last year to become a professor. The easiest new rule to follow: don't fraternize with the students. It's easy to follow because he's become quite the recluse in his new town - the only way he knows how to keep his secrets buried. But he never expected to be teaching such a beautiful student. He has to resist her. He needs to walk away. Penny deserves better than a man with his demons. But she's daring him to cross the line. And he's never been one to resist temptation.

Tell Me to Go

Two murders. An abandoned asylum. Will a mysterious former patient help untangle the dark truth? The body of an elderly woman has been found in the bowels of a derelict asylum on the banks of the Thames. As Detective Lew Kirby and his partner begin their investigation, another body is discovered in the river nearby. How are the two murders connected? Before long, the secrets of Blackwater Asylum begin to reveal themselves. There are rumours about underground bunkers and secret rooms, unspeakable psychological experimentation, and a dark force that haunts the ruins, trying to pull back in all those who attempt to escape. Urban explorer Connie Darke, whose sister died in a freak accident at the asylum, is determined to help Lew expose its grisly past. Meanwhile Lew discovers a devastating family secret that threatens to turn his life

upside down. As his world crumbles around him, Lew must put the pieces of the puzzle together to keep the killer from striking again. Only an eccentric former patient really knows the truth--but will he reveal it to Lew before it's too late?

Storybound

From Megan Maxwell, the international bestselling author of *Tell Me What You Want*, comes a seductive romance of breaking up, making up, and waking up to a possible second chance. Dropping a handsome billionaire CEO isn't easy, but Jude Flores can't forgive his betrayal. So she's taking the steps she needs to move on--and far away--from her ex-boss, ex-lover, ex-whatever. And a good place to do it is at her father's house in Spain. Eric Zimmerman isn't the kind of man who gives up. Nothing is going to keep him from following the fiery dream girl who's left him a little brokenhearted and a lot frustrated. It turns out Jude is willing to play chase. But if he wants to catch her, it's her rules or nothing. Not only does Eric agree to the demands, but their fantasies are hotter--and more forbidden--than ever before. Until the real world intrudes once again. With the games on hold and reconciliation on the line, Jude must make a choice: trust in Eric and surrender, or start a new future without him.

The Last Magician

In this spellbinding sequel to the New York Times bestselling *The Last Magician*, Esta and Harte set off on a cross-country chase through time to steal back the elemental stones they need to save the future of magic. Hunt the Stones. Beware the Thief. Avenge the Past. Esta's parents were murdered. Her life was stolen. And everything she knew about magic was a lie. She thought the *Book of Mysteries* held the key to freeing the Mageus from the Order's grasp, but the danger within its pages was greater than she ever imagined. Now the *Book's* furious power lives inside Harte. If he can't control it, it will rip apart the world to get its revenge, and it will use Esta to do it. To bind the power, Esta and Harte must track down four elemental stones scattered across the continent. But the world outside the city is like nothing they expected. There are Mageus beyond the Brink not willing to live in the shadows—and the Order isn't alone in its mission to crush them. In St. Louis, the extravagant World's Fair hides the first stone, but an old enemy is out for revenge and a new enemy is emerging. And back in New York, Viola and Jianyu must defeat a traitor in a city on the verge of chaos. As past and future collide, time is running out to rewrite history—even for a time-traveling thief.

The Bone Jar

Sisters are born, not chosen. . . Maddie Crane is grappling with the disappearance of Cordelia LeClaire, and trying to escape the grasp of The Sisters of Misery--an insidious clique of the school's most powerful girls, whose pranks have set off a chain of horrific events, and who have Maddie in their sights. . . Beware the sister betrayed. . . Now in a prestigious boarding school far away from her mysterious hometown of Hawthorne, Massachusetts, Maddie feels free from danger. But when an unmarked envelope arrives at her dorm containing a single ominous tarot card, Maddie realizes with terror that some secrets won't stay buried. Knowing she must

return to Hawthorne--a town still scarred by the evil of the Salem witch trials--Maddie prepares to face the fears of her past. . .and the wrath of the sister she wronged. Praise for Megan Kelley Hall and *Sisters of Mercy* "An exciting, dangerous, and mysterious world! Megan Kelley Hall has crafted a story that'll keep you guessing until the last page." --Richelle Mead, author of the *Vampire Academy* series "One of the very best things in life is discovering an author you want to read more of. *Sisters of Misery* makes me want to read a whole lot more of Megan Kelley Hall." --Ellen Hopkins, author of *Crank* and *Impulse* "Hall will leave readers eager to know what happens next." --Publishers Weekly

Leveling The Field

I've lived in nine towns in the past six years. I know my mom feels bad about it, but I don't mind. Who wants friends anyway? All I've ever needed are my books. I've lived a thousand lives, had adventures I couldn't even begin to imagine. To me, the places I discovered between the pages of a book are as real as the world I live in. When I walk into my favorite bookstore, the last thing I expect is to walk out onto the pages of the kingdom of Mithresor that the book boyfriend I've loved more than life, Kane the Traveler, really exists. And he has no clue the fate that awaits him in book five Now that I know the truth, I have a chance to save Kane. But if I change the story, will I ever find my way home?

