Saunders Q & A Review Cards for the NCLEX-RN Examination

Now there's a Canadian edition of the book that is often called the 'the best NCLEX(R) exam review book ever! Saunders Canadian Comprehensive Review for the NCLEX-RN(R) Examination provides everything your students need to prepare for the NCLEX exam -- complete content review and over 5,100 NCLEX examination-style questions in the book and online. This is the first edition to put the NCLEX-RN(R) exam in a Canadian context. An Evolve companion website includes instructor resources that make it easy to integrate this book into any course, along with detailed feedback and assessment for your students' work. Don't make the mistake of assuming the quality of the questions is the same in all NCLEX exam review books, because only this book includes the kind of questions that consistently test the critical thinking skills necessary to pass today's NCLEX exam. Even better, all answers include detailed rationales to help students learn from their answer choices, as well as test-taking strategies with tips on how to best approach each question. Written by the most trusted name in NCLEX review, Linda Anne Silvestri, and featuring special resources to help Canadian students succeed, this is THE book of choice for NCLEX preparation. Read any customer review or ask your colleagues to see why there's nothing else like it!

Saunders Strategies for Test Success

This book and companion CD offer 500 questions to help readers practice the skills they are learning and gain realistic test-taking experience for the NCLEX examination. Key topics are covered including tips to help readers tackle any nursing test.

Saunders Canadian Comprehensive Review for the NCLEX-RN

With over 1,200 multiple choice review questions written to parallel the content and format of the National Physical Therapy Board Examination (NPTE), Saunders' Q&A Review for the Physical Therapy Board Examination provides more NPTE practice than any other review resource available. Strengthen your understanding of core principles across the full spectrum of physical therapy practice with comprehensive exam practice from specialty experts. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. More than 1,200 multiple-choice questions test your understanding of key content across a variety of practice environments, including schools, hospitals, and communities. Organized by topic, it parallels the content and proportional question breakdown of the board examination to familiarize you with the testing format. Correct answers, detailed rationales, and specific references help you get more out of your study time.

Study Guide for Pharmacology for Nursing Care - E-Book

This guide is filled with essential nursing content, tips, strategies, and other indispensable information to help you prepare for the NCLEX-PN examination. It includes all-new information on the latest test plan, plus many questions in the new alternate item formats. The text provides rationales for correct and incorrect answers, as well as strategies for approaching similar questions. Please check out these other great NCLEX-PN® review books from Linda Silvestri: . Saunders Q & A Review for the NCLEX-PN® Examination (9781416029120) . Saunders Strategies for Success for the NCLEX-PN® Examination (9781416000945) . Saunders Q & A Review Cards for the NCLEX-PN® Exam (9780721603926) Pyramid Terms, key terms defined at the beginning of each chapter, give students a quick review of each content area. Pyramid Points, bulleted items located throughout the content outlines, identify content that typically appears on the NCLEX-PN exam. Pyramid to Success sections at the beginning of each chapter or major unit of the book provide an overview of the chapter, guidance and direction regarding the focus of review in the content area, and its relative importance to the current NCLEX-PN test plan. The text and accompanying CD-ROM provide thousands of practice questions. Every question in the book provides a correct answer, rationales for all responses, test-taking strategy, level of cognitive ability, integrated concepts and processes, category of client needs, and reference to an Elsevier nursing textbook. Text includes a comprehensive exam consisting of 300 questions related to all content areas in the book and representative of the percentages identified

in the 2005 NCLEX-PN test plan. Alternate item format questions provide practice with mastering prioritizing, decision-making, and critical thinking skills, and help prepare users for this additional component of the NCLEX-PN exam. Text presents introductory chapters on the NCLEX exam, test-taking skills, and the NCLEX-PN from a student's perspective. Features a new chapter addressing transitional needs of foreign-educated nurses. The unit on Growth and Development Across the Lifespan has been completely updated. Includes 3,500 questions, approximately 500 more than the 2nd edition. All of the questions in the book, plus additional questions, are included on the CD-ROM. New alternate item format questions include drag-n-drop, illustration questions, and multiple response questions, to prepare readers for the addition of these questions to the NCLEX-PN examination. The CD-ROM allows readers to practice randomly selected alternate item format questions in study and quiz modes.

