Embroidery Projects in Miniature

Trish has always been fascinated by miniature art and for years has had a yen to try and embroider smaller pieces, there is something so endearing about little paintings with all the detail and form of a larger piece, not to mention the fact that they are much quicker to stitch! When Trish sat down to consider ideas for this book, she wanted not only something that provided a good choice, with lots of projects, but also to ensure that each project was worthy of stitching. The designs needed to be fresh and appealing, to depict the pretty, romantic illustrations typical of the Victorian and post-Victorian eras. Teaching embroidery has helped Trish to understand the need for clarity in both the technique and project instructions, so instructions on everything about long and short stitch and how to adapt it to fit different situations and projects have

been provided. Each project is accompanied by a detailed thread diagram which shows exactly which colour should be used and where. The small size of the designs allows for great flexibility in their final use - such as group framing, making up into cushions, book covers, quilt squares, needle cases, box lids, tote bags, pockets on clothing and so on. Following the portraits, birds and flowers, a section with much smaller Victorian pansies and buds, again with thread diagrams has been added.

A fun, witty, nerdy, and irreverent craft book for the modern cross-stitcher. Sometimes it's good to be a little improper. Profane, funny, and smart, Haley Pierson-Cox's IMPROPER CROSS-STITCH invites the modern crafter to bring personality and humor to their cross stitch projects. From a fully designed "Damn it feels good to be a crafter" to the beautiful Art Deco inspired "fuck," Haley's patterns are fresh, lively and just what the crafter ordered. In this book, she'll introduce readers to the joys of stitching the naughty, the profane, the irreverent, and the just plain awesome. First, she starts with a basic lesson in cross-stitch technique, no previous experience required. Then, once readers know your way around an embroidery hoop and a skein of floss, the books moves on to the designs—35 in total, ranging from hip, to nerdy, to ironically domestic—where Haley encourages crafters to embrace their inner snark with gleeful abandon. Her easy to follow instructions and colorful designs can make a cross stitcher out of anyone. In all her years of crafting, Haley's learned many things, but this simple fact remains one of the most important: There is absolutely nothing in this world quite so satisfying as enshrining something deeply inappropriate within the delicate stitches of a cross-stitch sampler. It's truly one of life's great delights!

Miniature embroideries from the Tudor age—all richly patterned and historically correct—are a brilliant touch in period dolls' houses. From sumptuous bed hangings and elaborate screens to imaginative, skillfully produced chair covers, footstools, and cushions, the variety will amaze and inspire. Canvaswork, stumpwork, crewelwork, and blackwork are just some of the techniques employed, and instructions cover design transfers, bonding, coloring, and finishing. Among the splendid pieces: Oxburgh Bed Hangings, originally stitched by Queen Mary of Scots, with panels featuring dozens of animal, floral, fruit, and other motifs; a glittering Gold Trellis Bedcover and Pillow; a Landscape Carpet (from an original in the Victoria and Albert Museum), and decorative mirror frames, pincushions, and a Millefleurs screen.