How To Hold a Cockroach: A Book for Those who are Free and Don't Know it

Ex-Army Ranger Erik Grady lives for the job. So when his chief at the Boston Fire Department offers him two choices—mandated therapy for supposed PTSD or a permanent desk job at the station, he reluctantly agrees to see a shrink. Only this doctor is unlike anything he expected. Female and curved in all the right places? Check. Hotter than a four-alarm fire? Check. The kind of woman that can heat his blood in and out of bed? Check, check. And oh, yeah, he just happens to have first hand experience Of all the men to walk into psychologist Olivia Jones' office, why did it have to be him? Her one-night stand isn't playing by the rules of just. One. Night. She's had her heart broken in the past, and no way is she going there again. And now he's blackmailing her into three dates? Well, if that's what it takes to make him see a different therapist, fine. She can handle it. So what if the chemistry between them is combustible? She's a professional, damn it. She'll date Mr. I'm Too Sexy For My Bunker Pants. But it won't end in the fun he expects. It's time to see how much heat this fireman can take

Temptation

Now a Disney Channel Original Movie, Megan Shull's smart and funny twist on *Freaky Friday* is perfect for fans of Wendy Mass, Jerry Spinelli, and Jon Scieszka! This middle grade novel is an excellent choice for tween readers in grades 5 to 6, especially during homeschooling. It's a fun way to keep your child entertained and engaged while not in the classroom. With one random wish, Jack and Ellie are living life in each other's shoes. He's her. And she's him. ELLIE assumed popular guys didn't worry about body image, being perfect, or talking to girls, but acting like

you're cool with everything is tougher than it looks. JACK thought girls had it easy—no fights with bullies, no demanding dads, no power plays—but facing mean girls at sleepovers and getting grilled about your period is way harder than taking a hit to the face at sports practice. Now they're dealing with each other's middle school dramas—locker room teasing, cliques, video game battles, bra shopping, and a slew of hilariously awkward moments—until they hopefully switch back! Told in both Jack's and Ellie's voices, *The Swap* offers a fresh and honest take on tween friendship, all while exploring more serious themes of family, loss, empathy, and what it really means to be yourself. And as Jon Scieszka says, it's "seriously, truly, fearlessly funny!"

ESA Decisions by Closed-door Settlement

Reclusive magazine exec Ethan Talley is furious when his business partner hires a photographer—a gorgeous photographer who insists on speaking her mind, damn it—to take pictures for an upcoming article. No matter how badly he wants the woman under him, over him, against the nearest wall he has reasons for not wanting to be on camera anymore, and his scars are only one of them. It takes approximately two seconds for Lissa Kingsman to recognize Ethan as the popular YouTube gamer who fell off the planet years ago. But this Ethan is different than the charming man she used to watch, and the crush she had on him then is nothing compared to the way she's lusting after the brooding man he is today. If sex is all he can give her, fine. Why not use that bearskin rug in her studio for something other than a prop? But she's determined to put a chink in his armor, no matter how much he resists. Each book in the Gamers series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 Changing His Game Book #2 Playing For Her Heart Book #3 Tied to Trouble Book #4 Leveling The Field

The Lost Sister

A vampire's girlfriend dishes the dirt on her travels with a fair through Hungary and her beau Benedikt, who requires her help to redeem his soul. Original.

Hot for the Fireman

His offer: 365 days and nights = \$1 million My addendum: I'm not doing that His promise: Before the year is up, you'll beg for it My days of lying and stealing are over, but then Nicholas Crawford makes me an offer I can't refuse. Spend a year pretending to be his significant other in exchange for \$1 million dollars. I tried to put that part of my life, and those hard-won skills, behind me. But I need the money. He needs a partner. I told him that I'd never sleep with him. He promised me that I would end up begging for it. Now, I want him more than ever. Especially when I run my fingers over his chiseled body and he teases me with his tongue. Especially when he puts his hands on the small of my back and kisses me. I want him so much I am going to scream. I want him so much...I might even beg.

