On incarnating, human beings receive the mission of integrating divine qualities into their thoughts, feelings and actions in order to experience full spiritual autonomy one day. Initiatory science has always used the metaphor of winged beings to express how it feels when these powerful energies are re-activated in our consciousness. This companion to The Book of Angels: Dreams, Signs, Meditations re-introduces an initiatory teaching from the early Judeo-Christian tradition which defines 72 states of higher consciousness representing the qualities, virtues and powers of God.

Words of Power

This book contains 77 sigils, seals and talismans, each printed on its own page (with nothing on the back), so you can use them easily in rituals. It was designed to be used by magickal workers who are familiar with Damon Brand's first seven books, released by The Gallery of Magick. This book contains all the ritual images from Magickal Cashbook, Wealth Magick, Magickal Angels, Magickal Seduction, Adventures In Sex Magick, The Magickal Job Seeker and Words of Power. You can photocopy the images, use them directly in the book or even cut the book up and use the sigils in your magickal work. Images that contain color - such as the red central seal on the sigils from Magickal Angels - have been printed with color. The book also contains colored versions of the Magickal Cashbook sigils, to help them blend with your cashbook, along with the newly revised version of the Nitika sigil. This book is not essential for students of Damon Brand, but was requested by many readers, because they lack quality printers, or because they wanted high-quality copies of the sigils.

The Greater Magickal Angels

There is no such thing as a simple ritual to make you an overnight success. This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a successful pathway into your life. The great secrets of magick were delivered to a genius mathematician in the sixteenth century. After that, the magick was locked away for many years, then found again and shared in secret. Occultists are beginning to unravel these secrets to the point where they have become practical. The methods described here are based on a lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, battling against competitors, finding it difficult to start or finish a project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your dreams. Whatever your age or experience, and no matter what you have gone through before, it is never too early or too late to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity in a way that cannot happen without magick. Enochian Magick reveals an underlying power in the universe that can bring you the success you desire. This book shows every step you need to take. People may tell you that you cannot use Enochian Magick, but the angels said otherwise. They said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success.

The Kabbalah & Magic of Angels

The Greater Magickal Angels follows on from the popular Magickal Angels, but is a complete magickal system in its own right. You do not need to be familiar with the first book to get results. Magickal Angels introduced readers to 24 angels, but The Greater Magickal Angels covers the powers of 48 angels that were not revealed in the first book. You can start working with the Greater Angels immediately and everything you need is included here. The angels in this book can help you to develop and attract love, find harmony, increase fame, find strength, break through adversity, sleep well, heal yourself and obtain clear thought. There are angelic powers that enable you to invent, discover new methods, improve your business and find new supporters. You can free yourself of enemies and increase the loyalty of friends and lovers. The power to improve prosperity, win awards, write well, be stable, reduce anxiety, learn easily, understand in new ways and dominate strong personalities is at your hand. The angels can help you to excite new passion, discover more about yourself and see the past, present and future with clarity. Whether you are seeking fame, money, wisdom, healing or peace, the angelic powers can help you to improve your life in the ways that matter to you most. Although the same ritual technique from Magickal Angels is repeated here, the powers revealed are sometimes more subtle and precise, as well as being richer and more complex. That is why I refer to these as the 'greater' angels. It doesn't mean that they are necessarily better, but when used wisely they can have more far-reaching and long-lasting effects. Often, getting a magickal result requires a subtle, cunning and well-planned approach that occurs in stages. The angels in this book will help with your greater plans. This magick works regardless of your religion or beliefs. Hebrew words are used, along with Latin Psalms, because these are keys to angel magick. This does not make the magick Jewish or Christian. Aspects of those religious structures have been incorporated into the magick, because they are shortcuts to angelic contact. This magick is used by people of many religious backgrounds, and by atheists and by those who just sense there is something magickal going on out there. The angels will respond to any strong desire, and help you bring about change in the world. This book contains secrets that enable angelic contact to occur rapidly. You will discover: A method for empowering talismans and sigils Information on how to choose the right angel Methods for communicating more directly with angels Performing angel magick for other people. If you are serious about angelic work, this book can take your efforts to a much higher level. NOTE: If you own Magickal Angels the complete ritual is repeated here, so that new readers have access to that material. Be aware that when you buy this book, you are buying several chapters that you have already read. There is plenty of new information, however, as well as 48 new angels along with their sigils.

