REA's NCLEX-PN Flashcards Are Indispensable! Hundreds of Must-Study Questions and Answers! REA's Interactive Flashcard® book for the NCLEX-PN exam helps nursing students check their test-readiness before taking this all-important exam. Our flashcard book is the perfect on-the-go study supplement and offers a quick and convenient way to practice answering questions. Written by an experienced RN, these flashcards give students full scenarios to evaluate in a multiple-choice format, just like the actual test. This recommended study aid contains more than 350 must-study questions that cover all official test categories found on the NCLEX, with detailed explanations of answers. The book also provides fascinating fun facts about the medical/nursing profession and its history. Unlike most flashcards that come loose in a box, our flashcards are bound in an organized, compact book that makes studying a breeze. Nursing students can write their answer on the front of the card, and then compare it to the answer on the back of the card. This concise question and answer format makes it easy to find the right answer, and we even give details explaining why the answer is correct. Fully indexed for smarter study, this book is the perfect way to study for the NCLEX-PN exam!
