Much Ado about Nothing

In Farāmarz, the Sistāni Hero Marjolijn van Zutphen discusses the role played by the legendary warrior Farāmarz in the shorter and the longer Farāmarznāme, compared to his appearances in several other later epic poems and in Ferdowsi's Shāhnāme.

Direct Support and General Support Maintenance Manual (including Repair Parts and Special Tools List) for 2.75-inch Low Spin, Folding Fin Aircraft Rockets, 66-mm Light Antitank Weapon Systems, 3.5-inch Rockets and M3A2E1 Rocket Motor (JATO).

In this volume, Richard J. Clifford seeks to make the biblical wisdom literature intelligible to modern readers. It is easy to quote the occasional proverb, say a few things about "the problem of evil" in Job, or quote "vanity of vanities, " but far more rewarding to read the whole book with an appreciative and informed eye. Opening chapters of The Wisdom Literature comment on the striking similarities between ancient and modern "wisdom literature" and on the comparable literature from ancient Mesopotamia, Egypt, and Canaan. Thereafter, a chapter is devoted to each biblical wisdom book (Proverbs, Job, Ecclesiastes, Song of Songs, Sirach, and Wisdom of Solomon), studying not only its content but also its rhetoric -- how it engages the reader.

Much Ado has always been popular on the stage. This edition pays especial attention to the history and range of theatrical interpretation, in which the most famous actors, from the time of Garrick to the present, have appeared as the sparring lovers Benedick and Beatrice. A full commentary includes annotation of the many sexual jokes in the play that have been obscured by the complexity of Elizabethan language. For this updated edition Angela Stock has added a new section to the Introduction in which she reviews the romantic and the darker, more cynical aspects of the play in the light of late twentieth-century stage, film and critical interpretations. She also tackles the interesting question of Beatrice's proper age and the critical fortunes of Hero and Claudio in terms of the play's interest in sexuality and misogyny, eavesdropping and deception.

The Hero as Man of Letters

This collection explores contemporary superhero narratives, including comic books and films, in a wider mythic context.

Since the 1930s superheroes have come to dominate a variety of media formats. Why are audiences so fascinated with heroes, and what makes the idea of heroes so necessary in society?

Explains how to construct and deliver the most witty, memorable lines in conversation and in print. By the author of Thank You for Arguing. Original.

Descriptive catalogue of plays, and dramatic works

When Buck Wyatt and his sisters inherit Broken Arrow Ranch, it comes with a catch: One of them has to be on the premises at all times for one year, or they'll lose it. So Buck counts on setting up stakes. What he doesn't count on is lovely fortune hunter Rainey Brewster. He soon realizes the woman is telling the truth about a hidden gold mine—and that his interest in her goes beyond professional. Yet as their search for gold—and their passion for each other—intensifies, it's clear someone wants them off the land—and is willing to kill for it.
