deserves special kudos for its courage in tackling the new frontier of social media marketing. This textbook challenges its readers to grapple with the daunting task of understanding rapidly evolving social media and its users."—TAA Judges Panel Social Media Marketing was the first textbook to cover this vital subject. It shows how social media fits into and complements the marketer's toolbox. The book melds essential theory with practical application as it covers core skills such as strategic planning for social media applications, incorporating these platforms into the brand's marketing communications executions, and harnessing social media data to yield customer insights. The authors outline the "Four Zones" of social media that marketers can use to achieve their strategic objectives. These include: 1. Community (e.g. Instagram) 2. Publishing (e.g. Tumblr) 3. Entertainment (e.g. Candy Crush Saga) 4. Commerce (e.g. Groupon) This Second Edition contains new examples, industry developments and academic research to help students remain current in their marketing studies, as well as a new and improved user-friendly layout to make the text easy to navigate. INTERNET MARKETING, 3RD EDITION provides comprehensive coverage of the rapidly changing field of Internet marketing that is timely and relevant. It relies on extant marketing theory where appropriate and introduces many conceptual frameworks to structure student understanding of Internet marketing issues. Above all, it works on the premise that the Internet—whether used as a medium of communication or as a channel of distribution—is only one component of the contemporary marketer's arsenal. The key issue facing marketers today is how to best integrate this powerful new component, continuing developments in Internet marketing into their strategies and media plans. That ongoing challenge represents the essential theme of this text.
