The AMA Handbook of Business Letters

From time to time, your friends, relatives, and business associates will need you to write character references, letters of recommendation, introduction to business colleagues, reference letters to college admission boards and committees, and nominations for awards. Writing that letter or email puts your friend, family member, or colleague in the limelight- and banks a favor for your own future. So don't let that task of phrasing a great letter keep you from helping someone in these situations. Get to the point immediately. Introduce or recommend the person in the first sentence or paragraph. Overview the person's association with you: In what capacity did you know this individual? How have you become aware of his or her skills, talent, character traits, contributions, or success? Avoid making exaggerated claims that will sound insincere and may set both parties up for disappointment. Close by expressing confidence that any future association between the reader and your friend, family member, or colleague will be mutually rewarding. With writing reference letters or letters of recommendation, you'll have a unique chance to do a favor for two people-with only a few strokes on your keyboard and a few minutes' time. If you'd like to make the reference letter writing process even easier, we can help even more. If you still can't find the right words for that special reference letter, try our professionally written

expert, will help you find the right words--and avoid the pitfalls--of creating a letter of recommendation. Author Paul Bodine explains what makes a recommendation letter good and also what can make it ineffective. The book contains paragraph-length examples of effective recommendation letter writing for all types of situations.

How to Write Successful Letters of Recommendation

A Best Book of the Year: NPR and Boston Globe Finally a novel that puts the "pissed" back into "epistolary." Jason Fitger is a beleaguered professor of creative writing and literature at Payne University, a small and not very distinguished liberal arts college in the midwest. His department is facing draconian cuts and squalid quarters, while one floor above them the Economics Department is getting lavishly remodeled offices. His once-promising writing career is in the doldrums, as is his romantic life, in part as the result of his unwise use of his private affairs for his novels. His star (he thinks) student can't catch a break with his brilliant (he thinks) work Accountant in a Bordello, based on Melville's Bartleby. In short, his life is a tale of woe, and the vehicle this droll and inventive novel uses to tell that tale is a series of hilarious letters of recommendation that Fitger is endlessly called upon by his students and colleagues to produce, each one of which is a small masterpiece of high dudgeon, low spirits, and passive-aggressive strategies. We recommend Dear Committee Members to you in the strongest possible terms. From the Trade Paperback

The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website Ask a Manager and New York’s work-advice columnist. There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Advance praise for Ask a Manager “A must-read for anyone who works . . . What if you could get in consciously. Knowing the universe has your back? What if you surrendered a bit and knew that the world is here to support you, and that having a team can help you and your family get through this in a relaxed and strategic way? In this book, I am going to literally walk you through exactly how to help your child from building a college list, all the way to submitting applications. Just a quick disclaimer, this book is NOT guaranteed to get you into a top college. The truth is that the level of success for children is highly related to their own work, and while I have been an incredible coach and mentor to help mold and shape children's lives around

How To Say It

The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site *The Professor is In*, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including:

Dear Mr. Henshaw

Writing an amazing college admission essay is easier than you think! So you're a high school senior given the task of writing a 650-word personal statement for your college application. Do you tell the story of your life, or a story from your life? Do you choose a single moment? If so, which one? The options seem endless. Lucky for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want

to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping you up at night: How do I brag in a way that doesn't sound like bragging? and How do I make my essay, like, deep? Packed with tips, tricks, exercises, and sample essays from real students who got into their dream schools, College Essay Essentials is the only college essay guide to make this complicated process logical, simple, and (dare we say it?) a little bit fun.
