Bridge to Terabithia

Is your school prepared to deal with a crisis, whether it's a hurricane, an earthquake, an explosion at a nearby chemical facility, an active shooter, or one of many other possibilities? Does your school have an up-to-date plan to deal with hazards of all sorts? Do teachers and other staff members know what to do in emergency situations to protect their students and themselves from harm? In this informative and comprehensive guide, school safety experts Amy Klinger and Amanda Klinger offer significant--and sometimes surprising--statistics on school safety, dispel common misunderstandings, and provide preK-12 school leaders with the specific information they need to prepare for and effectively respond to natural disasters, accidents, or violent events. Readers will learn how and why it is important to

- Realistically assess threats and vulnerabilities.
- Create and implement an emergency operations plan that follows government guidelines and best practices.
- Decentralize authority and responsibility for crisis response.
- Distinguish between three levels of "lockdown."
- Plan for short- and long-term recovery following an incident.
- Make school safety an everyday component of school operations.

At a time when schools at every level and in every community face the possibility of a crisis event, *Keeping Students Safe Every Day* equips leaders with the knowledge they need to give their students, staff members, parents, and the broader community confidence that their school knows what to do and makes safety a top priority.

Every Day Is Extra

Brought together by a mutual fascination with pigeons, Louisa, a young chambermaid at the Hotel New Yorker, forms an unlikely friendship with the hotel's most famous and unusual resident, eccentric and pioneering inventor Nikola Tesla, during his final days. Reprint.

Man S Search For Meaning

E-mails proposing an "urgent business relationship" help make fraud Nigeria's largest source of foreign revenue after oil. But scams are also a central part of Nigeria's domestic cultural landscape. Corruption is so widespread in Nigeria that its citizens call it simply "the Nigerian factor." Willing or unwilling participants in corruption at every turn, Nigerians are deeply ambivalent about it--resigning themselves to it, justifying it, or complaining about it. They are painfully aware of the damage corruption does to their country and see themselves as their own worst enemies, but they have been unable to stop it. *A Culture of Corruption* is a profound and sympathetic attempt to understand the dilemmas average Nigerians face every day as they try to get ahead--or just survive--in a society riddled with corruption. Drawing on firsthand experience, Daniel Jordan Smith paints a vivid portrait of Nigerian corruption--of nationwide fuel shortages in Africa's oil-producing giant, Internet cafés where the young launch their e-mail scams, checkpoints where drivers must bribe police, bogus organizations that siphon development aid, and houses painted with the fraud-preventive words "not for sale." This is a country where "419"--the number of an antifraud statute--has become an inescapable part of the culture, and so universal as a metaphor for deception that even a betrayed lover can say, "He played me 419." It is impossible to comprehend Nigeria today--from vigilantism and resurgent ethnic nationalism to rising Pentecostalism and accusations of witchcraft and cannibalism--without understanding the role played by corruption and popular reactions to it. Some images inside the book are unavailable due to digital copyright restrictions.

Every Day Is for the Thief

One of the most important exponents of Situationist ideas, this treatise presents an impassioned critique of modern capitalism and serves as a cornerstone of modern radical thought. Originally published in early 1968, the book both kindled and colored the May 1968 upheavals in France that captured the attention of the world. In the political climate of today, Raoul Vaneigem's important work of radical anticapitalist thought has struck a new chord with the worldwide Occupy Movement. Naming and defining the alienating features of everyday life in consumer society—survival rather than living in full, the call to sacrifice, the cultivation of false needs, the dictatorship of the commodity, subjection to social roles, and the replacement of God by the economy—the book argues that the countervailing impulses that exist deep within this alienation, such as creativity, spontaneity, and poetry, present an authentic alternative to nihilistic consumerism. This carefully edited new translation marks the first North American publication of this important work and includes a new preface by the author and a translator's note.