Look Both Ways

The popular Saunders Guide to Success in Nursing School is a versatile organizational tool, a practical nursing orientation handbook, a clinical quick reference, and a resource directory all in one. This compact and affordable guide helps busy nursing students manage their time and perform to their fullest potential inside the classroom and during clinical rotations. The Guide not only provides time management and stress-reduction strategies, advice on study skills, and yearly, monthly, and weekly planners, but also comes equipped with a variety of helpful clinical tools like pain and neurological assessment scales, Joint Commission safety guidelines, information on common drug and lab values, and NCLEX preparation tips. An orientation section covers the latest developments in computer-based testing and flipped classroom instruction. A clinical reference section features information on electronic documentation and content on Post-Traumatic Stress Disorder Plus all the must-have information you need to survive nursing school including: NCLEX Exam strategies Time management and study tips Stress reduction techniques Common medication and IV therapy guidelines The Joint Commission's Do Not Use lists High-alert medications Normal vital signs, lab values, measurements, and conversions Updated weekly, monthly, and yearly calendars with prefilled dates from May 2017 through December 2018 help students organize their schedule at school and at home. New content on electronic devices and social media alerts students to the hazards and pitfalls of using phones and engaging in social media while in nursing school and on the job.

LPN Notes

Tells the story of a high school history class experiment that frighteningly demonstrated the power of fascism.

Saunders Comprehensive Review for the NCLEX-PN® Examination - E-Book

From the #1 New York Times bestselling author of *Lincoln in the Bardo*, a darkly comic short story about the unintended consequences unleashed by our quest to tame the natural world—featuring gorgeous black-and-white illustrations by Chelsea Cardinal. Fox 8 has always been known as the daydreamer in his pack, the one his fellow foxes regard with a knowing snort and a roll of the eyes. That is, until he develops a unique skill: He teaches himself to speak “Yuman” by hiding in the bushes outside a house and listening to children’s bedtime stories. The power of language fuels his abundant curiosity about people—even after “danjer” arrives in the form of a new shopping mall that cuts off his food supply, sending Fox 8 on a harrowing quest to help save his pack. Told with his distinctive blend of humor and pathos, Fox 8 showcases the extraordinary imaginative talents of George Saunders, whom *The New York Times* called “the writer for our time.”

Respiratory Physiotherapy

Assure your mastery of medical-surgical nursing knowledge while honing your critical thinking and test-taking skills. The 3rd Edition of this popular resource features over 2,300 questions (including 550 alternate-format questions) that reflect the latest advances in medical-surgical nursing and the latest NCLEX-RN® test plan. They organize the seemingly huge volume of information you must master into manageable sections divided by body systems and specific diseases

Saunders Guide to Success in Nursing School, 2018-2019 E-Book

Get an all-in-one school planner and clinical reference! *Saunders Guide to Success in Nursing School: A Student Planner 2018-2019* is much more than a study calendar. It’s loaded with organizational tools, time management and study tips, need-to-know clinical guidelines, and more — all in one place. Information is designed specifically for nurses, and in fact, it’s the only nursing planner that includes a handy clinical reference. Written by Holly Stromberg, a respected nurse educator, this compact guide helps you manage your busy schedule and perform to your full potential in the classroom and during clinical rotations. NEW! Weekly, monthly, and yearly calendars show dates from May 2018 through December 2019, making it easy to organize your schedule at school and at home. Student-friendly features help you survive nursing school with time management and study tips, NCLEX® exam strategies, and techniques for stress reduction. Getting the Most from the Clinical Experience chapter covers important topics such as patient safety, documentation, and communication with patients and colleagues. Clinical Quick Reference chapter provides easy access to normal vital signs, measurements, conversions, and other topics including: Common lab test values Commonly used abbreviations, symbols, and notations Pain assessment tools Prevention of medication errors Table of IV fluids and IV therapy guidelines Perioperative care and Joint Commission safety guidelines for surgery HIPAA requirements for confidentiality MyPlate dietary guidelines Compact size makes it easy to carry the book to class and to clinical rotations. Coverage of electronic devices and social media offers cautions about the hazards and pitfalls of using phones and social media while in nursing school and on the job. NEW!

