The Emerging Network

Grown men don't wear nappies and babies don't drive cars. In life it is important that we act our age. Spiritually, it works the same way. If we don't grow continually as a Christian, we build expectations based on other people's experiences instead of our own current position. Are you struggling to connect with God, or are you frustrated that your prayers are not being answered? The question is, how mature are you, spiritually speaking? Truth is, a parent relates differently to a baby than to a teenager. So too your Heavenly Father relates differently to you as a little child, a young man or as a father in the faith as highlighted in 1 John 2. Each growth phase poses a different degree of intimacy as well as a different level of responsibility in God's Kingdom. In this book you will learn how to relate to God as:
* A little child receive revelation of God as a Father and understand adoption into His family.* A young man learn how to build strength and overcome the three enemies of your soul.* A father in the faith live in deep intimacy with the Father while raising sons of the next generations.It's time we grow up into full spiritual maturity. Creation depends on it!

The Journey to the Sacred Garden

At the heart of spiritual awakening lies the discovery that each of us can achieve the direct, transformative connection with the sacred realms—a connection that defines the mystic. The Journey to the Sacred Garden guides us along a well-traveled path into this extraordinary experience and includes an experiential audio download of shamanic drumming and rattling, providing us with an effective, easily learned technique for expanding awareness and shifting consciousness safely. The first goal: to find our Sacred Garden, a place for personal empowerment; as well as physical, psychological, emotional, and spiritual restoration. Once there, we learn through direct experience that the garden can be used as a gateway into the other levels of the inner worlds. Anthropologist Hank Wesselman, Ph.D., reveals that our garden operates by four primary rules: • Everything in the garden is symbolic of

Read Book Shamanic Christianity The Direct Experience Of Mystical Communion

some aspect of ourselves or our life experience. • Everything in the garden can be communicated with, enhancing understanding. • The garden can be changed by doing work. • When you change your garden, some part of you or your life will change in response.

The Publishers Weekly

In four lessons, this workbook for beginners shows you how to do shamanic journeying, search for a spirit animal and a spirit teacher. You will learn how to do spirit animal dancing and trance dancing and how to find your own personal spirit song. There is additional information about shamanism and a detailed appendix with recommendable books, music and more. Included is a link to five downloadable mp3 audiofiles (guided shamanic journeys and others) which are recommended to work with when using this book. These files can be downloaded with no extra costs. No previous knowledge is required. What is the benefit of shamanic journeying? For spiritual self-awareness To find answers on important questions of life and to make decisions for more inner strength, self-esteem and clarity, also in difficult situations to strengthen the trust in oneself and one's abilities To find out about one's needs and wishes To find out what one is destined to or wants to achieve in life To feel connected (again) to the big picture" Advantages of this workbook You can learn the shamanic journey in your own rooms and do not need to drive or go to another place. You can find out if shamanic journeying resonates with you and learn at your own pace. Included is a link to five audio files. There are four with guided journeys that help you to get started. When you are more experienced you can also listen to the drum and rattle file without text, a drumming music of your choice. Or drum yourself, if you like. You save quite a bit, because you don't have to participate in a whole weekend workshop or extensive course. This workbook is based on methods of Core-Shamanism which the author learned at the Foundation for Shamanic Studies, Europe. The workbook is divided into four lessons. It's recommended that you take at least one week and up to circa one month of time for each of the lessons. If you need a bit longer, no problem. Try to do every exercise two or three times a week, or more if you wish. The exercises last about half an hour yet you can also extend them a bit. Please note: This workbook is for your self-awareness and entertainment. You have to be 18 or older. The author does not give any promises of healing effects. Working with this book cannot replace a thorough shamanic education, shamanic healing sessions, a therapy or an appointment with a academic doctor. If you have a severe mental or neurologic illness (like clinical depression, epilepsy or schizophrenia) this workbook is NOT suited for you."