Own Your Everyday

The 40th anniversary edition of the classic Newbery Medal-winning title by beloved author Katherine Paterson, with brand-new bonus materials including an author's note by Katherine herself and a foreword by New York Times bestselling author Kate DiCamillo. Jess Aarons has been practicing all summer so he can be the fastest runner in the fifth grade. And he almost is, until the new girl in school, Leslie Burke, outpaces him. The two become fast friends and spend most days in the woods behind Leslie's house, where they invent an enchanted land called Terabithia. One morning, Leslie goes to Terabithia without Jess and a tragedy occurs. It will take the love of his family and the strength that Leslie has given him for Jess to be able to deal with his grief. *Bridge to Terabithia* was also named an ALA Notable Children's Book and has become a touchstone of children's literature, as have many of Katherine Paterson's other novels, including *The Great Gilly Hopkins* and *Jacob Have I Loved*.

The Invention of Everything Else

See faster results through everyday feedback. *The Feedback Imperative: How to Give Everyday Feedback to Speed Up Your Team's Success* reveals the hidden reasons why giving feedback to employees can be so difficult and yet so urgently needed in today's workplace, and provides the definitive steps for overcoming feedback avoidance and taking great leaps forward with employee engagement, retention, and performance. Anna Carroll applies her extensive research and expertise in business consulting and psychology to illustrate how brain science, generational trends, our information economy, limiting beliefs, and organizational culture collide in the new workplace, creating a huge gap between the supply and demand of helpful professional feedback. In her "Seven Steps to Everyday Feedback" and sixteen tools for self-assessment and planning, Carroll provides detailed instructions for leaders to execute a feedback turnaround that will quench their team members' thirst for helpful feedback and build a culture in which employee-to-leader and peer-to-peer feedback are welcome as well.

How Not to be Wrong

A New York Times Notable Book • One of the ten top novels of the year —Time and NPR NAMED A BEST BOOK ON MORE THAN TWENTY END-OF-THE-YEAR LISTS, INCLUDING *The New Yorker* • *The Atlantic* • *The Economist* • *Newsweek/The Daily Beast* • *The New Republic* • *New York Daily News* • *Los Angeles Times* • *The Boston Globe* • *The Seattle Times* • *Minneapolis Star Tribune* • *GQ* • *Salon* • *Slate* • *New York magazine* • *The Week* • *The Kansas City Star* • *Kirkus Reviews* A haunting novel about identity, dislocation, and history, Teju Cole's *Open City* is a profound work by an important new author who has much to say about our country and our world. Along the streets of Manhattan, a young Nigerian doctor named Julius wanders, reflecting on his relationships, his recent breakup with his girlfriend, his present, his past. He encounters people from different cultures and classes who will provide insight on his journey—which takes him to Brussels, to the

Nigeria of his youth, and into the most unrecognizable facets of his own soul. “[A] prismatic debut . . . beautiful, subtle, [and] original.”—The New Yorker “A psychological hand grenade.”—The Atlantic “Magnificent . . . a remarkably resonant feat of prose.”—The Seattle Times “A precise and poetic meditation on love, race, identity, friendship, memory, [and] dislocation.”—The Economist

A Culture of Corruption

Design doesn't have to be complicated, which is why this guide to human-centered design shows that usability is just as important as aesthetics. Even the smartest among us can feel inept as we fail to figure out which light switch or oven burner to turn on, or whether to push, pull, or slide a door. The fault, argues this ingenious -- even liberating -- book, lies not in ourselves, but in product design that ignores the needs of users and the principles of cognitive psychology. The problems range from ambiguous and hidden controls to arbitrary relationships between controls and functions, coupled with a lack of feedback or other assistance and unreasonable demands on memorization. The Design of Everyday Things shows that good, usable design is possible. The rules are simple: make things visible, exploit natural relationships that couple function and control, and make intelligent use of constraints. The goal: guide the user effortlessly to the right action on the right control at the right time. The Design of Everyday Things is a powerful primer on how -- and why -- some products satisfy customers while others only frustrate them.

The Design of Everyday Things

A brilliant satire of mass culture and the numbing effects of technology, *White Noise* tells the story of Jack Gladney, a teacher of Hitler studies at a liberal arts college in Middle America. Jack and his fourth wife, Babette, bound by their love, fear of death, and four ultramodern offspring, navigate the rocky passages of family life to the background babble of brand-name consumerism. Then a lethal black chemical cloud, unleashed by an industrial accident, floats over their lives, an "airborne toxic event" that is a more urgent and visible version of the white noise engulfing the Gladneys—the radio transmissions, sirens, microwaves, and TV murmurings that constitute the music of American magic and dread.