Weekly, monthly, and yearly calendars show dates from May 2018 through December 2019, making it easy for students to organize their schedules at school and at home.

Saunders Comprehensive Review for the NCLEX-RN Examination

Part of the popular Saunders Nursing Survival Guide series, this book prepares you to manage the most common health care problems you'll see in critical care, trauma, or emergency settings. Each chapter is organized from the most immediate and life-threatening conditions to less emergent critical care conditions. Its lighthearted, cartoon-filled approach simplifies difficult concepts, covering each body system in terms of current practice standards. Consistent headings break content into four succinct areas of review: What (subject) IS, What You NEED TO KNOW, What You DO, and Do You UNDERSTAND? Clinical terms and shorthand expressions are highlighted, exposing you to terminology used in the hospital setting. A color insert illustrates concepts and principles of critical care and emergency nursing, including various complications. Mnemonic devices aid your memory and interactive activities help you learn, with exercises including fill in the blank, matching, word jumbles, true/false, and crossword puzzles. Special icons help you focus on vital information: Take Home Points help you prepare for clinical rotations. Caution notes alert you to dangerous conditions and how to avoid them. Lifespan notes point out age-related variations in signs and symptoms, nursing interventions, and patient teaching. Culture notes cite possible variations related to a patient's cultural background. Web links direct you to Internet resources for additional research and study. What You WILL LEARN learning objectives help you identify quickly the content covered and goals for each chapter. NCLEX-style examination-style review questions at the end of each chapter allow you to test your understanding of content and practice for the Boards. Cartoon characters with brief captions help to better explain difficult concepts. Margin notes are streamlined for ease of use and effectiveness. Content updates reflect current practice and emergent situations, including increased focus on disaster preparedness, code management, updated ACLS guidelines, and hypertension.

Tenth of December

Get thorough NCLEX-PN review anytime and anywhere with Saunders Q&A Review Cards for the NCLEX-PN® Exam, 2nd Edition. From Linda Silvestri, the foremost expert in NCLEX prep, comes a collection of portable review cards with practice questions that reflect the latest NCLEX-PN test plan. NEW! Increased pharmacology, prioritization, delegation and triage/disaster management coverage reflects the increased emphasis on these topics on the NCLEX-PN. NEW and UNIQUE! Highlighted keywords or phrases in each answer identify a recommended review topic related to the question. NEW and UNIQUE! Highlighted keywords or phrases in each test-taking strategy identify a recommended strategy to approach the question. NEW! Two-color design highlights key content.

Saunders Q&A Review for the NCLEX-RN® Examination - E-Book

Healthcare is evolving at an incredible pace and with it, the roles and responsibilities of the medical-surgical nurse. Ensure you are fully equipped to thrive and adapt in this ever-changing nursing environment with Ignatavicius, Workman, and Rebar's Medical-Surgical Nursing: Concepts for Interprofessional Collaborative Care, 9th Edition. This text not only covers all essential adult health knowledge, but also reinforces the application, conceptual thinking, and clinical judgment skills that today's nurses need to stay one step ahead in delivering exceptional patient care, no matter the environment. As with previous editions, you'll find a unique collaborative care approach to adult health nursing, a thorough integration of QSEN competencies, extensive NCLEX® Exam preparation, and a direct, reader-friendly tone throughout the text. This ninth edition incorporates two emerging and complementary trends -- the Core Competencies for Interprofessional Collaborative Practice and a more conceptual approach teaching and learning -- areas that will ground you in how to think like a nurse and how to apply the knowledge you gain from the text to clinical practice.

Saunders Q&A Review Cards for the NCLEX-PN Examination

Part of the Saunders Pyramid to Success for NCLEX-PN series, this unique and comprehensive review program focuses specifically on material featured in the National Council of State Boards of Nursing's most recent NCLEX-PN test plan. The companion CD-ROM contains all 1,800 multiple-choice questions from the text plus over 1,200 additional practice questions.