What readers are saying about
Charlotte Byrd: "Extremely captivating, sexy, steamy, intriguing, and intense!"
★★★★★ "Addictive and impossible to put down." ★★★★★ "I can't get enough of

the turmoil, lust, love, drama and secrets!" ★★★★★ "Fast-paced romantic suspense filled twists and turns, danger, betrayal and so much more." ★★★★★ "Decadent, delicious, & dangerously addictive!" ★★★★★

*Beware of spoilers in the reviews

below that are without spoiler alerts.*

Now and Forever

Veterinarian Sal Kennedy's lost her mojo and is desperate to get it back. In fact, as the anniversary of the tragedy that destroyed her life looms large, she'll do anything to erase the painful memories, including overdoing the tequila and making a pass at the most annoyingly inappropriate man on the planet. Fellow veterinarian Doyle Jackson is her flatmate and her employee and therefore strictly off-limits. Unfortunately, Doyle knows how to bring the goods and make her mojo sit up and beg. Doyle is only too happy to oblige Sal in her hour of need, but then she demands more, and she's perfectly happy playing dirty to get it. He wants more, too—more than just sex, that is, and it's something Sal's not willing to give. But Doyle is in this for the long haul now, and he's prepared to fight even dirtier to get what he wants. Even if that means they both keep losing all their clothes in the process Each book in the Naughty or Nice series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 No More Mr. Nice Guy Book #2 Ask Me Nicely

Only Ever You

Maxwell Sim can't seem to make a single meaningful connection. His absent father was always more interested in poetry; he maintains an e-mail correspondence with his estranged wife, though under a false identity; his incomprehensible teenage daughter prefers her BlackBerry to his conversation; and his best friend since childhood is refusing to return his calls. He has seventy-four friends on Facebook, but nobody to talk to. In an attempt to stir himself out of this horrible rut, Max quits his job as a customer liaison at the local department store and accepts a strange business proposition that falls in his lap by chance: he's hired to drive a Prius full of toothbrushes to the remote Shetland Islands, part of a misguided promotional campaign for a dental-hygiene company intent on illustrating the slogan "We Reach Furthest." But Max's trip doesn't go as planned, as he's unable to resist making a series of impromptu visits to important figures from his past who live en route. After a string of cruelly enlightening and intensely awkward misadventures, he finds himself falling in love with the soothing voice of his GPS system ("Emma") and obsessively identifying with a sailor who perpetrated a notorious hoax and subsequently lost his mind. Eventually Max begins to wonder if perhaps it's a severe lack of self-knowledge that's hampering his ability to form actual relationships. A humane satire and modern-day picaresque, *The Terrible Privacy of Maxwell Sim* is a gently comic and rollickingly entertaining novel about the paradoxical difficulties of making genuine attachments in a world of advanced communications technology and rampant social networking. From the Hardcover edition.

Got Fangs?

"Pídeme lo que quieras es sin duda una novela atrevida, en la que el morbo y las fantasías sexuales están a la orden del día"--P. [4] of cover.

Godless

Jack Welch took a company that was already flying high and rocketed it into the stratosphere. What did he use as the launching pad? The Law of Priorities, of course.

Vengeance

New York Times bestselling author Megan Miranda's masterful storytelling brings readers along for a ride to the edge of sanity and back again. Mallory killed her boyfriend, Brian. She can't remember the details of that night but everyone knows it was self-defense, so she isn't charged. But Mallory still feels Brian's presence in her life. Is it all in her head? Or is it something more? In desperate need of a fresh start, Mallory is sent to Monroe, a fancy prep school where no one knows her . . . or anything about her past. But the feeling follows her, as do her secrets. Then, one of her new classmates turns up dead. As suspicion falls on Mallory, she must find a way to remember the details of both deadly nights so she can prove her innocence to herself and others.

Crave

A memorable night of passion refuses to stay just a memory in this sizzling and scandalous romance from bestselling author T L Swan. I was upgraded to first class on a flight from London to New York. The food, champagne, and service were impeccable--the blue-eyed man sitting next to me, even better. He was smart, suave, and sexy. We talked and flirted--and though the plane was unexpectedly grounded, we still felt sky high in each other's company. We danced and laughed our way around Boston and had a night of crazy passion that no woman could forget. That was twelve months ago, and I haven't heard from him--until today. I started a new job and met the CEO. Imagine my surprise when I saw those naughty blue eyes gazing at me from behind his mahogany desk. But I'm not that carefree girl anymore. I have a boyfriend now, and responsibilities. Now he wants to see me in his office for a private meeting. How can I resist?