Inuit Shamanism and Christianity

Using archival material and oral testimony collected during workshops in Nunavut between 1996 and 2008, Frédéric Laugrand and Jarich Oosten provide a nuanced look at Inuit religion, offering a strong counter narrative to the idea that traditional Inuit culture declined post-contact. They show that setting up a dichotomy between a past identified with traditional culture and a present involving Christianity obscures the continuity and dynamics of Inuit society, which has long borrowed and adapted "outside" elements. They argue that both Shamanism and Christianity are continually changing in the Arctic and ideas of transformation and

transition are necessary to understand both how the ideology of a hunting society shaped Inuit Christian cosmology and how Christianity changed Inuit shamanic traditions.

It Is Not a Spiritual Thing

'There is a dreamer in every soul. He knows the mind of God concerning our lives. He is the hand of God that writes our lives stories. What is your life story? Do you know the script you ought to play? There is a story teller in your heart. He whispers at night in your deep sleep. He will tell you the secret to the dream of your life. Can you see him while you are awake? Can you hear him in your intuition? He walks in your soul day and night. He never ceases to ask you the same question: 'Where is the Soul I have been sent to help'? In *Secrets to Divine Manifestations*, Alain Yaovi M. Dagba guides the reader in a spiritual adventure that leads to self-awareness. He emphasized that to be aware of our 'self' is to be aware of the presence of God in us, and fully accept our true divine identity. He shows in his writing that, by simply uncovering what we really are, we are able to overcome anything, any form of 'evil, ' even the most predicted threatening events of our time. His teachings are centered on the belief that, by learning to easily tap into the life of our divine nature, we can change our consciousness, thus positively affect the vibration of our planet, while reaching perfect peace and happiness. In this noble adventure of discovering the divinity in the core of our being, we come to know our individual life purpose and are healed from our past wounds. In a word, we are born anew to become a fragrance of hope for our loved ones and those around us.

The Burning Mirror

A guide to reconnecting with Jesus, Mary, and the saints as shamanic teachers of divine mysteries • Contains meditations, contemplations, parables, and active ritual tasks that help bring forth a shamanic understanding and practice of Christianity • Shows shamanic experience to be the root of mystical communion When the missionaries came to North America to “save” the American Indians, they were perplexed to discover that while they talked about Jesus, some of the Indians claimed to talk directly with him. Among Christians there is almost complete silence on the subject of the place of shamanism in experiencing the divine, yet shamanic experience is at the root of all mystical communion. Shamanic Christianity offers a chance to rekindle the shamanic practices of Christianity to those who wish to restore their direct connection to the spirit world. In the tradition of contemplative practice, this reconnection takes the form of devotions. Presented in four forms, these devotions begin with a specific contemplation, followed by a meditative focus, then a parable from the author’s own visionary experiences, and finally an active mystical practice to help ground the meditations and contemplations in a ritual or ceremony that involves active participation. These four forms serve to reintroduce Jesus, Mary, and the historically renowned saints as shamanic teachers of divine mysteries whose spiritual presence is readily available to contemporary lives. The author also presents specific directives for handling everyday challenges in a shamanic-inspired manner, drawing upon creative activities and resources that encourage approaching the world with the imaginative and playful spirit of a child, whose personal freedom and creative expression is always wide open to possibilities.

Religion in a Pluralistic Society

Americans have long been aware of the phenomenon loosely known as faith healing. Such practices most often received attention when they came into conflict with biomedical practice. During the 1990s, however, the American cultural landscape changed dramatically and religious healing became a commonplace feature of our society. The essays in this book chart this new reality. Insofar as healing traditions constitute the meeting ground or point of conflict between different groups, argue the authors, they provide a powerful lens through which to examine cultural changes at work. Each of the papers offers a particular case study. Many emphasize gender, race, ethnicity, and class as key components of healing experiences.