Illustrated Study Guide for the NCLEX-RN® Exam E-Book

Study guide for Pathophysiology by Lee-Ellen Copstead and Jacquelyn Banasik.

Saunders' Q & A Review for the Physical Therapy Board Examination E-Book

Get the tools and skills you need to prepare for the NCLEX®! Often called the 'the best NCLEX® exam review book ever,' Saunders Comprehensive Review for the NCLEX-RN® Examination, 8th Edition has been thoroughly updated to reflect the most recent test plan. This new edition includes 5,200 NCLEX examination-style questions in the book and online. A companion Evolve website includes thousands of questions that allow you to decide how you want to practice! Don't make the mistake of assuming the quality of the questions is the same in all NCLEX exam review books, because only Silvestri includes the kinds of questions that consistently test the clinical judgment skills necessary to pass today's NCLEX exam. Even better, all answers include detailed rationales to help you learn from your answer choices and test-taking strategies with tips on how to best approach each question. Written by the most trusted name in NCLEX review, this is THE book of choice for NCLEX preparation. But don't just take our word for it — read any customer review or ask your classmates to see why there's nothing else like it! Over 5,200 practice questions in the text and online offer ample testing practice. 75-question comprehensive exam covers all content areas in the book in the same percentages that they are covered on the actual NCLEX-RN test plan. Inclusion of all alternate item format questions covers multiple response, prioritizing [ordered response], fill-in-the-blank, figure/illustration [hot spot], chart/exhibit, video, and audio questions to give students practice with mastering prioritizing, decision-making, and critical thinking skills. Presents introductory chapters on preparation guidance for the NCLEX-RN, nonacademic preparation, test-taking strategies, the CAT format, and the NCLEX-RN from a new graduate's experience. UNIQUE! Audio review summaries on pharmacology, fluids and electrolytes, and acid-base balance are found on the Evolve companion site. Expanded coverage of delegation, prioritization, and triage/disaster management in the practice questions reflect the areas of increased emphasis on the NCLEX exam. UNIQUE! A detailed test-taking strategy and rationale is included for each question, offering clues for analyzing and uncovering the correct answer option UNIQUE! Priority concepts call-outs highlight specific concepts related to nursing practice. Concepts have been updated to reflect the latest Giddens: Concepts for Nursing Practice text. UNIQUE! More Priority Nursing Action boxes communicate new and pertinent content. Question categories by cognitive level, client needs area, integrated process, and content area give you completely customizable exams or study sessions when using the companion Evolve site. UNIQUE! Pyramid Alert! boxes spotlight important nursing concepts and procedures, and include tips and shortcuts for remembering key information. Mnemonics included where appropriate throughout the text.

Saunders Guide to Success in Nursing School, 2017-2018 - E-Book

Maleeka suffers every day from the taunts of the other kids in her class. If they're not getting at her about her homemade clothes or her good grades, it's about her dark, black skin. When a new teacher, whose face is blotched with a startling white patch, starts at their school, Maleeka can see there is bound to be trouble for her too. But the new teacher's attitude

surprises Maleeka. Miss Saunders loves the skin she's in. Can Maleeka learn to do the same?

The Skin I'm in

Part of the popular LPN Threads series, Introduction to Maternity & Pediatric Nursing provides a solid foundation in obstetrics and pediatric nursing. An easy-to-follow organization by developmental stages, discussion of disorders by body system from simple-to-complex and health-to-illness, and a focus on family health make it a complete guide to caring for maternity and pediatric patients. Written in a clear, concise style by Gloria Leifer, MA, RN, this edition reflects the current NCLEX® test plan with additional material on safety, health promotion, nutrition, and related psychosocial care. Cultural Considerations boxes and a Cultural Assessment Data Collection Tool help in developing individualized plans of care. Updated health promotion content includes Health Promotion boxes focusing on preventive strategies for achieving prenatal wellness, health during pregnancy, postnatal health, and pediatric illness prevention and wellness -- including the complete immunization schedules for all ages. Nursing Tips provide information applying to the clinical setting. Objectives are listed in each chapter opener. Key terms include phonetic pronunciations and text page references at the beginning of each chapter. Nursing Care Plans with critical thinking questions help you understand how a care plan is developed, how to evaluate care of a patient, and how to apply critical thinking skills. A companion Evolve website includes animations, videos, answers to review questions and answer guidelines for critical thinking questions, an English/Spanish audio glossary, critical thinking case studies, and additional review questions for the NCLEX examination.