What Alice Forgot

The daily lives of ordinary people are replete with objects, common things used in commonplace settings. These objects are our constant companions in life. As such, writes Soetsu Yanagi, they should be made with care and built to last, treated with respect and even affection. They should be natural and simple, sturdy and safe - the aesthetic result of wholeheartedly fulfilling utilitarian needs. They should, in short, be things of beauty. In an age of feeble and ugly machine-made things,

these essays call for us to deepen and transform our relationship with the objects that surround us. Inspired by the work of the simple, humble craftsmen Yanagi encountered during his lifelong travels through Japan and Korea, they are an earnest defence of modest, honest, handcrafted things - from traditional teacups to jars to cloth and paper. Objects like these exemplify the enduring appeal of simplicity and function: the beauty of everyday things.

Every Day is for the Thief

Demonstrates how to recognize subjects for extraordinary photographs in everyday places, providing discussions and exercises about light and composition, and offers coverage of DSLRs, compact digital cameras, and iPhones.

The Outsiders

“Well-written and fascinating . . . this is the kind of book you want everyone to read.”—Cleveland Plain Dealer “Curiosity, awareness, attention,” Laurence Gonzales writes. “Those are the tools of our everyday survival. . . . We all must be scientists at heart or be victims of forces that we don’t understand.” In this fascinating account, Gonzales turns his talent for gripping narrative, knowledge of the way our minds and bodies work, and bottomless curiosity about the world to the topic of how we can best use the blessings of evolution to overcome the hazards of everyday life. *Everyday Survival* will teach you to make the right choices for our complex, dangerous, and quickly changing world—whether you are climbing a mountain or the corporate ladder.

Extraordinary Everyday Photography

WHERE DOES YOUR CHOCOLATE COME FROM? DOES IT MAT TER IF YOUR COFFEE IS FAIR TRADE OR NOT? It matters - more than you might think. Julie Clawson takes us on a tour of everyday life and shows how our ordinary lifestyle choices have big implications for justice around the world. She unpacks how we get our food and clothing and shows us the surprising costs of consumer waste. How we live can make a difference not only for our own health but also for the well-being of people across the globe. The more sustainable our lifestyle, the more just our world will be. Everyday justice is one way of loving God and loving our neighbors. So don't panic. We can live more ethically, through the little and big decisions we make every day. Find out how.

Someday

Incorporating anecdotes from today’s headlines alongside case studies from the author's 30+ years as a nationally

prominent diversity consultant, this book help readers understand how unconscious bias impacts our day-to-day lives and particularly our daily work lives. --

Open City

FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF THE HUSBAND'S SECRET AND BIG LITTLE LIES. A “cheerfully engaging” (Kirkus Reviews) novel for anyone who’s ever asked herself, “How did I get here?” Alice Love is twenty-nine, crazy about her husband, and pregnant with her first child. So imagine Alice’s surprise when she comes to on the floor of a gym (a gym! She HATES the gym) and is whisked off to the hospital where she discovers the honeymoon is truly over—she’s getting divorced, she has three kids, and she’s actually 39 years old. Alice must reconstruct the events of a lost decade, and find out whether it’s possible to reconstruct her life at the same time. She has to figure out why her sister hardly talks to her, and how is it that she’s become one of those super skinny moms with really expensive clothes. Ultimately, Alice must discover whether forgetting is a blessing or a curse, and whether it’s possible to start over

Everyday Justice

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of ‘Women and Fiction’; she spoke about her conviction that ‘a woman must have money and a room of her own if she is to write fiction’. The following year, the two speeches were published as *A Room of One’s Own*, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance – women and learning, writing and poverty – which helped to establish much of feminist thought on the importance of education and money for women’s independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence – a call which sent ripples well into the next century. 'Brilliant interweaving of personal experience, imaginative musing and political clarity' — Kate Mosse, *The Guardian* 'Probably the most influential piece of non-fictional writing by a woman in this century.' — Hermione Lee, *The Financial Times*