Angel Inspiration

Classic western. According to Wikipedia: "Frederick Schiller Faust (May 29, 1892 - May 12, 1944) was an American fiction author known primarily for his thoughtful and literary Westerns. Faust wrote mostly under pen names, and today is primarily known by one, Max Brand. Others include George Owen Baxter, Evan Evans, David Manning, John Frederick, Peter Morland, George Challis, and Frederick Frost. Faust managed a massive outpouring of fiction, rivaling Edgar Wallace and especially Isaac Asimov as one of the most prolific authors of all time. He wrote more than 500 novels for magazines and almost as many stories of shorter length. His total literary output is estimated to have been between 25,000,000 and 30,000,000 words. Most of his books and stories were turned out at breakneck rate, sometimes as quickly as 12,000 words in the course of a weekend. New books based on magazine serials or unpublished manuscripts or restored versions continue to appear so that he has averaged a new book every four months for seventy-five years. Beyond this, some work by him is newly reprinted every week of every year in one or another format somewhere in the world."

Healing Magick

Translated from a 17th century manuscript stored in Paris, this is an ancient but still useful book of popularized Christian magic. It is illustrated with intricate sigils.

Images from the Gallery of Magick: Book One

Every legendary villain has a story of intrigue and a character ultimately more flawed and fascinating than his hero counterpart. These fallen angels are no exception - cast out from heaven, the subversive spirits in this deck have committed at least one of the seven deadly sins to secure their place in the legions of the damned. The cards in Nigel Suckling's oracle are similarly rich with experience, and devilishly direct - Zepar, the angel who makes women love men, reveals the complications of an affair; Gusion, who can discern the past, present and future, calls to let intuition rule; while Shax, who has the appearance of a stork, warns people to protect their wealth. Choose a card for daily insight, or lay them out for a reading. The accompanying book reveals the card's meaning, and explains each angel's history. The illustrations, by artist Sarah Perkins, have been specially commissioned to evoke the dark charm of these fascinating, mysterious creatures, all of whom offer a special message.

The Rituals of Emotion enable you to encourage new friendship, attract a romantic partner, end a relationship easily, banish fear and worry, improve your mood and the mood of those around you, or recover lost love. The Rituals of Creativity will enhance all creative thought, make your creative work well-liked, as well as improving artistic skills and musical ability. Dictionary of Angels

The Angel Tarot is nothing like a traditional deck of angel cards. The 72 angels of the Kabbalah (or Shem HaMephorash) are extremely powerful heavenly beings that provide assistance to mortals while also ruling over their hellish counterparts, the 72 demons of the Goetia. When summoning an angel, their sigil (a kind of esoteric calling card) is supposed to be drawn on a piece of pure virgin parchment in red ink. To echo this color palette, the cards are made to look like fresh, pure parchment. The borders of each card are deep crimson, which creates a striking contrast. The magical symbols are real. The artwork is hauntingly divine. These aren't your Aunt Doreen's angel cards . . .