Saunders Comprehensive Review for the NCLEX-PN Examination

Take your understanding to a whole new level with Pageburst digital books on VitalSource! Easy-to-use, interactive features let you make highlights, share notes, run instant topic searches, and so much more. Best of all, with Pageburst, you get flexible online, offline, and mobile access to all your digital books. The clear, concise, and cutting-edge medical-surgical nursing content in Medical-Surgical Nursing: Concepts & Practice, 2nd Edition provides the solid foundation you need to pass the NCLEX Examination and succeed as a new nurse. It builds on the fundamentals of nursing and covers roles, settings, health care trends, all body systems and their disorders, emergency and disaster management, and mental health nursing. Written by noted authors Susan deWit and Candice Kumagai, Medical-Surgical Nursing reflects current national LPN/LVN standards with its emphasis on safety as well as complementary and alternative therapies. UNIQUE! LPN Threads share learning features with Elsevier's other LPN textbooks, providing a consistency across the Elsevier LPN curriculum. Key Terms include phonetic pronunciations and text page references. Key Points are located at the end of chapters and summarize chapter highlights. Overview of Anatomy and Physiology at the beginning of each body system chapter provides basic information for understanding the body system and its disorders. Nursing Process provides a consistent framework for

disorders chapters. Evidence-Based Practice is highlighted with special icons indicating current research. Assignment Considerations boxes address situations in which the charge nurse delegates to the LPN/LVN or the LPN/LVN assigns tasks to unlicensed assistive personnel. Focused Assessment boxes include information on history taking and psychosocial assessment, physical assessment, and guidance on how to collect data/information for specific disorders. Elder Care Points boxes address the unique medical-surgical care issues that affect older adults. Legal and Ethical Considerations boxes focus on specific disorder-related issues. Safety Alert boxes highlight specific dangers to patients related to medications and clinical care. Clinical Cues provide guidance and advice related to the application of nursing care. Think Critically About boxes encourage you to synthesize information and apply concepts beyond the scope of the chapter. Concept Maps in the disorders chapters help you visualize difficult material and illustrate how a disorder's multiple symptoms, treatments, and side effects relate to each other. Health Promotion boxes address wellness and disease prevention, including diet, infection control, and more. Complementary and Alternative Therapies boxes offer information on how nontraditional treatments for medical-surgical conditions may be used to complement traditional treatment. Cultural Considerations promote understanding and sensitivity to various ethnic groups. Nutrition Considerations address the need for holistic care and reflect the increased focus on nutrition in the NCLEX Examination. Patient Teaching boxes provide step-by-step instructions and guidelines for post-hospital care. Home Care Considerations boxes focus on post-discharge adaptations of medical-surgical nursing care to the home environment. Mental Health Nursing unit includes information on disorders of anxiety and mood, eating disorders, cognitive disorders, thought and personality disorders, and substance abuse. Disaster Management content includes material focusing on preparation and mitigation to avoid losses and reduce the risk of injury associated with both natural and bioterrorist disasters. Nursing Care Plans with Critical Thinking Questions show how a care plan is developed and how to evaluate care of a patient. Review questions for the NCLEX-PN Examination at the end of each chapter include alternate-item format questions and help prepare you for class tests and the NCLEX exam. Critical Thinking Activities at the end of chapters include clinical situations and relevant questions, allowing you to hone your critical thinking skills. UNIQUE! Best Practices are highlighted to show the latest evidence-based research related to interventions. Online resources listed at the end of each chapter promote comprehensive patient care based on current national standards and evidence-based practices. UNIQUE! Icons in page margins point to related animations, video clips, additional content, and related resources on the Evolve site.