When God Unfolds the Rose

"Hidden Mountain Secret Garden: a theological contemplation on prayer" helps the reader discover the riches of mental prayer in the Catholic Tradition. In fact, the images of the "Hidden Mountain" and the "Secret Garden" are ancient metaphors for contemplative prayer, a kind of prayer that begins and ends in faith. This book is especially for those whose prayer is a search for the loving eyes of One who has conquered death. This kind of prayer beholds the wonder of Christ's living but hidden presence in one's highest thoughts and most noble aspirations as well as in one's instinctual urges and deepest longings. The ecstasy of this kind of prayer extends beyond even the vast unexplored horizons of the human heart and opens to an immensity of such excessive mercy that all else is forgotten -- and only love remains. The whole world needs this love: it is the secret garden, the hidden

Read Book Shamanic Christianity The Direct Experience Of Mystical Communion

mountain, the inexhaustible riches only prayer knows and an excess of grace only prayer can make known. This is why Blessed John Paul II told the Church not to be afraid to open wide the doors of our hearts to Christ and it is why He told the young people of the world to be proud to proclaim the Gospel of the Lord. For those brave souls who have faithfully open their hearts to the Lord through this discipline of this kind of prayer, every Christian owes you a debt of gratitude. For those who want to join them, this work encourages you along the way -- for the journey you endeavor is at once the most perilous, the most heart-rending and the most wonderful adventure this world has ever known. "Dr. Anthony Lilles has authored an introduction to prayer that is inspiring and encouraging. For those desiring to pray this is a resource that is full of practical advice - written simply and attractively. This book bears the mark of a man - husband, father and teacher - who is not only imbued with the wisdom of the Saints, but who has also, through his own prayer, learned how all of us can, through prayer, foster faith in and love for Jesus and his Gospel." THOMAS G. WEINANDY, O.F.M., CAP. Executive Director for the Secretariat for Doctrine United States Conference of Catholic Bishops This is a wonderful book. I've taught spiritual theology many years and I wish I had had this text use. In fact, I wish I had written this book. It is scriptural, patristic, historical, theological, mystical, experiential and user friendly. Dr. Lilles takes us through the spiritual journey of prayer, citing Fathers and doctors, saints and even sinners to guide us on our Christian way toward contemplation. Weaving many themes into a harmonious whole, he opens up the life of contemplation for all Christians, our baptismal birthright in a way that is accessible and attractive. This is a book one will read more than once. FR. GILES DIMOCK, O.P., S.T.D University Parish of St. Thomas Aquinas At the University of Virginia In this book we find the real meat of the new evangelization. The church in America will not be renewed by "facts about Jesus" but only through one's choice to let Christ reach the heart and change it from within. It is an ancient message received by only few: Do not be afraid of letting go of what now defines you. Let Christ tell you who you are. Dr. Lilles is one of the ablest guides to lead us through to such a choice. Will I stay with knowledge about Jesus or will I enter the garden of prayer and finally come to know Him!! Do not be afraid to be loved, read this book. DEACON JAMES KEATING, PH.D, Institute for Priestly Formation, Omaha, NE

Hidden Mountain, Secret Garden

The foundational work on shamanism now available as a Princeton Classics paperback Shamanism is an essential work on the study of this mysterious and fascinating phenomenon. The founder of the modern study of the history of religion, Mircea Eliade, surveys the tradition through two and a half millennia of human history, moving from the shamanic traditions of Siberia and Central Asia—where shamanism was first observed—to North and South America, Indonesia, Tibet, China, and beyond. In this authoritative survey, Eliade illuminates the magico-religious life of societies that give primacy of place to the figure of the shaman—at once magician and medicine man, healer and miracle-doer, priest, mystic, and poet. Synthesizing the approaches of psychology, sociology, and ethnology, Shamanism remains the reference book of choice for those interested in this practice.

Soul Journeys

"This volume is based on a conference on shamanic heritage that took place at the Hungarian Culture Foundation, Budapest, in April 2000. Some two dozen experts came together from Korea, the US, Russia, France, Germany, Austria, Belgium and Hungary. The meeting was a success in terms of scholarly debates and genuine presentations including some film documents on shamanic rituals from different cultures. In the course of discussions, the cultural value of shamanism has been re-evaluated as the heritage of humanity, the important source of performing arts, and a reservoir of traditional knowledge."

Shamanism, Discourse, Modernity

This book provides an introduction to the extensive anthropological literature on religion that has been produced over the past forty years.

