The Ingenious Knight

ABBA was the biggest selling pop group of the
Seventies. Between their first single in 1972, when

the group was not yet called ABBA, and their final singles in 1982, ABBA recorded and released 98 unique songs. In addition they recorded versions of some of their biggest hits in Swedish, German, French, and Spanish; performed a number of songs in concert that were never released on record; and recorded a number of songs that didn't see the light of day at the time, but have been released from the archive the decades since the group 'took a break'; at the end of 1982. Everyone remembers ABBA's biggest hits - songs like 'Waterloo', 'Mamma Mia', 'Fernando', 'Dancing Queen', 'Take A Chance On Me', 'Chiquitita', and 'The Winner Takes It All' - but there are many gems to be found on the eight studio albums and 21 singles released during the group's lifetime. 'ABBA: Song by Song'; is a look at every single song by the Swedish supergroup, written by a life-long ABBA fan. Find out what inspired the songs, what went in to recording them, and their impact around the world in the 1970s and 80s and beyond.

Pass the Ball!

It is the astonishment of Louise Glück's poetry that it resists collection. With each successive book her drive to leave behind what came before has grown more fierce, the force of her gaze fixed on what has yet to be imagined. She invented a form to accommodate this need, the book-length sequence of poems, like a landscape seen from above, a novel with lacunae opening onto the unspeakable. The reiterated yet endlessly transfigured elements in this landscape—Persephone, a copper beech, a mother

and father and sister, a garden, a husband and son, a horse, a dog, a field on fire, a mountain—persistently emerge and reappear with the dark energy of the inevitable, shot through with the bright aspect of things new-made. From the outset ("Come here / Come here, little one"), Gluck's voice has addressed us with deceptive simplicity, the poems in lines so clear we "do not see the intervening fathoms." From within the earth's bitter disgrace, coldness and barrenness my friend the moon rises: she is beautiful tonight, but when is she not beautiful? To read these books together is to understand the governing paradox of a life lived in the body and of the work wrested from it, the one fated to die and the other to endure.

Lieutenant Stuart Lyons is a single father and a well-

respected veteran law enforcement officer. In addition, he serves as head of security at the ever-popular New Hope Church in Atlanta, GA and above all, he loves the Lord. When sudden pandemonium strikes his "normal" life and he begins receiving threats from an unknown person who only identifies himself as "Dr. A.H. Satan," Stuart's life is turned upside down. This faceless stalker seems to know everything about Stuart: where he lives, where he works, where he worships, who his friends are and, most unsettling of all, that he has a son whom he adores. A series of disturbing events sends the Dekalb County Police Department into over-drive, trying to find the recently released, elusive madman who is now suspected of seeking long-awaited revenge on the officer who was responsible for putting him behind bars. Bizarre happenings—some explainable, and others that yet remain mysteries—have been known to find their way into the lives of many of the residents of the infamous Shelton Heights subdivision, and apparently, it's now Stuart's turn. Will his faith and the prayers of the righteous help put an end to his distress, or will the Legend of Shelton Heights swallow him whole?

“How impossible it was to grasp that in the end something as fine as this could be ground into dust” (p. 213). *I Curse the River of Time*, the new novel from the winner of the International IMPAC Dublin Literary Award for *Out Stealing Horses*, is a mesmerizingly beautiful book about love, regret,

family secrets and failed revolution. The novel takes us through thirty-seven-year-old Arvid's life and its descent towards a moment of terrible crisis. It traces his parents' hesitant support when he gives up his place at college to work in a paper mill, like his father; his experiences as a fervent young Maoist in Norway in the 1960s; the death of his younger brother; the passionate, enveloping romance that led to marriage and children and, for a time, happiness; the failure of that relationship, and its transformation into a source of harrowing pain. By 1989, everything that gave Arvid's life meaning has melted into air. The collapse of the Berlin Wall mirrors the collapse of his marriage and his self-punishing alcoholism. When his mother is diagnosed with stomach cancer, Arvid sets off to their summer house in Denmark to be with her, meeting men and women from their past along the way. His despairing journey is also a quest for some kind of order in his life, perhaps even a new foundation. When Arvid finds his mother, and accompanies her in her illness, the novel turns to exploring the secrets that explain the distance between them - a distance that perhaps can never be crossed. *I Curse the River of Time* describes the ways that the present and the past are always intertwined, and shows how the personal and political are one and the same. Written in a subdued and elegiac style, with flashes of devastating poetic beauty, it is an utterly absorbing experience, a book that displays wisdom of the kind that only profound loss can bring. Above all, it is a reminder of the power of great art to console us for life's burdens, an example of the way our dreams may brighten our bleakest moments. From the Hardcover edition.

A Grain of Sand

The Adventures of Reuben Davidger

Battered and psychologically abused by an alcoholic father and neglected by an equally abused mother, Michael, age seven, descended into rage at the murder of his beloved pet rooster and the death of his adored sister. Consumed by murderous hate, Michael was exiled to an obscure monastery between China and Tibet in the back of beyond, from a place it was assumed he would never return. A very special Buddhist monk, Kako, made it his life's work to reclaim the wreck that was this belligerent boy. It took Kako eleven years to transform Michael into the man of peace and charity he is today. The path was difficult and often seemed impossible as Michael resisted all of Kako's patient teaching. Michael's transformation was aided by a handwoven soccer ball made from bamboo and coconut skin and a team of young monks who played a game they had never seen before in their lives. By the time Kako passed away at the age of forty-four, Michael was ready to return to a world that had long ago forgotten him. *Shinawa: The Story of a Reclaimed Life* is the remarkable story of the long and difficult path to Michael's transformation.

Don Quixote has become so entranced reading tales of chivalry that he decides to turn knight errant himself. In the company of his faithful squire, Sancho Panza, these exploits blossom in all sorts of wonderful ways. While Quixote's fancy often leads him astray—he tilts at windmills, imagining them to be

giants—Sancho acquires cunning and a certain sagacity. Sane madman and wise fool, they roam the world together-and together they have haunted readers' imaginations for nearly four hundred years. With its experimental form and literary playfulness, Don Quixote has been generally recognized as the first modern novel. This Penguin Classics edition, with its beautiful new cover design, includes John Rutherford's masterly translation, which does full justice to the energy and wit of Cervantes's prose, as well as a brilliant critical introduction by Roberto Gonzalez Echevarriá.

In every large city, there are marginal, criminal types who live on the fringes of the society. They are faceless, ignored or feared. The author had worked and lived in their East Harlem, New York neighborhood. Through a series of in-depth interviews he attempts to give them a human face. These are documentary stories, capturing not just the life style of addicts, prostitutes, con artists and murderers, but also their suffering and pain. They are seen as individuals, marked by abuse, who show a predisposition to self-destruction, reinforced by their antisocial subculture. Still, despite a world marked by violence, there is a common denominator: they want what all of us desire-security, love and meaning in their lives. Tragically, unlike those of us in the straight world, they lack the emotional and practical skills to find their way.