The Wave

Hesi/Saunders Online Review for the NCLEX-RN Examination (1 Year)

Practice makes perfect with Saunders Q&A Review for the NCLEX-RN® Examination, 7th Edition. This popular review offers more than 6,000 test questions, giving you all the Q&A practice you need to pass the NCLEX-RN® examination! Each question enhances review by including a test-taking strategy, rationales for correct and incorrect answers, and page references to major nursing textbooks. Questions are organized to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. Q&A practice is also provided on an Evolve companion website, with many study and testing options. From the most trusted name in NCLEX review, Linda Anne Silvestri, this resource is part of the popular Saunders Pyramid to Success. A detailed test-taking strategy is included for each question, providing clues for analyzing and selecting the correct answer. Chapters organized by Client Needs simplify review and reflect the question mix in the NCLEX-RN test plan blueprint. Rationales are provided for both correct and incorrect answer options. All alternate item question types are represented, including multiple response, prioritizing/ordered response, fill-in-the-blank, illustration/hot spot, chart/exhibit questions, graphic option, and questions incorporating audio and video. An 85-question comprehensive exam represents the content and percentages of question types identified in the NCLEX-RN test plan. A Priority Nursing Tip is included with each question, highlighting need-to-know patient care information. Introductory chapters feature preparation guidance for the NCLEX-RN including chapters on academic and nonacademic preparation, advice from a recent nursing graduate, and transitional issues for the foreign-educated nurse. NEW! Reflects the latest NCLEX-RN® test plan to familiarize you with newly added content they may encounter on the exam. NEW! Additions to the Evolve companion website include a 75-question post-test, case studies with follow-up questions, and links to animations for selected rationales, offering unique remediation opportunities. NEW! Trade drug names replaced with generic drug names reflecting latest test plan changes. NEW! Health Problem label included to help you study selected health topics. This will also allow you to focus your study when reviewing questions on Evolve.

Critical Care and Emergency Nursing

The 4th Edition of this popular, easy-to-use guide delivers the practical, clinically oriented content you need to deliver safe and effective health care in hospital and home settings. Thoroughly revised and updated, you'll have access to even more of the commonly-used by rarely memorized clinical information that nurses and students need.

CliffsNotes NCLEX-RN Cram Plan

WINNER OF THE 2014 FOLIO PRIZE AND SHORTLISTED FOR THE NATIONAL BOOK AWARD 2013 George Saunders's most wryly hilarious and disturbing collection yet, *Tenth of December* illuminates human experience and explores figures lost in a labyrinth of troubling preoccupations. A family member recollects a backyard pole dressed for all occasions; Jeff faces horrifying ultimatums and the prospect of Darkenfloxx™ in some unusual drug trials; and Al Roosten hides his own internal monologue behind a winning smile that he hopes will make him popular. With dark visions of the future riffing against ghosts of the past and the ever-settling present, this collection sings with astonishing charm and intensity.

Family Nurse Practitioner Certification Review

An easy-to-read text focusing on all areas of nursing to aid in successful preparation for the NCLEX-RN. A unique feature of this book is the test-taking strategies included in each chapter. Additionally, students will find content review, practice tests at the end of each chapter with answers and rationales for right and wrong answers and a free CD-ROM that includes the 2,700 practice questions from the text plus 600 additional practice questions.

Introduction to Maternity & Pediatric Nursing - E-Book

Family Nurse Practitioner Certification Review is an ideal study guide for new and recertifying nurses preparing to take the Family Nurse Practitioner (FNP) certification exam administered by the American Nurses Credentialing Center (ANCC) and the American Academy of Nurse Practitioners Certification Program (AANPCP). Written by nurse practitioners, it offers up-to-date questions and answer rationales specific to FNP certification that reflect the most current guidelines. In addition, it offers a short theory review, clinical application of knowledge, and clinical skills. Also incorporated are ethical and legal considerations, scope of practice, and cultural sensitivity. Important Notice: The digital edition of this book is missing some of the images or content found in the physical edition.

