String Trimmer and Blower

Something strange is happening in England. For the past 11 summers, and possibly much longer, mysterious circles have appeared in the grain fields of Great Britain. Pat Delgado and Colin Andrews—engineers by profession—take the reader on a photographic tour of these remarkable formations. As you visit these sites with the authors you will see why the crop circles cannot be a hoax—and why they are still totally unexplained.

Circular Evidence

Drawing from his extensive business management experience, Pradip Chand turns traditional wisdom on its head when he

proposes that Brand Loyalty is inversely proportional to the income and education levels of the 'knowledge consumer'. He examines how and why brands become strategic assets, traces the evolution of the knowledge consumer and what can companies do to protect equity of the brands they have nurtured over the decades. A new approach to building a Brand Loyalty that gives marketers a competitive edge in today's high-tech, high-stake brand-hostile environment. The book combines the knowledge with engaging real life case studies and proven examples.

Continuing the heart-pounding, time-bending action of the TimeRiders series, The Eternal War brings readers back to a pivotal time period in American history: the Civil War. Only this alternate history is one where a young Abraham Lincoln has somehow followed Liam into the present from 1831, and the entire course of American history has changed. If the TimeRiders can't return Lincoln to the past, the country could be trapped in a dangerous state of never-ending civil war. Can Maddy persuade two colonels on either side of no man's land to cease fire long enough to save the future?

A Provider's Introduction to Substance Abuse Treatment for Lesbian, Gay, Bisexual, and Transgender Individuals

This publication was developed through a systematic and innovative process in which clinicians, researchers, program and administrative managers, policymakers, and other Federal, State, and independent experts were brought together for a series of intensive sessions. These individuals reviewed and discussed current administrative and clinical practices for treating substance-abusing lesbian, gay, bisexual, and transgender (LGBT) individuals and then wrote and edited the resulting document. The goal of this process was to improve and advance substance abuse treatment for a community of individuals whose health care needs are often ignored, denigrated, or denied.