Fracture

A pesar de las discusiones que provocan sus diferentes caracteres, el empresario Eric Zimmerman y Judith Flores siguen tan enamorados como el día en que sus miradas se cruzaron por primera vez. Juntos han formado una preciosa familia a la que adoran y por la que son capaces de hacer cualquier cosa. Flynn, aquel niño al que Judith conoció al llegar a Munich, se ha convertido en un adolescente y, tal como ocurre a la mayoría de los jóvenes, su vida se complica y afecta a todos los que conforman su entorno. El abogado Bjorn y la exteniente Mel continúan con su bonita historia de amor junto a la pinesa Sami. Sin duda, la convivencia los ha beneficiado mucho. Pero hay algo que Bjorn no consigue de Mel: que se case con él. Las relaciones de las dos parejas van viento en popa. Se quieren, se respetan,

nada parece fuera de lugar, hasta que de repente, personas y sorpresas del pasado irrumpen en sus vidas y lo ponen todo patas arriba. Seran capaces de superar este giro inesperado? Podran con todo el amor que se profesan?; o, por el contrario, cambiarian sus sentimientos para siempre? no te pierdas Pideme lo que quieras y yo te lodare, la esperadisima continuacion de la serie mas morbosa, erotica y sensual de Megan Maxwell. Description in English: Despite discussions caused by their different characters, businessman Eric Zimmerman and Judith Flores are still deeply in love as the day when their eyes met for the first time. Together they have formed a beautiful family they love and for which they are capable of doing anything. Flyn, that child Judith met in Munich, has become a teenager and, as most young people occurs, his life gets complicated and affects everyone who surround him. Bjorn the attorney and Mel the ex-lieutenant continue their beautiful love story along with princess Sami. Undoubtedly, living together has benefited them greatly. But there is something that Bjorn is not getting from Mel: for her to marry him. The relations of the two couples are doing very well. They love and respect each other, nothing seems out of place, until suddenly, people and surprises of the past burst into their lives and turn everything upside down. Will they be able to overcome this unexpected turn of events? Can they keep up with all the love they profess to each other?; or, on the contrary, their feelings will change forever? Don't miss Ask Me For Whatever You Want and I'll give it to you, the anticipated continuation of the most morbid, erotic and sensual series of Megan Maxwell.

The Old Man and The Sea

An account of the life of Salvatore Giuliano.

The Terrible Privacy of Maxwell Sim

In an alternate version of present-day Manhattan, magic is dying, and Esta, a Mageus with a talent for manipulating time, travels back to 1901 to stop the destruction of a book that can possibly restore magic, but in Old New York, Esta must navigate gangs, secret societies, and her feelings for another magician in order to save the future of magic.

Enchantress

14 "BEST OF DECEMBER 2018" Lists Including Entertainment Weekly, BBC.com, New York Magazine / Vulture, Bustle, The Millions, Crimereads / LitHub, Book Riot, Asymptote Journal, Vol. 1 Brooklyn , Bust, Pop Sugar and Words Without Borders A novel of glamour, surveillance, and corruption in contemporary Cuba, from an internationally bestselling author--who has never before been translated into English Cleo, scion of a once-prominent Cuban family and a promising young writer in her own right, travels to Spain to collect a prestigious award. There, Cuban expats view her with suspicion--assuming she's an informant for the Castro regime. To Cleo's surprise, that suspicion follows her home to Cuba, where she finds herself under constant surveillance by the government. When she meets and falls in love with a Hollywood filmmaker, she discovers her family is not who she thought they were . . . and neither is the filmmaker.

God Protect Me from My Friends

"You always have a choice" A heartbroken and miserable boy begins a life-changing journey when a menacing guest disturbs him at dinner. Confronted one-by-one by the sources of his torment, the boy is forced to consider some of life's key questions: What makes one thing vile and another sacred? How can I be at peace with a broken heart, a bruising childhood, or a critical illness? What decides how I experience life? What am I? With a surprising and simple message, How to Hold a Cockroach is a moving love letter to humankind, a book for all who are free and don't know it yet. 42 Beautiful Illustrations The hardcover edition is 7x10 inches and contains full-color illustrations. The paperback edition is 6x9 inches and contains black-and-white illustrations. The Kindle edition contains full-color illustrations (or black-and-white if color is not supported on your device). For All Ages A children's book for adults, How to Hold a Cockroach may be enjoyed by everyone.