Fundamental Concepts and Skills for Nursing

With Saunders Q & A Review Cards for the NCLEX-RN® Examination, 2nd Edition, you can study anytime and anywhere! The ideal companion to Saunders Comprehensive Review for the NCLEX-RN Examination, Linda Silvestri's review cards contain 1,200 practice questions - each including test-taking strategies and detailed rationales for both correct and incorrect answers. Practice questions, organized by clinical area, appear on the front of each card with an icon indicating client need. The reverse side shows answers and rationales, along with Silvestri's unique test-taking strategies and priority nursing action tips. 1,200 practice questions include detailed rationales for both correct and incorrect answers. Alternate item format questions include multiple response, prioritizing, fill-in-the-blank, chart/exhibit, and figure/illustration to prepare

you for the prioritizing, decision-making, and critical thinking skills needed to pass the NCLEX-RN. UNIQUE! Test-taking strategies for each question provide direction and hints to the correct answer. UNIQUE! Highlighted keywords or phrases in each answer identify a recommended review topic related to the question. Numerous pharmacology questions reflect the heavy emphasis on pharmacology on the NCLEX-RN. NEW! Organization of questions by clinical area lets you focus on weak areas and also use the cards as study aids in your course exams. UPDATED content reflects the most recent NCLEX-RN test plan. Increased coverage of pharmacology, prioritization, delegation, and triage/disaster management reflects the increased emphasis on these topics on the NCLEX-RN. NEW! Attractive, full-color design makes it quick and easy to locate questions in the various content areas.

Nursing Fundamentals

A National Book Award Finalist! Coretta Scott King Author Honor Book An NPR Favorite Book of 2019 A New York Times Best Children's Book of 2019 A Time Best Children's Book of 2019 A Today Show Best Kids' Book of 2019 A Washington Post Best Children's Book of 2019 A School Library Journal Best Middle Grade Book of 2019 A Publishers Weekly Best Book of 2019 A Kirkus Reviews Best Middle Grade Book of 2019 "As innovative as it is emotionally arresting." —Entertainment Weekly From National Book Award finalist and #1 New York Times bestselling author Jason Reynolds comes a novel told in ten blocks, showing all the different directions kids' walks home can take. This story was going to begin like all the best stories. With a school bus falling from the sky. But no one saw it happen. They were all too busy— Talking about boogers. Stealing pocket change. Skateboarding. Wiping out. Braving up. Executing complicated handshakes. Planning an escape. Making jokes. Lotioning up. Finding comfort. But mostly, too busy walking home. Jason Reynolds conjures ten tales (one per block) about what happens after the dismissal bell rings, and brilliantly weaves them into one wickedly funny, piercingly poignant look at the detours we face on the walk home, and in life.

HESI Comprehensive Review for the NCLEX-RN Examination

Now there's a Canadian edition of the book that is often called the "the best NCLEX® exam review book ever! Saunders Canadian Comprehensive Review for the NCLEX-RN® Examination provides everything your students need to prepare for the NCLEX exam - complete content review and over 5,100 NCLEX examination-style questions in the book and online. This is the first edition to put the NCLEX-RN® exam in a Canadian context. An Evolve companion website includes instructor resources that make it easy to integrate this book into any course, along with detailed feedback and assessment for your students' work. Don't make the mistake of assuming the quality of the questions is the same in all NCLEX exam review books, because only this book includes the kind of questions that consistently test the critical thinking skills necessary to pass today's NCLEX exam. Even better, all answers include detailed rationales to help students learn from their answer