Everyday Hero

Inspiring stories and practical insights challenge readers to live a life of everyday greatness. Best-selling author Stephen Covey and Reader’s Digest have joined forces to produce an extraordinary volume of inspiration, insight, and motivation to live a life of character and contribution. The timeless principles and practical wisdom along with a "Go-Forward Plan" challenge readers to make three important choices every day: The Choice to Act - your energy The Choice of Purpose - your destination The Choice for Principles - the means for attaining your goals Topics include: Searching for Meaning Taking

Charge Starting Within Creating the Dream Teaming with Others Overcoming Adversity Blending the Pieces With stories from some of the world's best known and loved writers, leaders, and celebrities, such as Maya Angelou, Jack Benny, and Henry David Thoreau, and insights and commentary from Stephen Covey, the Wrap Up and Reflections at the end of each chapter help create a project that can be used for group or personal study.

The Revolution of Everyday Life

50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award

Every Day a Friday

USA TODAY BESTSELLER • ECPA BESTSELLER • An empowering girlfriend's guide to a purpose-driven life, from the young entrepreneur and rising star behind SoulScripts and the SHE Podcast "This book will meet you right where you are with a giant hug while also giving you a little kick in the pants."—Audrey Roloff, New York Times bestselling coauthor of *A Love Letter Life*, founder of Always More, cofounder of Beating50Percent Does it ever seem like you still have to find your purpose or that you're stuck with "unfigured-out dreams"? Do you feel the pressure to prove yourself or worry about what others will think? You are not the only one. From accidentally starting a small business instead of using her college degree, to embarrassing herself onstage in front of thousands, to wasting time worrying about what others think or say, Jordan Lee Dooley knows exactly how that feels—and she's learned some important lessons about living a purposeful life along the way. An influential millennial widely recognized for her tagline turned international movement, "Your Brokenness is Welcome Here," Jordan has become a go-to source that women around the world look to for inspiration in their faith, work, relationships, and everyday life. Now, in this approachable but actionable read that's jam-packed with practical tools, Jordan

equips you to • tackle obstacles such as disappointment, perfectionism, comparison, and distraction • remove labels and break out of the box of expectations • identify and eliminate excuses and unnecessary stress about an unknown future • overcome the lie that you can't live your God-given purpose until you reach a certain goal or milestone If you ever feel you need to shift your mindset but don't know how, this book will help you overcome shame, practice gratitude, and redefine success.

Soft City

THE NEW YORK TIMES BESTSELLER “[A] wise, wildly unique” (Entertainment Weekly) love story from the bestselling co-author of Nick and Norah's Infinite Playlist and Will Grayson, Will Grayson about a teen who wakes up every morning in a different body, living a different life. Every day a different body. Every day a different life. Every day in love with the same girl. There's never any warning about where it will be or who it will be. A has made peace with that, even established guidelines by which to live: Never get too attached. Avoid being noticed. Do not interfere. It's all fine until the morning that A wakes up in the body of Justin and meets Justin's girlfriend, Rhiannon. From that moment, the rules by which A has been living no longer apply. Because finally A has found someone he wants to be with—day in, day out, day after day. With his new novel, David Levithan, bestselling co-author of Will Grayson, Will Grayson, and Nick and Norah's Infinite Playlist, has pushed himself to new creative heights. He has written a captivating story that will fascinate readers as they begin to comprehend the complexities of life and love in A's world, as A and Rhiannon seek to discover if you can truly love someone who is destined to change every day. “A story that is always alluring, oftentimes humorous and much like love itself—splendorous.” —Los Angeles Times

Earth Day Every Day

"Visiting Lagos after many years away, Teju Cole's unnamed narrator rediscovers his hometown as both a foreigner and a local. A young writer uncertain of what he wants to say, the man moves through tableaux of life in one of the most dynamic cities in the world: he hears the muezzin's call to prayer in the early morning light, and listens to John Coltrane during the late afternoon heat. He witnesses teenagers diligently perpetrating e-mail frauds from internet cafes, longs after a woman reading Michael Ondaatje on a public bus, and visits the impoverished National Museum. Along the way, he reconnects with old school friends and his family, who force him to ask himself profound questions of personal and national history. Over long, wandering days, the narrator compares present-day Lagos to the Lagos of his memory, and in doing so reveals changes that have taken place in himself. Just as Open City uses New York to reveal layers of the narrator's soul, in Every Day is for the Thief the complex, beautiful, generous, and corrupt city of Lagos exposes truths about our protagonist, and ourselves"--