Revolution Sunday

An open, inventively sensual couple, they've indulged every desire. But there are still more surprises to come in a heated romance by bestselling author Megan Maxwell. Jude is waking up to two stunning sights: the hot white sands of the Mexican Caribbean coast and the even hotter Eric Zimmerman. And he's hers forever. What more can she wish for from a man who's fulfilled every fantasy? The honeymoon isn't over yet. Eric has never felt so intimately close to the woman he loves. Heart, body, and soul, they're made for each other. And with a wife as insatiably kinky as he is, they're ready and willing to try anything. Can it get any better? It can, in ways Eric could only have dreamed of. But hopes and dreams, especially those of family, can be hard won. Because in their almost-perfect, almost-anything-goes love story, Jude and Eric must trust in each other and fight

for what they want next--and what they want most. It's a new beginning. Together, against the odds, they are heading for the happy ever after they deserve.

The Tower of the Antilles

Defining success is a difficult task. Most people equate it with wealth, power, and happiness. However, true success is not a thing you acquire or achieve. Rather, it is a journey you take your whole life long. In a refreshingly straightforward style, John Maxwell shares unique insights into what it means to be successful. And he reveals a definition that puts genuine success within your reach yet motivates you to keep striving for your dreams. I want to help you discover your personal road map for success, teach you what it means to be on the success journey, answer many of your questions, and equip you with what you'll need to change yourself and keep growing. - John C. Maxwell

Moxy Maxwell Does Not Love Stuart Little

Wyoming author Jami Rogers brings you six romantic stories of what happens when love never comes with a warning. JUST ONE KISS: He kissed me. I slapped him. That's the last time I thought about Ethan. Now he's back, and screw him—he isn't allowed to break my heart and then show up years later looking like July in a fireman's calendar and ruining my chances at running the Black Alcove bar. Nope. I have plans and they don't include him. I tried to forget her. I failed. The moment I saw Kelsey again I knew I was doomed. I have one task while I'm here, and having her one breath away makes me forget how to be the responsible man I've worked so hard to become. JUST ONE NIGHT: Love has horrible timing. We're finally on the same page and want the same things. Being hundreds of miles apart won't ruin anything ... will it? She was never just my friend. Then that night happened and everything changed. Now, it's changing again and this time, I'm going to fight. JUST ONE TOUCH: I have a secret. I haven't told anyone because I'm not ready. Conner makes me feel ready. He makes me feel ... things. Telling him should be simple, so why isn't it? I hate liars. I just want honesty, and I finally found it with Alexis. Then again, maybe I didn't. She came to Wind Valley for a reason, a huge reason, and she didn't trust me enough to tell me. Why would I hand her my heart, if she can't do the same? JUST ONE MOMENT: Start over and don't draw attention. So much for that—I just witnessed vandalism and now he thinks I did it. If stubborn men aren't supposed to be sexy, this one didn't get the memo. I have no money—now I have to spend last year's salary to put the store back together and deal with her. She's a vandal and a liar. Not thinking about her should be easy. Her ass. Her lips. Her eyes. Yes, I'll forget about her ... any moment now. JUST ONE SPARK: I just wanted to have no-strings-attached sex to celebrate my new job. Not meet a new coworker, not gain competition, and definitely not Maverick Mitchell. I don't care how gorgeous his grin is, he isn't getting in my way. I screwed up. So what. It was a mistake. I shouldn't have to keep proving myself over and over because of it. Especially when the result comes with two choices. And one of them doesn't include Beth. JUST ONE LOVE: My entire life is a lie. He launched my salty reputation. Yet, here I am, doing him another favor so he can get what he wants—maybe then I can dislodge him from my heart. There's an emptiness in my life. Yet I have everything I need, or at least, I thought I did. It was supposed to be a simple deal between friends. Friends? Yeah, right. I should have known we're too

volatile for that.

Tell Me What You Want--Or Leave Me

"Why mess around with Catholicism when you can have your own customized religion?" Fed up with his parents' boring old religion, agnostic-going-on-atheist Jason Bock invents a new god -- the town's water tower. He recruits an unlikely group of worshippers: his snail-farming best friend, Shin, cute-as-a-button (whatever that means) Magda Price, and the violent and unpredictable Henry Stagg. As their religion grows, it takes on a life of its own. While Jason struggles to keep the faith pure, Shin obsesses over writing their bible, and the explosive Henry schemes to make the new faith even more exciting -- and dangerous. When the Chutengodians hold their first ceremony high atop the dome of the water tower, things quickly go from merely dangerous to terrifying and deadly. Jason soon realizes that inventing a religion is a lot easier than controlling it, but control it he must, before his creation destroys both his friends and himself.
