Netbooks are the hot new thing in PCs -- small, inexpensive laptops designed for web browsing, email, and working with web-based programs. But chances are you don't know how to choose a netbook, let alone use one. Not to worry: with this Missing Manual, you'll learn which netbook is right for you and how to set it up and use it for everything from spreadsheets for work to hobbies like gaming and photo sharing. Netbooks: The Missing Manual provides easy-to-follow instructions and lots of advice to help you: Learn the basics for using a Windows- or Linux-based netbook Connect speakers, printers, keyboards, external hard drives, and other hardware Get online using a wireless network, a public network, broadband cards, or dial-up Write email, browse the Web, transfer bookmarks, and add tools to your web browser Use business tools like Google Docs and Office for Netbooks Collaborate with others online via instant messaging Edit and share photos, play games, listen to music, and watch TV and movies online You'll also learn about web-based backup and storage, staying secure online -- especially when using wireless networks -- and tips for troubleshooting. Netbooks point to the future of computing, and Netbooks: The Missing Manual will show you how to get there.

Apple's iPods continue to set the bar for media players, with bold new features like the Touch's supersized screen and Siri voice control. But iPods still lack a guide to all their features. That's where this full-color book comes in. It shows you how to play music, movies, and slideshows; shoot photos and videos; and navigate Apple's redesigned iTunes media-management program. The important stuff you need to know: Fill it up. Load your iPod with music, photos, movies, TV shows, games, ebooks, and podcasts. Manage your stuff. Download media and apps from the iTunes and App Stores, then organize your collection. Tackle the Touch. Send email and instant messages, make FaceTime calls, and shoot photos and HD video with the Touch's 5-megapixel camera. Go wireless. Use the Touch's new iOS 6 software to sync content wirelessly. Relish the Nano. Enjoy video and photos on the Nano's new big screen, and chart your workouts with the Nike+ pedometer. Master the Shuffle and Classic. Get mucho music on the little Shuffle, and use the Classic's giant hard drive to tote around your audio and video collections. Pump it up. Blast iPod tunes through your home and car stereo.