Shamanic Trance in Modern Kabbalah

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

Mary Magdalene, Shaman

"If you want to better understand how today's headlines might be fulfilling biblical prophecy, then read this book This book will help ensure that your faith is built on Christ alone and the assurance of spending eternity with Him, not the sometimes-scary flow of history. You will also get a complete education on Islam and its possible role in the End Times." Joel Richardson New York Times bestselling author and internationally recognized teacher Arab Spring, Christian Winter will help you tie newspaper headlines to your scriptural knowledge of the Last Days. Ralph Stice draws a clear link between the Arab Spring and the rise of a worldwide power that appears to be ushering in the coming Antichrist. This book will also show you what you need to watch for in tomorrow's news and guide you on how to fortify your faith for stormy days ahead. The Western Church has much to learn from Christian brothers and sisters in the Middle East. Familiar Scripture passages are unfolding with new clarity to believers everywhere. Learn: · Why the Arab Spring had to happen to fulfill scriptural prophecy · How the Arab Spring led to the unleashing of pure Islam · Which nation could be the crucial link between East and West and produce an Antichrist figure · The responses of Middle Eastern Christians to intense persecution and what we Western believers can learn from them Fear not! He will never leave us nor forsake us (Hebrews 13:5). We will discover Jesus in a fresh way when we face true persecution. How will your faith withstand the great distress, unequaled from the beginning of the world until now—and never to be equaled again (Matthew 24:21)? Brothers and sisters in Christ are facing this reality every day, right now.

How Gods Are Made

An examination of the tenets of paganism demonstrates that certain characteristics of paganism can be found in Christianity, and discusses Christian

objections to Wicca and Wiccan objections to Christianity.

Religion and Healing in America

In this stimulating how-to book, a scientist Dr. Dan Swan (D.Engr.) provides an answer to one of life's most important questions, "How in the world does one find miracles?" When a miracle occurred in his life in 1994 at a time when he desperately needed it. This miracle caused a series of revelations that ultimately led him down a spiritual path, completely changing his busy life, his scientific mindset and the way he viewed this chaotic world. Taking the reader on a fascinating tour of his real-life experience, Dr. Swan explains how he began his spiritual journey by learning hands-on energy healing in order to help save his father who had suffered a major stroke. Through his real-life experience as an energy healer, using the healing power from God, he found that miracles happened to patients who were ordinary people like you and him. He witnessed that miracles do happen many times to people who are in desperate need. From his experience, he shows in this book that anyone can become an energy healer and be able to heal loved ones and family members. People of all religious faiths as well as non-believers can transform their physical bodies to Light bodies using the healing power from God. In fact, all major religions including Christianity, Hinduism, and Buddhism, encourage people to make the higher transformation to a union with God or Universal Consciousness. And, he shows the reader step-by-step of how to do it. Using Dr. Swan's method, the spiritual journey can be completed in a short period of time. He successfully merges new scientific findings with ancient wisdom, resulting in an easy-to-understand guide for someone at any spiritual level. Readers will learn from leading quantum physicists and medical doctors, as well as spiritual teachers from around the world. Dr. Swan's instructions set the stage for a spiritual voyage of self-discovery. His book is a timely guide for the year 2012 and beyond, preparing all of us for the age of the New Earth in the near future.

Choosing Authenticity

Today, practicing shamanism doesn't mean you have to live in a rain forest or a desert. Thanks to a modern renaissance of shamanic spirituality, practitioners from all walks of life now use powerful indigenous techniques for healing, insight, and spiritual growth. With *Awakening to the Spirit World*, teachers Sandra Ingerman and Hank Wesselman bring together a circle of renowned Western shamanic elders to present a comprehensive manual for making these practices accessible and available in our daily lives, including: How the original practice of shamanism shaped the world's spiritual traditions and why it is still relevant today. The art of the shamanic journey--a time-tested meditative method for experiencing important spiritual lessons and truths. Guidance for avoiding common pitfalls of shamanic practice. Instruction for working with your dreams, connecting to your spirit guides, healing yourself and your environment. The core of shamanism is the experience of direct revelation-- to communicate firsthand with your spiritual allies and discover your own power. *Awakening to the Spirit World* takes you through each step of developing a personal connection with your helping spirits to receive wisdom, insight, and healing energy. From an overview of shamanism, to your first journeys and encounters with your power animals, to expanding your skills and insight through long-term practice, here is an in-depth resource for the shamanic