Angels and Demons

What would actually make America great: more people. If the most challenging crisis in living memory has shown us

anything, it's that America has lost the will and the means to lead. We can't compete with the huge population clusters of the global marketplace by keeping our population static or letting it diminish, or with our crumbling transit and unaffordable housing. The winner in the future world is going to have more—more ideas, more ambition, more utilization of resources, more people. Exactly how many Americans do we need to win? According to Matthew Yglesias, one billion. From one of our foremost policy writers, *One Billion Americans* is the provocative yet logical argument that if we aren't moving forward, we're losing. Vox founder Yglesias invites us to think bigger, while taking the problems of decline seriously. What really contributes to national prosperity should not be controversial: supporting parents and children, welcoming immigrants and their contributions, and exploring creative policies that support growth—like more housing, better transportation, improved education, revitalized welfare, and climate change mitigation. Drawing on examples and solutions from around the world, Yglesias shows not only that we can do this, but why we must. Making the case for massive population growth with analytic rigor and imagination, *One Billion Americans* issues a radical but undeniable challenge: Why not do it all, and stay on top forever?

They are more , how shall we say, assertive. Whereas the angels appear in gentler forms (with a few exceptions of course). In this book, we will discuss how to communicate with these demon. The rituals are similar to the ones we used for the 72 angels. However, there are a few differences. For one, we will do a quick protection ritual before we call on them and upon banishing them, we will give them an offering. It's this extra step that might make some a bit nervous. Angel Magic

Demonic magick can lead to a life of success, power and extraordinary peace. The beauty of demonic magick is that spiritual growth arises from material pleasure. Demons will demolish enemies, enrich bold ventures, satisfy material desires, and provide you with wisdom, charisma, healing and persuasive dignity. If these are works of darkness, they bring great light. Demons of Magick provides you with three rituals for working with the seventy-two demons of Goetia. The first ritual is a way to petition for a simple result. The second method is Connective Evocation, where you sense the presence of the demon, to obtain knowledge. The third method provides you with the instructions for a Full Evocation, with the demon brought to visible appearance. Each of the seventy-two demons is proficient in several areas, and all of their powers can be used alone or in combination. You have thousands of sophisticated powers at your disposal. Gordon Winterfield says, 'My intent in creating this book has been to offer something genuinely original, and unobtainable elsewhere, based on the wisdom of experienced, practicing occultists. I have no interest in peddling the same weary methods that can be found elsewhere. It is therefore unavoidable that the contents of this book will challenge much of what has been said on the

subject. The magick is a modernized, workable method, and will violently contradict many beloved theories and beliefs. This book may offend you, but if you are open minded, I believe you will find a method that works for you quite readily.'You will discover:The secret Evocation Keys for attracting the demon to you.The names of 288 angels used to constrain the demons.144 demonic and angelic seals.72 colored sigils for working the rituals.The Ritual Opening that calls on five archangels.Words of Power for achieving altered states of consciousness.The safest and simplest methods for evoking demons.

Kabbalah's Secret Circles

The Angel Overlords can generate an energy state within you that attracts what you want and repels what you don't want. It is a pure form of magick that works quickly and safely. You can summon energies that will affect significant situations in your life, unlock problems that appear to be frozen, and empower your ability to manifest. Whether you seek progress, healing, material growth, spiritual exploration, or problem-solving, these energy states are a powerful way to get what you want. These angels have the authority to guide many other angels and forces that relate to these energy states. They are lords of this power and rule how it can be summoned and distributed. This is why they are known as Overlords. You work with them by using a ritual that employs a Celestial Sigil, chanted sounds, and a form of directed thought. To give just one example, you will discover Ademariel, the angel who brings The Quality of Success. This energy state will attract people and situations that enable success. It will improve your power to manifest desires while repelling obstacles, doubt, limiting beliefs, or any state that hinders your ability to succeed. There are thirty-six angels with qualities that include Harmony, Abundance, Renewal, Inspiration, Wisdom, Connection, Hope, Intuition, Perception, and Love. Instead of casting a hundred spells and performing a whole slate of rituals, you create the energy state with ease and guide your attention to the change you require. What you need then becomes real. If you are looking for a new way of working with angels, this is an experience you don't want to miss. There is nothing else to buy, no equipment required, and you can begin your magick as soon as you have read the book.