Everyday Bias

Why are we so insistent that women and men are different? This introduction to gender provides a fascinating, readable exploration of how society divides people into feminine women and masculine men. Gender and Everyday Life explores gender as a way of seeing women and men as not just biological organisms, but as people shaped by their everyday social world. Examining how gender has been understood and lived in the past; and how it is understood and done differently by different cultures and groups within cultures; Mary Holmes considers the strengths and limitations of different ways of thinking and learning to 'do' gender. Key sociological and feminist ideas about gender are covered from Christine Pisan to Mary Wollstonecraft; and from symbolic interactionism to second wave feminism through to the work of Judith Butler. Gender and Everyday Life illustrates gender with a range of familiar and contemporary examples: everything from nineteenth century fashions in China and Britain, to discussions of what Barbie can tell us about gender in America, to the lives of working women in Japan. This book will be of great use and interest to students to gender studies, sociology and feminist theory.

Every Day Is Mother's Day

A young man decides to visit Nigeria after years of absence. Ahead lies the difficult journey back to the family house and all its memories; meetings with childhood friends and above all, facing up to the paradox of Nigeria, whose present is as burdened by the past as it is facing a new future. Along the way, our narrator encounters life in Lagos. He is captivated by a woman reading on a danfo; attempts to check his email are frustrated by Yahoo boys; he is charmingly duped buying fuel. He admires the grace of an aunty, bereaved by armed robbers and is inspired by the new malls and cultural venues. The question is: should he stay or should he leave? But before the story can even begin, he has to queue for his visa.. Every Day is for the Thief is a striking portrait of Nigeria in change. Through a series of cinematic portraits of everyday life in Lagos, Teju Cole provides a fresh approach to the returnee experience.- See more at:

Every Day

Presents the text of Alice Walker's story "Everyday Use"; contains background essays that provide insight into the story; and features a selection of critical response. Includes a chronology and an interview with the author.

White Noise

NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY DWIGHT GARNER, THE NEW YORK TIMES • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY San Francisco Chronicle | NPR | The Root | The Telegraph | The Globe and Mail NATIONAL BESTSELLER • FINALIST, PHILLIS WHEATLEY BOOK AWARD • TEJU COLE WAS NAMED ONE OF THE MOST INFLUENTIAL AFRICANS OF THE YEAR BY NEW AFRICAN MAGAZINE For readers of Chimamanda Ngozi Adichie and Michael Ondaatje, *Every Day Is for the Thief* is a wholly original work of fiction by Teju Cole, whose critically acclaimed debut, *Open City*, was the winner of the PEN/Hemingway Award and a finalist for the National Book Critics Circle Award, and was named one of the best books of the year by more than twenty publications. Fifteen years is a long time to be away from home. It feels longer still because I left under a cloud. A young Nigerian living in New York City goes home to Lagos for a short visit, finding a city both familiar and strange. In a city dense with story, the unnamed narrator moves through a mosaic of life, hoping to find inspiration for his own. He witnesses the “yahoo yahoo” diligently perpetrating email frauds from an Internet café, longs after a mysterious woman reading on a public bus who disembarks and disappears into a bookless crowd, and recalls the tragic fate of an eleven-year-old boy accused of stealing at a local market. Along the way, the man reconnects with old friends, a former girlfriend, and extended family, taps into the energies of Lagos life—creative, malevolent, ambiguous—and slowly begins to reconcile the profound changes that have taken place in his country and the truth about himself. In spare, precise prose that sees humanity everywhere, interwoven with original photos by the author, *Every Day Is for the Thief*—originally published in Nigeria in 2007—is a wholly original work of fiction. This revised and updated edition is the first version of this unique book to be made available outside Africa. You’ve never read a book like *Every Day Is for the Thief* because no one writes like Teju Cole. Praise for *Every Day Is for the Thief* “A luminous rumination on storytelling and place, exile and return . . . extraordinary.”—San Francisco Chronicle “Cole is following in a long tradition of writerly walkers who, in the tradition of Baudelaire, make their way through urban spaces on foot and take their time doing so. Like Alfred Kazin, Joseph Mitchell, J. M. Coetzee, and W. G. Sebald (with whom he is often compared), Cole adds to the literature in his own zeitgeisty fashion.”—The Boston Globe