arts that includes: Creating rituals and ceremonies for healing and transformation
Reconnecting with nature to heal ourselves and the planet Working with your
dreams, songs, and artistic vision to strengthen your practice Traditional wisdom
for children-- healthy rites of passage for each phase of a child's journey to
adulthood Honoring the cycle of life and death-- shamanic practices to prepare for
and celebrate our final transition in this life Excerpt Shamanism is the most ancient
spiritual practice known to humankind and is the "ancestor" of all our modern
religions. As a method, it is a form of meditation combined with a focused intention
to accomplish various things, as well become apparent in this book. As a spiritual
practice, shamanism can become a way of life that may utterly transform the one
who practices it. The word "shaman" comes from the language of the Evenki
peoples, a Tungusic tribe in Siberia. This is a word whose meaning has to do with
esoteric knowledge and extraordinary spiritual abilities and as such a shaman is
often defined as an intermediary between the human and spirit worlds. In
shamanic cultures, the word "shaman" has come to mean "the one who sees in the
dark" or "the one who knows." There are certain commonalities in a shaman's
worldview and practice across the world that allow us to make certain broad
generalizations about shamanism. In the majority of indigenous cultures, the
universe is viewed as being made up of two distinct realms: a world of things seen
and a world of things hidden, yet that these two worlds present themselves
together as two halves of a whole. The shaman is the inspired visionary, a man or
a woman who learns through practice how to enter into this "world of things
hidden," and once there, he or she typically encounters extra-mundane
personalities or archetypal forces that the indigenous peoples refer to as spirits,
ancestors, or even gods. Reviews "Awakening to the Spirit World" takes a deep
look at tapping sources of invisible power in daily life. So much of what Sandra
Ingerman and Hank Wesselman write about is lost to modern medicine: listening to
the weather and the elements, understanding death, and more. This is a
courageous book that will appeal to all who long to explore the unseen world."
—Judith Orloff, MD, author of Emotional Freedom "In an era when chaos, confusion,
and uncertainty take center stage, the ancestors, focused on balancing the
energies of life, call forth calm, clarity, and pragmatic direction for accessing the
medicine needed to heal the individual and collective psyche. In this moment in
time, we are invited into "Awakening the Spirit World," where we are reassured
that we are not alone. We are in good company, indeed." —Malidoma Patrice
Some, PhD, author of "Of Water and the Spirit, The Healing Wisdom of Africa," and
"Ritual: Power, Healing, and Community."

Shamanism for Beginners

Michael Henry Dunn's spiritual journey began with heartbreak and a call to
monastic life. But a deep conviction that one can be in love with the Divine -
passionately, romantically in love - and still find sweet and fulfilling human love as
well, led him to seek and find intimacy with the ultimate Soul Mate. Romancing the
Divine is Dunn's deeply moving, intensely personal account of a love affair with the
Source of Life: the Goddess who is also God. With honesty and humor, Dunn
reveals the personal crisis that led to his spiritual awakening, his experiences
meditating and chanting in the company of saints and illuminated souls, and the
paths and techniques you can use to share in his love. What Dunn experienced
(and continues to experience) transcends any one religion. He found commonality

Read Book Shamanic Christianity The Direct Experience Of Mystical Communion

in his divine love with Indian yogis and Western nuns and discovered inspiration from Christian monastics and the chants of the kirtan yogic tradition. His is an unabashedly romantic love story centered on the Divine Feminine and filled with joy, passion, and a spiritualized and purified erotic energy. To love the Divine is to discover a lover who, according to Dunn, is "seductive beyond thought of competition." It's a love we all deserve.

