### **English File Third Edition Pre Intermediate Student Book (Uk)**

`Extremely comprehensive and well written in terms of style - accessible to the reader, but intelligent and expressing some fairly subtle concepts. Would that more ELT practitioners could do the same! Certainly a good read for those thinking about and also those engaged in initial training - or even post initial training stage' - Jenny Pugsley, Head of TESOL, Trinity College London 'It's essential reading whether you are simply curious about what is involved in training in ELT, need advice on choosing the right course, have already enrolled and want to make the most of your course, or are a new teacher just starting out. It's a book I wish I'd had when I was starting out in my ELT career, and that I wish had been available to many of the course participants I have tutored' - Lyn Strutt, ELT author and Chair of the British Council Families Association Each year, thousands of people all over the world take one of the hundreds of available short pre-service courses that lead to the award of a certificate in English Language Teaching (ELT) or Teaching English to Speakers of Other Languages (TESOL). Caroline Brandt's book is an invaluable guide to anyone thinking of enrolling on one of these courses. With a clear and concise structure that follows your general interest in TESOL right

through to the intricacies of the course itself, it can be used from initial research stages to final qualifications, and beyond. Brandt's decades of experience in this field across the globe shine through. Chapters include: -introducing English Language Teaching -becoming qualified -knowing your certificate course -getting started -learning -working together -being qualified. Throughout the book there are snapshots of students' experiences in their own words, and summaries of key points for you to take with you - whether into the next stage of learning or the next day's teaching. The chapters are stand alone resources as well as the building blocks to becoming a fully-qualified English Language teacher. The book is supported by a companion website, which provides quizzes to test understanding of each chapter, lesson plan proformas, a full glossary and annotated website links.

### **Innovate Inside the Box**

### **Teaching Grammar to a Grammar-Free Generation**

English File is a flexible course for adults and young adults which reflects the realities of both learning and teaching. At each of the first two levels, there is a fast-track core of 60 hours' class work, with additional material which can extend the course to more than 120 hours. English File 1 is for beginners and false beginners.

English File gives students a real sense of achievement and progress. It offers clear learning objectives, an organized approach to revision and reference work, and a fully integrated home-study programme. For teachers, there are well-planned lessons that work, a realistic syllabus focusing on what can be achieved in a first level course, and a complete source of ready-to-use supplementary materials. • Lessons which cover the grammar pronunciation, and vocabulary syllabus of the course, with in-built revision and recycling. • Systematic pronunciation work, with a memorable and learner-friendly introduction to English sounds. • Graded listening materials and tasks. • Travel with English. Functional language, practical communication in international 'survival' contexts. • Revision and extension. Consolidation and development of core lessons through skills work. • Vocabulary file. Systematic vocabulary development and revision, and learning tips. • Grammar file. Self-check grammar reference in language graded for beginner level. • Word bank. An active picture dictionary for memorable study and reference.

## **English File 2**

A new edition of the best-selling English File, improved throughout with brand new digital components to use inside and outside the classroom. English File Third edition - the best way to get your students talking. The English File concept remains the same - fun, enjoyable lessons which get students talking through the right mix

of language, motivation, and opportunity - but now the content and the components have been updated and improved for students and teachers. The English File third edition digital components help to make the most of teaching and learning opportunities inside and outside the classroom. The digital package includes: iTools (a digital classroom resource), iTutor and iChecker for students, Pronunciation App for mobiles, Online Workbook, Student's and Teacher's websites.

### **English File 1**

This is a unique book that covers innovative grammar teaching approaches and techniques for a modern generation of EFL/ESL students. It juxtaposes traditional grammar teaching methods with newer ones, and reveals the advantages and disadvantages of each. Moreover, it provides free and controlled grammar activities which offer instructors an ample variety of tasks that facilitate EFL/ESL teachers' work to practice certain grammatical patterns.

## **Success on your Certificate Course in English Language Teaching**

In *Innovate Inside the Box*, George Couros and Katie Novak provide informed insight on creating purposeful learning opportunities for all students. By combining the power of the Innovator's Mindset and Universal Design for Learning (UDL), they empower educators to create opportunities that will benefit every learner.

## **English File: Advanced. Student's Book with ITutor and Online Skills**

A “lively” memoir by the Hollywood legend about the making of *Spartacus*, with a foreword by George Clooney (*Los Angeles Times*). One of the world’s most iconic movie stars, Kirk Douglas has distinguished himself as a producer, philanthropist, and author of ten works of fiction and memoir. Now, more than fifty years after the release of his enduring epic *Spartacus*, Douglas reveals the riveting drama behind the making of the legendary gladiator film. Douglas began producing the movie in the midst of the politically charged era when Hollywood’s moguls refused to hire anyone accused of Communist sympathies. In a risky move, Douglas chose Dalton Trumbo, a blacklisted screenwriter, to write *Spartacus*. Trumbo was one of the “Unfriendly Ten,” men who had gone to prison rather than testify before the House

Un-American Activities Committee about their political affiliations. Douglas's source material was already a hot property, as the novel *Spartacus* was written by Howard Fast while he was in jail for defying HUAC. With the financial future of his young family at stake, Douglas plunged into a tumultuous production both on- and off-screen. As both producer and star of the film, he faced explosive moments with young director Stanley Kubrick, struggles with a leading lady, and negotiations with giant personalities, including Sir Laurence Olivier, Charles Laughton, Peter Ustinov, and Lew Wasserman. Writing from his heart and from his own meticulously researched archives, Kirk Douglas, at ninety-five, looks back at his audacious decisions. He made the most expensive film of its era—but more importantly, his moral courage in giving public credit to Trumbo effectively ended the notorious Hollywood blacklist. A master storyteller, Douglas paints a vivid and often humorous portrait in *I Am Spartacus!* The book is enhanced by newly discovered period photography of the stars and filmmakers both on and off the set.

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

Four-skills American English course with a communicative methodology, engaging texts, and a strong pronunciation syllabus - designed to get students speaking. With texts and topics that make learners want to speak, American English File is the course that gets students talking. It gives you full skills coverage with a clear focus on pronunciation, plus wide-ranging support and resources too. Resources include Test Generator CD-ROMs, DVDs, Multi-ROMs, and websites. The highly popular teacher's site has extra lesson ideas and resources for you to download.

## **English file : student's book & itutor pack**

### **English File**

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without

money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

### **Test and assessment CD-ROM**

The Das Kapital of the 20th century, Society of the Spectacle is an essential text, and the main theoretical work of the Situationists. Few works of political and cultural theory have been as enduringly provocative. From its publication amid the social upheavals of the 1960's, in particular the May 1968 uprisings in France, up to the present day, with global capitalism seemingly staggering around in it's Zombie end-phase, the volatile theses of this book have decisively transformed debates on the shape of modernity, capitalism, and everyday life in the late 20th century. This 'Red and Black' translation from 1977 is Introduced by Notting Hill armchair insurrectionary Tom Vague with a galloping time line and pop-situ verve, and given a more analytical over view by young upstart thinker Sam Cooper.