A Room of One's Own

Alice doesn't like noise, smells or strangers. She does like rules. Lots of rules. Nobody at her new school knows she has Asperger's, so it doesn't take long for her odd behavior to get her into trouble. When she meets Megan in detention, she doesn't know what to make of her. Megan doesn't smell, she's not terribly noisy, and she's not exactly a stranger, but is she a friend? Megan seems fearless to Alice—but also angry or maybe sad. Alice isn't sure which. When Megan decides to run away, Alice resolves to help her friend, no matter how many rules she has to break or how bad it makes her feel.

Ethics of Everyday Life

"Using the mathematician's method of analyzing life and exposing the hard-won insights of the academic community to the layman, minus the jargon Ellenberg pulls from history as well as from the latest theoretical developments to provide those not trained in math with the knowledge they need"--

Gender and Everyday Life

The sequel to the New York Times bestseller *Every Day*, now a major motion picture starring Angourie Rice. Every day a new body. Every day a new life. Every day a new choice. For as long as A can remember, life has meant waking up in a different person's body every day, forced to live as that person until the day ended. A always thought there wasn't anyone else who had a life like this. But A was wrong. There are others. A has already been wrestling with powerful feelings of love and loneliness. Now comes an understanding of the extremes that love and loneliness can lead to -- and what it's like to discover that you are not alone in the world. In *Someday*, David Levithan takes readers further into the lives of A, Rhiannon, Nathan, and the person they may think they know as Reverend Poole, exploring more deeply the questions at the core of *Every Day* and *Another Day*: What is a soul? And what makes us human? Praise for *Every Day*: "A story that is always alluring, oftentimes humorous and much like love itself-- splendid." --Los Angeles Times "Wise, wildly unique." --EW

Every Day Is for the Thief

A New York Times Bestseller A girl falls in love with someone who wakes up in a different body each morning in this enthralling and poignant follow-up to the New York Times bestseller *Every Day*. David Levithan (co-author of *Will Grayson*, *Will Grayson with John Green*) turns his New York Times bestseller *Every Day* on its head by flipping perspectives in this exploration of love and how it can change you. Every day is the same for Rhiannon. She has accepted her life, convinced herself that she deserves her distant, temperamental boyfriend, Justin, even established guidelines by which to live: Don't be too needy. Avoid upsetting him. Never get your hopes up. Until the morning everything changes. Justin seems to see her, to want to be with her for the first time, and they share a perfect day—a perfect day Justin doesn't remember the next morning. Confused, depressed, and desperate for another day as great as that one, Rhiannon starts questioning everything. Then, one day, a stranger tells her that the Justin she spent that day with, the one who made her feel like a real person . . . wasn't Justin at all. And don't miss the *Every Day* major motion picture - coming to theaters February 23, 2018! PRAISE FOR ANOTHER DAY: "It's a tricky concept, but in Levithan's hands it works." —EW.com "[A] richly developed story that takes readers deep into its co-protagonists' beings. . . . Though Levithan considers this to be the earlier novel's 'twin,' it has a separate, deeply satisfying identity and can be read on its own." —Booklist, Starred PRAISE FOR EVERY DAY: "A story that is always alluring, oftentimes humorous and much like love itself—splendid." —Los Angeles Times

The Beauty of Everyday Things

In *Soft City* David Sim, partner and creative director at Gehl, shows how cities with well-designed density can result in a higher quality of life. He presents ideas and graphic examples from around the globe. He draws from his vast design experience to make a case for a dense and diverse built environment at a human scale, which he presents through a series of observations of older and newer places, and a range of simple built phenomena, some traditional and some totally new inventions. *Soft City* offers inspiration, ideas, and guidance in a highly visual package, for anyone interested in city building. Sim shows how to make any city more efficient, more livable, and better connected to the environment.

