Excerpt from Fortunes and Dreams a Practical Manual of Fortune, Telling, Divination and the Interpretation of Dreams, Signs and Omens There is a Latin saying

that Fortune frates, single-handed, the plans of learned men. There are moments in the lives of each Of us when we do not seem to be masters of our actions, but are led by blind chance into paths which bring suc cess or failure in Spite of our own individual efforts. We stand in awe before a power which seems inimical to us, or rejoice over a series of coincidences that boost us into fame and fortune.
