The Academy and Literature

Oxford Modern English Grammar

Originally published in 1972. 1900-1970 saw extensive changes in the teaching of English in schools. The volume studies English instruction as it developed at junior and secondary level over this period. Using textbooks, method books, Board and Ministry Reports and other contemporary opinion, the book examines the basic questions arising from this historical survey. Whilst the main emphasis is on changes in actual classroom methods, the volume also examines the wider social pressures which have modified the school system in the UK as well as English as a subject in that system.

The Educational Times

The Problem of the Unemployed

This handbook provides an authoritative, critical survey of current research and knowledge in the grammar of the English language. Following an introduction from the editors, the volume's expert contributors explore a range of core topics in English grammar, beginning with issues in grammar writing and methodology. Chapters in part II then examine the various theoretical approaches to grammar, such as cognitive, constructional, and generative approaches, followed by the chapters in part III, which comprehensively cover the different subdomains of grammar, including compounds, phrase structure, clause types, tense and aspect, and information structure. Part IV offers coverage of the relationship between grammar and

other fields - lexis, phonology, meaning, and discourse - while the concluding part of the book investigates grammatical change over time, regional variation, and genre and literary variation. The handbook's wide-ranging coverage will appeal to researchers and students of English language and linguistics from undergraduate level upwards.

The O'Ruddy

The Oxford English Grammar

The United States Catalog Supplement, January 1918-June 1921

The Oxford Primary Grammar, Punctuation, and Spelling Dictionary is the essential reference book for the test in May 2013. In full colour, it has easy-to-use rules and help, plus an alphabetical list of the tricky, and everyday, words including those most commonly misspelt, all backed by analysis of Oxford's unique database of children's writing.

An Initiatory English Grammar for Junior Classes

The Education Outlook

Oxford Primary Grammar, Punctuation and Spelling Dictionary

Covers written and spoken British and American English and reviews grammar, usage, punctuation, and phonetics

Oxford Guide to English Grammar

The Oxford Guide to English Grammar is a systematic account of grammatical forms and the way they are used in modern standard English. It is designed for learners at intermediate and advanced levels and for teachers, and is equally suitable for quick reference to details or for the more leisurely study of grammatical topics. The emphasis is on meaning in the choice of grammatical pattern, and on the use of patterns in texts and in conversations.

Outlines of English grammar for the use of junior classes

Including examples of real usage, this handy volume provides clear information about grammar and punctuation that we need on a day-to-day basis in over 300 entries. Revised and updated, The Oxford A-Z of Grammar and Punctuation offers accessible and coherent explanations across a broad range of topics, and is the first port of call for any reader seeking clear, authoritative help with grammar and punctuation. Both easy to use and comprehensive, it is an essential tool for writing at home, in the office, at school, and at college.

Education Outlook

Captain Fortune

The Cumulative Book Index

A level 1 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read.

Written for Learners of English by Michael Dean. Do you believe in ghosts? Jerry doesn't. He's a nineteen-year-old American, who just wants a good holiday with his friend, Brad. They are travelling round the north of England by bicycle. But strange things begin to happen in the small hotel where they are staying. First, Brad seems to think that he has been there before. And then a girl called Ellen appears . . . The first of these three original plays is set in the seventeenth century, and the other two take place in modern times. In each play, a ghost comes back from the dead to change the lives of living people.

The Business of Insurance

The Mahabharata is the 'book of books'. It is an encyclopedia of ancient Bharat (India). That is why it is said, 'What is not in the Mahabharata is not in Bharat (India)'. Expanse and depth of thoughts and ideas in this book are bewildering. The highest and lowest of human nature are painted in glowing colors. The stories of gods, men, demons, birds, beasts, insects and plants are spread on a big canvas. Conflicts of emotions and call of duty, the wisdom and foolishness of human endeavors described in the Mahabharata, stun the readers. The variety of characters and situations are perennial source of inspiration for politicians, poets, writers and scholars. Even for saints and sages. The Mahabharata is full of interesting and instructive fables. Much before the Aesop's fables, and the Panchtantras, the Mahabharata presented gems of political, diplomatic and humanitarian thoughts and ideas through the fables. They are used to impart valuable ethical and social lessons. The fables from the Mahabharata provide us practical knowledge and also elevate us to higher ethical standards.

Francois de Fenelon

Oxford Modern English Grammar is Oxford's brand new and definitive guide to English grammar. This book has been written by a leading expert in the field, covers both British and American English, and makes use of authentic spoken and written examples. Arranged in four clear parts for ease of use, its comprehensive coverage ranges from the very basic to the most complex aspects of grammar, all of which are explained clearly yet authoritatively. This descriptive source of reference is invaluable for those with an interest in the English language, undergraduate and postgraduate students, and for anyone who would like a clear guide to English grammar and how it is used.