Keeping Students Safe Every Day

Popular Culture as Everyday Life

An instant New York Times bestseller, John Kerry's revealing memoir offers "a detailed record of an important life...frank, thoughtful, and clearly written...A bittersweet reminder of what the country once demanded of its leaders" (The New York Times Book Review). *Every Day Is Extra* is John Kerry's candid personal story. A Yale graduate, Kerry enlisted in the US Navy in 1966, and served in Vietnam. He returned home highly decorated but disillusioned, and he testified powerfully before Congress as a young veteran opposed to the war. Kerry was elected to the Senate in 1984, eventually serving five terms. In 2004 he was the Democratic presidential nominee and came within one state—Ohio—of winning. He succeeded Hillary Clinton as Secretary of State in 2013. In that position he tried to find peace in the Middle East; dealt with the Syrian civil war while combatting ISIS; and negotiated the Iran nuclear deal and the Paris climate agreement. "In these pages Kerry shows remarkable honesty, depth, even spirituality...There is remarkable poignancy—not the usual currency of the career politician and the country's top diplomat" (The Boston Globe). A witness to some of the most important events of our recent history, Kerry tells wonderful stories about colleagues Ted Kennedy and John McCain, as well as President Obama and other major figures. He writes movingly of recovering his faith while in the Senate, and how he deplores the hyper-partisanship

that has infected Washington. Every Day Is Extra “draws back the curtain on a life you thought you knew, but turns out to be a bit different...A surprisingly personal book” (The Washington Post) that shows Kerry for the dedicated, witty, and authentic man that he is and provides forceful testimony for the importance of diplomacy and American leadership to address the increasingly complex challenges of a more globalized world.

Finding Flow

From one of the pioneers of the scientific study of happiness, an indispensable guide to living your best life. What makes a good life? Is it money? An important job? Leisure time? Mihaly Csikszentmihalyi believes our obsessive focus on such measures has led us astray. Work fills our days with anxiety and pressure, so that during our free time, we tend to live in boredom, watching TV or absorbed by our phones. What are we missing? To answer this question, Csikszentmihalyi studied thousands of people, and he found the key. People are happiest when they challenge themselves with tasks that demand a high degree of skill and commitment, and which are undertaken for their own sake. Instead of watching television, play the piano. Take a routine chore and figure out how to do it better, faster, more efficiently. In short, learn the hidden power of complete engagement, a psychological state the author calls flow. Though they appear simple, the lessons in Finding Flow are life-changing.

Everyday Use

"Like A Wrinkle in Time (Miranda's favorite book), When You Reach Me far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.'" —The Washington Post This Newbery Medal winner that has been called "smart and mesmerizing," (The New York Times) and "superb" (The Wall Street Journal) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Winner of the Boston Globe-Horn Book Award for Fiction A New York Times Bestseller and Notable Book Five Starred Reviews A Junior Library Guild Selection "Absorbing." —People "Readers are likely to find themselves chewing over the details of this superb and intricate tale long afterward." —The Wall Street Journal "Lovely and almost impossibly clever." —The Philadelphia Inquirer "It's easy to imagine readers studying Miranda's story as many times as she's read L'Engle's, and spending hours pondering the provocative questions it raises." —Publishers Weekly, Starred review

Sensing the Everyday

Experience the joy of God's message and begin each day with a positive outlook with these words of wisdom from Lakewood Church pastor and #1 New York Times bestselling author Joel Osteen. Research that shows people are happiest on Fridays. Now, learn how you can generate this level of contentment and joy every day of the week. As a man who maintains a constant positive outlook in spite of circumstances, Osteen has described this message as a core theme of his ministry. With personal experiences, scriptural insights, and principles for true happiness, he'll show you how to find the same opportunities for pure joy that you experience at five o'clock on Friday.