choices, as well as test-taking strategies with tips on how to best approach each question. Written by the most trusted name in NCLEX review, Linda Anne Silvestri, and featuring special resources to help Canadian students succeed, this is THE book of choice for NCLEX preparation. Read any customer review or ask your colleagues to see why there's nothing else like it! UNIQUE! Canadian appendices include resources for understanding NCLEX-RN® procedures, and the registration processes; a list of Canadian regulatory bodies and professional resources that guide competencies and standard-related nursing practice activities; Canadian resources by topic, providing Canadian NCLEX-RN writers with additional rationales for practice question answers; and Canadian reference resources. Over 5,100 practice questions in the text and online offer ample testing practice. Questions and content aligned with the latest NCLEX-RN exam reflect the increased level of difficulty and format changes in some areas. UNIQUE! A detailed test-taking strategy and rationale is included for each question, offering clues for analyzing and uncovering the correct answer option. Question categories by cognitive level, client needs area, integrated process, and content area give students completely customizable exams or study sessions when using the Evolve companion website. Inclusion of all alternate item format questions covers multiple response, prioritizing (ordered response), fill-in-the-blank, figure/illustration (hot spot), chart/exhibit, video, and audio questions to give students practice with mastering prioritizing, decision-making, and critical thinking skills. UNIQUE! Canadian contributors highlight the differences in Canadian and American nursing practice, guiding Canadian nursing students around American language and terminology found in the NCLEX-RN. Mnemonics are included as Pyramid Alerts where appropriate throughout the text. Illustrations provide a consistent presentation of art throughout the text. Completely updated chapter on vital signs and laboratory values include the latest lab values. Alternate item format questions are highlighted with a special icon to easily find in the text. UNIQUE! Priority Nursing Action boxes list actions for clinical emergent situations requiring immediate action, including a detailed rationale. UNIQUE! Pyramid Alert! boxes spotlight important nursing concepts and procedures, and include tips and shortcuts for remembering key information. UNIQUE! Priority concepts call-outs highlight specific concepts related to nursing practice. 85-question comprehensive exam covers all content areas in the book in the same percentages that they are covered on the actual NCLEX-RN test plan. Full-colour design offers a visually engaging learning experience. Easy-to-use index lets students quickly locate questions for a given topic or body system. Recent graduate's perspective on guidance for the NCLEX-RN, nonacademic preparation, test-taking strategies, the CAT format, and the NCLEX-RN. Automatic software updates on Evolve allow students to check for changes and content updates throughout the life of the edition. UNIQUE! Audio review summaries on pharmacology, fluids and electrolytes, and acid-base balance are found on Evolve.

Med-Surg Success

Fox 8

Who says preparing for the NCLEX® has to be boring? Using colorful illustrations and fun mnemonic cartoons, the Illustrated Study Guide for the NCLEX-RN® Exam, 10th Edition brings the concepts found on the NCLEX-RN to life! This new edition is written in a concise outline format to make studying easier, and the Evolve companion website includes approximately 2,500 NCLEX exam-style review questions (including alternate item formats) — allowing you to create practice exams, identify personal strengths and weaknesses, and review answers and rationales. With new content covering culture and spirituality, this study guide gives you a robust, visual, less-intimidating way to remember key facts for the NCLEX exam. 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology

and nursing management help students to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier for students to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. NEW! UPDATED content reflects the most recent NCLEX-RN® test plan and incorporates important clinical updates. NEW! 25 additional illustrations and mnemonics make the book more appealing than ever to the visual learner. NEW! Chapter on Culture and Spiritual Awareness addresses the addition of Culture and Spirituality to the Integrated Processes in the NCLEX test plan. NEW! Nursing Management and Ethical/Legal concepts divided into two chapters emphasize the increasing amount of administrative duties nurses face and the importance of management of care on the NCLEX. NEW! Priority Concepts added to the beginning of each chapter assist you in concept-based nursing programs in focusing on priority concepts for each chapter.

Saunders Q & A Review for the NCLEX-PN® Examination E-Book

Essential for NCLEX, course and competency review, this resource is a complete, concentrated outline of nursing fundamentals. Each chapter contains objectives, pre- and post chapter tests with comprehensive rationales, vocabulary review, practice to pass exercises, critical thinking case studies, as well as NCLEX alerts and new test-taking strategies. Content includes all of the "need-to-know" facts covering the nursing process, physical assessment, communication, professional standards, health promotion through the lifespan, and more.