Does God use "Verbal Abuse" to shape up our walk with Him; is it a TEST orchestrated by God? Is it a precursor to physical abuse? Lady Day was caught up in a "Verbal Abusive" lifestyle. Her triumph

Pagans & Christians

There is arguably no more critical and pressing topic than the relation of science and religion in the modern world. Science has given us the methods for discovering truth, while religion remains the single greatest force for generating meaning. Yet the two are seen as mutually exclusive, with wrenching consequences for humanity. In *The Marriage of Sense and Soul*, one of today's most important philosophers brilliantly articulates how we might begin to think about science and religion in ways that allow for their reconciliation and union, on terms that will be acceptable to both camps. Ken Wilber is widely acclaimed as the foremost thinker in integrating Western psychology and the Eastern spiritual traditions. His many books have reached across disciplines and synthesized the teachings of religion, psychology, physics, mysticism, sociology, and anthropology, earning him a devoted international following. *The Marriage of Sense and Soul* is his most accessible work yet, aimed at guiding a general audience to the mutual accord between the spiritual, subjective world of ancient wisdom and the objective, empirical world of modern knowledge. Wilber clearly and succinctly explores the schism between science and religion, and the impact of this "philosophical Cold War" on the fate of humanity. He systematically reviews previous attempts at integration, explaining why romantic, idealistic, and postmodern theories failed. And he demonstrates how science is compatible with certain deep features common to all of the world's major religious traditions. In pointing the way to a union between truth and meaning, Ken Wilber has created an elegant and accessible book that is breathtaking in its scope.

Exceptional Human Experience

The 1980s saw the emergence of New Age and neo-paganism as major new religious movements. In the first book-length study of these movements, Michael York describes their rituals and beliefs and examines the similarities, differences and relationships between them. He profiles particular groups, including the Church Universal Triumphant, Nordic pagans, and the Covenant of Unitarian Pagans, and questions the adequacy of existing sociological categories for describing these largely amorphous phenomena.

It's Time to Grow Up

Romancing the Divine

Religion and Anthropology

Ecstatic Body Postures

Named one of the Fifty Best Spiritual Books of 2013 by SPIRITUALITY & PRACTICE in the JUSTICE category! The Occupy Wall Street movement and protest movements around the world are evidence of a new era of intergenerational activists seeking deeper spiritual meaning in their quest for peace and justice. This book is a call to action for a new era of spirituality-infused activism. Authors Adam Bucko and Matthew Fox encourage us to use our talents in service of compassion and justice and to move beyond our broken systems--economic, political, educational, and religious--discovering a spirituality that not only helps us to get along, but also encourages us to reevaluate our traditions, transforming them and in the process building a more sacred and just world. Incorporating the words of young activist leaders culled from interviews and surveys, the book provides a framework that is deliberately interfaith and speaks to our profound yearning for a life with spiritual purpose and for a better world. Each chapter is construed as a dialogue between Fox, a 72-year-old theologian, and Bucko, a 37-year-old spiritual activist and mentor to homeless youth. As we listen in on these familiar yet profound conversations, we learn about Fox and Bucko's own spiritual journeys and discover a radical spirituality that is inclusive, democratic, and relevant to the world we live in today. Table of Contents Foreword by Mona Eltahawy Foreword by Andrew Harvey Introduction: Invitation to Occupy Your Conscience 1. Is It Time to Replace the God of Religion with the God of Life? 2. The Healing Power from God

Awakening to the Spirit World

Christianity and the New Idealism

Assesses the interaction of 19th-century Russian missionaries with three indigenous groups--the Chukchi and Altaians in Siberia and the Dena'ina Indians in Alaska--and examines the relationships as a dialogue about spiritual, political, and ideological power.