When You Reach Me

Stephen King meets Muriel Spark in Hilary Mantel's first novel. Evelyn Axon - a medium by trade - and her half-wit daughter Muriel have become a social problem. Barricaded in their once-respectable house, they live amid festering rubbish, unhealthy smells - and secrets. They completely baffle Isabel Field, the social worker assigned to help them. But Isabel is only the most recent in a long line of people that find the Axons impossible. Meanwhile, Isabel has her own problems: a married lover, Colin. He is a history teacher to unresponsive children and father to a passel of his own horrible kids. With all this to worry about, how can Isabel even begin to understand what is going on in the Axon household? When Evelyn finally moves to defend Muriel, and Muriel, in turn, acts to protect herself, the results are by turns hilarious and terrifying.

The Feedback Imperative

In Popular Culture and Everyday Life Phillip Vannini and Dennis Waskul have brought together a variety of short essays that illustrate the many ways that popular culture intersects with mundane experiences of everyday life. Most essays are written in a reflexive ethnographic style, primarily through observation and personal narrative, to convey insights at an intimate level that will resonate with most readers. Some of the topics are so mundane they are legitimately universal (sleeping, getting dressed, going to the bathroom, etc.), others are common enough that most readers will directly identify in some way (watching television, using mobile phones, playing video games, etc.), while some topics will appeal more-or-less depending on a reader's gender, interests, and recreational pastimes (putting on makeup, watching the Super Bowl, homemaking, etc.). This book will remind readers of their own similar experiences, provide opportunities to reflect upon them in new ways, as well as compare and contrast how experiences relayed in these pages relate to lived experiences. The essays will easily translate into rich and lively classroom discussions that shed new light on a familiar, taken-for-granted everyday life—both individually and collectively. At the beginning of the book, the authors have provided a grid that shows the topics and themes that each article touches on. This book is for popular culture classes, and will also be an

asset in courses on the sociology of everyday life, ethnography, and social psychology.

Another Day

Sensing the Everyday is a multi-sited ethnographic inquiry based on fieldwork experiences and sharp everyday observations in the era of crisis. Blending sophisticated theoretical analyses with original ethnographic data, C. Nadia Seremetakis journeys from Greece to Vienna, Edinburgh, Albania, Ireland, and beyond. Social crisis is seen through its transnational multiplication of borders, thresholds and margins, divisions, and localities as linguistic, bodily, sensory, and performative sites of the quotidian in process. The book proposes everyday life not as a sanctuary or as a recessed zone distanced from the structural violence of the state and the market, but as a condition of im/possibility, unable to be lived as such, yet still an encapsulating habitus. There the impossibility of the quotidian is concretized as fragmentary and fragmenting material forces. Seremetakis weaves together topics as diverse as borders and bodies, history and death, the earth and the senses, language and affect, violence and public culture, the sociality of dreaming, and the spatialization of the traumatic, in a journey through antiphonic witnessing and memory. Her montage explores various ways of juxtaposing reality with the unreal and the imaginal to expose the fictioning of social reality. The book locates her approach to ethnography and the 'native ethnographer' in wider anthropological and philosophical debates, and proposes a dialogical interfacing of theory and practice, the translation of academic knowledge to public knowledge

Everyday Greatness

The moments in Christ's human life noted in the creeds (his conception, birth, suffering, death, and burial) are events which would likely appear in a syllabus for a course in social anthropology, for they are of special interest and concern in human life, and also sites of contention and controversy, where what it is to be human is discovered, constructed, and contested. In other words, these are the occasions for profound and continuing questioning regarding the meaning of human life, as controversies to do with IVF, abortion, euthanasia, and the use of bodies or body parts post mortem plainly indicate. Thus the following questions arise, how do the instances in Christ's life represent human life, and how do these representations relate to present day cultural norms, expectations, and newly emerging modes of relationship, themselves shaping and framing human life? How does the Christian imagination of human life, which dwells on and draws from the life of Christ, not only articulate its own, but also come into conversation with and engage other moral imaginaries of the human? Michael Banner argues that consideration of these questions requires study of moral theology, therefore, he reconceives its nature and tasks, and in particular, its engagement with social anthropology. Drawing from social anthropology and Christian thought and practice from many periods, and influenced especially by his engagement in public policy matters including as a member of the UK's Human Tissue Authority, Banner aims to develop the outlines of an everyday ethics, stretching from

before the cradle to after the grave.
