## **Development of a Checklist for Evaluating Emergency Procedures Used in Nuclear Power Plants**

A Pulitzer Prize winner interviews workers, from policemen to piano tuners: "Magnificent . . . To read it is to hear America talking." —The Boston Globe A National Book Award Finalist and New York Times bestseller Studs Terkel's classic oral history *Working* is a compelling look at jobs and the people who do them. Consisting of over one hundred interviews with everyone from a gravedigger to a studio head, this book provides a "brilliant" and enduring portrait of people's feelings about their working lives. This edition includes a new foreword by New York Times journalist Adam Cohen (Forbes). "Splendid . . . Important . . . Rich and fascinating . . . The people we meet are not digits in a poll but real people with real names who share their anecdotes, adventures, and aspirations with us." —Business Week "The talk in *Working* is good talk—earthy, passionate, honest, sometimes tender, sometimes crisp, juicy as reality, seasoned with experience." —The Washington Post

## **Reports**

Although Japanese companies have not have been in the spotlight in recent years, it would be almost impossible to gain an understanding of them and their management practices and organizations without noting the transformations they have undergone in over a decade since the new millennium. It is imperative to bridge the gulf between what is known about Japanese companies in their heyday and what is unknown about them struggling to survive and transform in the past decade or more. In this volume, the author explores the transformations that have taken place in Japanese workplaces in the last twelve years, in terms of management practices, particularly in the areas of human resource management (HRM) and organizational culture.