The Burning Mirror

This book is the story of a physical ordeal, a liver transplant, which was also a profound spiritual transformation. By welcoming information from unusual sources—including dreams, visions, and synchronistic events—and deepening all of this into a coherent whole through the study of psychology, astrology, and art, Sara awakened to the realization that spirit infuses matter. Sara sought out the many faces of the sacred feminine, going beyond her traditional Christian upbringing and marking herself as a heretic. What no one could have predicted is that Sara's journey beyond Christianity—a journey that took her to the remote Australian outback, a sweat lodge in an Arizona desert, soaring cathedrals in the south of France, and a sterile operating room at Cedars Sinai Medical Center in Los Angeles—would return her to a home she never knew. As she listened for the first time to the stories she had never been told, she would meet Mary Magdalene as a shaman and understand her undying devotion to her beloved Jesus. It was through the Magdalene that Sara fully realized His promise that the kingdom of heaven is within. Mary Magdalene knew this in every cell of her being, and this knowledge is her gift to Sara. This book, beautifully illustrated with Sara's own paintings, offers a hopeful message to those facing life-threatening illness and traumatic loss and shows how physical ordeal is a spiritual opportunity. It speaks to heartbroken Christians who, like Sara, can find fresh inspiration in the original teachings of Jesus.

Occupy Spirituality

Rediscovery of Shamanic Heritage

Shamanism, Discourse, Modernity considers indigenous peoples' struggles for human rights, anxieties about anthropocentric mastery of nature, neoliberal statecraft, and entrepreneurialism of the self. The book focuses on four domains - shamanism, indigenism, environmentalism and neoliberalism - in terms of interrelated historical processes and overlapping discourses. In doing so, it engages with shamanism's manifold meanings in a world increasingly sensitive to indigenous peoples' practices of territoriality, increasingly concerned about humans' integral relationship with natural environments, and increasingly encouraged and coerced to adjust self-conduct to comport with and augment government conduct.

Secrets to Divine Manifestations

Shamanism and Christianity

Religion is not enough. Culture is not enough. Both religion and culture are important, even crucial to living a full life, but they are not enough. Choosing authenticity is the only thing that is enough. Our deepest desire is for our active lives to actually become more and more an authentic expression of who we are and who we are called to be by that Mysterious Other we call God. We long for a

No BS Spirituality that changes the way we actually experience and live our lives. We need spiritual practice that facilitates that growth and transformation, and conversion of heart. It is my prayer that these reflections will respond to that longing. Read, reflect, and enjoy!

The Marriage of Sense and Soul

Shamanism

Have you ever wondered why there are so many religions in the world? Each one claims to be true, and attempts to affirm it by tales of miracles and books of wisdom. But they can't all be right, can they? In this book, Daniel Clausen shows the origins of false religion and idolatry through the Bible, logic, and his personal experiences as a former occultist and cult leader, where he gained a real and active demonic backing, resulting in a loyal, but deceived following. Read on, and discover the truth of HOW GODS ARE MADE.

Shamanic Christianity

The author's journey to becoming a Bushman shaman and healer and how this tradition relates to shamanic practices around the world • Explores the Bushmen's ecstatic shaking and dancing practices • Written by the first non-Bushman to become fully initiated into their healing and spiritual ways In *Bushman Shaman*, Bradford Keeney details his initiation into the shamanic tradition of the Kalahari Bushmen, regarded by some scholars as the oldest living culture on earth. Keeney sought out the Bushmen while in South Africa as a visiting professor of psychotherapy. He had known of the Kalahari "trance dance," wherein the dancers' bodies shake uncontrollably as part of the healing ceremony. Keeney was drawn to this tradition in the hope that it might explain and provide a forum for his own ecstatic "shaking," which he had first experienced at the age of 19 and had tried to suppress and hide throughout his adult life. For more than a dozen years Keeney danced with Bushmen shamans in communities throughout Botswana and Namibia, until finally becoming fully initiated into their doctoring and spiritual ways. Through his rediscovery of the "rope to God" in a Bushman shaman dream, he offers readers accounts of his shamanic world travels and the secrets of the soul he learned along the way. In *Bushman Shaman* Keeney also reveals his work with shamans from Japan, Tibet, Bali, Thailand, Australia, and North and South America, providing new understandings of other forms of shamanic spiritual expression and integrating the practices of all these traditions into a sacred circle of one truth.
