In an age when managers can no longer rely on formal power, persuading people is more important than ever. Persuasion is a process of learning from colleagues and employees and negotiating shared solutions to solving problems and achieving

goals. In *The Necessary Art of Persuasion*, Jay Conger describes four essential components of persuasion and explains how to master them, providing the information you need to fulfill your managerial mandate: getting work done through others.

### **The Ultimate Guitar Book**

Bruised and battered, Kaycee barely escapes the clutches of a serial killer, only to find herself with another dilemma--her attraction to the two men assigned to protect her from the killer. Sam and Tyler Warren are criminal profilers for the F.B.I. They're also identical twins with a very unusual psychic connection, one that has left them with a bleak hope for the future and of finding wives. That is until they meet Kaycee and find a woman who might be able to love each of them. While hiding from the killer still after Kaycee, they explore a passion none of them ever expected to find. But their newfound happiness will be shattered when the killer learns of her whereabouts and puts into motion a sick plan Sam and Tyler may not be able to stop. "Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: mnage (m/f/m), violence."

### **The Protege**

Having survived his rise to Chairman of Everest Capital, the world's largest private equity firm, and the ferocious attempts on his life that ensued, Christian Gillette finally seems safely perched atop the financial industry. He's just accepted Everest's largest private investment, he's poised to takeover his ex-rival's sinking firm, and he's just embarked on his firm's most exciting venture to date, buying

the NFL's newest team -- the Las Vegas Twenty-Ones. Plus, one of his young employees -- an ambitious deal maker named David Wright -- has caught his eye. Wright reminds Gillette of himself just a few years back, and he's drawn to the thought of teaching the wunderkind everything the ups and downs of the industry. But everything comes to a screeching halt when a shadowy man calls him to a meeting, requesting a favor and offering in return new information about Gillette's father and his still mysterious death. Christian Gillette can't stand to be controlled, but he also can't afford to lose a chance at finally learning something substantive about his father's death. And as he becomes more entangled with the strange deal, and the frantic pace of business continues without his full attention, he feels his grip on Everest weakening -- and soon realizes his life is once more in desperate jeopardy. When all signs begin to point to David Wright, Gillette realizes that his toughest decision as Chairman lies directly ahead From the Hardcover edition.

This dictionary provides a stimulating and categorical foundation for a serious international discourse on design. It is a handbook for everyone concerned with design in career or education, who is interested in it, enjoys it, and wishes to understand it. 110 authors from Japan, Austria, England, Germany, Australia, Switzerland, the Netherlands, the United States, and elsewhere have written original articles for this design dictionary. Their cultural differences provide

perspectives for a shared understanding of central design categories and communicating about design. The volume includes both the terms in use in current discussions, some of which are still relatively new, as well as classics of design discourse. A practical book, both scholarly and ideal for browsing and reading at leisure.

One lucky woman is in for the ride of her life with three sexy cowboys During

summer break, wannabe wild woman Channing Kinkaid is offered the chance to shed her inhibitions and horse around on the road with a real chaps-and-spurs wearing rodeo cowboy. From the moment Colby McKay-bull rider, saddle bronc buster and calf roper-sets his lust-filled eyes on the sweet and fiery Channing, he knows she's up to the challenge of being his personal buckle bunny. But he also demands that his rodeo traveling partners, Trevor and Edgard are allowed to join in their no-holds-barred sexcapades. Although Channing secretly longed to be the sole focus of more than one man's passions, all is not as it seems with the sexy trio. Colby's demand for her complete submission behind closed doors tests her willful nature, and his sweet-talking ways burrow into her heart. Will Colby have to break out the bullropes and piggin' string to convince this headstrong filly that the road to true love doesn't have to be as elusive as that championship belt buckle? Warning: This story has tons of explicit sex, graphic language that'd make your mama blush, light bondage, menage a trois, and-yee-haw -hot nekkid cowboy man-love"

## **Four from the Witch World**

Retailers Choice Award winner, 2012 The world is on the brink of disaster, and the clock is ticking. Iran has just conducted its first atomic weapons test. Millions of Muslims around the world are convinced their messiah—known as the Twelfth Imam—has just arrived on earth. Israeli leaders fear Tehran, under the Twelfth Imam’s spell, will soon launch a nuclear attack that could bring about a second Holocaust and the annihilation of Israel. The White House fears Jerusalem will strike first, launching a preemptive attack against Iran’s nuclear facilities that could cause the entire Middle East to go up in flames, oil prices to skyrocket, and the global economy to collapse. With the stakes high and few viable options left, the president of the United States orders CIA operative David Shirazi and his team to track down and sabotage Iran’s nuclear warheads before Iran or Israel can launch a devastating first strike.

You can choose several data access frameworks when building Java enterprise applications that work with relational databases. But what about big data? This hands-on introduction shows you how Spring Data makes it relatively easy to build applications across a wide range of new data access technologies such as NoSQL and Hadoop. Through several sample projects, you'll learn how Spring Data

provides a consistent programming model that retains NoSQL-specific features and capabilities, and helps you develop Hadoop applications across a wide range of use-cases such as data analysis, event stream processing, and workflow. You'll also discover the features Spring Data adds to Spring's existing JPA and JDBC support for writing RDBMS-based data access layers. Learn about Spring's template helper classes to simplify the use of database-specific functionality Explore Spring Data's repository abstraction and advanced query functionality Use Spring Data with Redis (key/value store), HBase (column-family), MongoDB (document database), and Neo4j (graph database) Discover the GemFire distributed data grid solution Export Spring Data JPA-managed entities to the Web as RESTful web services Simplify the development of HBase applications, using a lightweight object-mapping framework Build example big-data pipelines with Spring Batch and Spring Integration

"If this series goes as hot as we think it is, it will be better than Twilight! Stephenie Meyer, look out!" ~Young Readers Group of Maine SADIE I've dreamt of the mysterious faceless boy with shimmering eyes since I was little. But that's all he ever was... a dream. Then I almost died. When I woke up, there he was. Rayne is definitely real... and gorgeous. I feel like I've known him forever, but I have no idea why. Who is he? All he will tell me is that he's a Water Keeper, tasked with using Healing Water to help the sick and hurt. But he's been assigned to me. Only me. My own irresistible bodyguard. But, why? What is he protecting me from? I'm just a normal high school girl. Or am I? RAYNE I have a duty—to protect Sadie from a secret world she knows nothing about, or her place in it. I can't get emotionally involved. The risk is too great. I'm not even supposed to speak to her. But then there was the accident. I thought I was going to lose her, and I can't lose her. But I can't have her either. I have to be strong. But, the way she looks at me... the way she makes me feel... No. I have to resist. I've sworn an oath I can't ever break. Sadie has the perfect life. But everything turns upside down when she's rescued by a mysterious boy who won't even tell her his name. As Sadie pushes for answers, she realizes her life isn't as perfect as she thought. Not only is she caught in a world of dangerous secret agents she never knew existed, but it turns out her true identity may be the greatest secret of all.
